

**Easter  
Millinery  
Openings  
Saturday  
April 10th**

We cordially invite you to see our **SPRING MILLINERY.**

"Artistic" "individual" "unusual" best describes our showing of spring millinery styles, and the more particular a woman is regarding her millinery, the more pleased we think she will be with our display, for it's the hat that makes or mars the costume, and it's the "style" that makes the hats.

Flowers for stylish spring millinery.

Our millinery department is made doubly attractive with a complete collection of beautiful flowers, brilliantly colored roses, poppies, violets, lilies of the valley, sweet peas and many others. This assortment will appeal to every woman with a love for pretty millinery as flowers are to be extremely stylish this spring and summer. Make it a point to see them, they're all modestly priced.

**Beautiful Trimmings**

Newest colorines in silk fancy feathers, quills, bandeaus and satins, plain silk and satin ribbons, Dresden, ribbons, cabachons, or buckles, malines, braids, pins etc., all stylish and in quantities and varieties to suit every taste.

Any hotel or restaurant keeper who is still using the old style crockery is losing money in two ways—First in excessive breakage and secondly, in the appearance of his table.

Hotel ware is made for hotels—it is heavy yet has a neat and good appearance. It is durable because it is made so, each piece having welded edges. We also have hotel tumblers, one that won't nest thereby lessening breakage.

See us about your next order.

I do not ask you to pay for the trade mark—as you will when buying largely advertised and exclusively controlled lines. But simply expect you to pay for the MATERIAL and workmanship. By cutting out the manufacturers profit, the travellers commission and the freight charges, I can supply you with the above two lines MY OWN MANUFACTURE and give you values impossible elsewhere, a comparison of prices and values will prove this, then you will quickly want to help along a LOCAL INDUSTRY when you can save money and get added comfort by so doing.
