-RETURNS HOME.—Mr. J.F. White has returned to Alberton, after a very successful operation at the Prince County Hospital. He speaks in the highest terms of the great kindness which he received while in that institution.

-KELVIN RED CROSS.—The ladies of the Kelvin Red Cross Society have completed a very successful year's work. The total receipts were \$144.83, total expenditure \$116.83. Balance \$28.00, which was donated to the Prince County Hospital. One hundred and ninety one pairs socks were knitted for the soldiers and twenty pairs stockings for Mt. Herbert Orphanage. Special mention might be made here of Mrs. Robert McMurdo, who has a big lead in number of pairs knitted, also Master Isaac Walker, a boy of twelve years who has two pairs to his credit. A small quantity of yarn is on hand which is being knitted for the Orphanage. It is a painful duty to make mention of one of the most faithful and ardent workers in the person of Mrs. J. H. Hogg who was called away by death on February 23rd.

-OVERSEAS PARCELS.—The ladies of the Summerside Branch of the Red Cross Society met in the Armoury, Summerside, on Tuesday afternoon to discuss the matter of sending socks and other comforts to the men overseas, and it was decided that parcels to be sent from now on will be sent individually to the men. Instead of sending large parcels to the Battalions in France and England as the men are moving from place to place and parcels would not reach them before returning home. The President reported that the Christmas stockings were late in arriving in France, some having not reached there until late in February. The ladies intend holding another meeting shortly to settle up their business.—L.

-GOING WEST.—Leaving by car ferry on Thursday morning were Messrs. Joseph P. Ellworth and John D. McKenna, Dock Road Lot 4. These young men are bound for the Peace River District where they intend to locate for some time. H.

-GETTING READY FOR SPRING.—War anxieties being practically over automobile painting has apparently occupied the thoughts of the automobile enthusiasts this spring. The Summerside cars will be conspicuous on the roads by their bright yellow wheels.

-PROPERTY CHANGES.—Mr. J. T. Waite, Sherbrooke, has disposed of his magnificent farm property to Mr. John Crockett, Elmsdale who will take charge in a short time. Mr. Waite with his family will move to S'side, for the present. H.

-VISITING PASTORS.—The following gentleman, The Reverend Fathers, E.R. Monaghan, Miscouche; A.J. McIntyre, Kinkora; J.J. MacDonald, Kinkora; P.P. Arsenault, Mt. Carmel; J.A. MacDonald, Grand River; F. Bordeau, Egmont Bay; are in Summerside attending the Lenten Services.

-STREET IMPROVEMENTS.—The new street scraper, which is being used is a marked improvement on the old split log drag. The new steam roller is also on its way; and we are now sure that the streets of Summerside will receive that much needed attention. We must congratulate the Councilors on their progressive movements.

-LAI D TO REST.—The funeral of the late Mrs. (Senator) Arsenault, took place from her residence at Summerside to St. Paul's Church on Thursday morning. The service was conducted by Rev. J. C. McLean, assisted by Rev. Fr. Poirier of St. Dunstan's College and Rev. P.P. Arsenault of Mount Carmel. Other priests attending were Rev. Dr. Gauthier, Palmer Road; Rev. J. A.
