enjoy the long and easy swell of the Fundy. In the construction of the steamers the tourist has the pleasant assurance that sudden storms will not disturb his sleep, nor boisterous waves fill the day with the agonies of mal de mer. It may truthfully be said that the cases of sickness on this route are rare and mild, which is quite natural on water so peaceful. It is the exception when a single passenger is missed from his or her place in the dining saloon.

As the summer approaches all eyes are naturally turned to the beautiful to be found in horticulture. In decorating the home the bedding plants that bloom are the kind that citizens will require to plant about their houses. All are aware of how delightful it will be to have asters, abysmus, anterrhenum, chrysanthemums, galliardias, marigolds, pansies, petunias etc., blooming in profusion. Mr. Jas. Tait's adv. in another column setting forth the lines carried in stock by his nursery should appeal to all. He will be pleased to talk with all desiring any thing carried in stock.

If you are casting about seeking an outing, possibly a visit to the Pan-American Exposition, Buffalo, via the commodious and palatial steamers of the International Steamship Line, connecting with the Boston and Albany Railway and the great four track New York Central and Hudson River Lines will give the greatest results for the least money. The steamers of the International Line are at once the fastest and finest of all ocean and coast wise vessels. It has been said that the interior of the steamers are dreams of beauty and as perfect as taste and science can suggest. The tourist traffic by the International line in years gone by indicates that the route is popular. Those who contemplate visiting the Province from the neighboring Republic should

ONE of the most progressive dealers in this Province is Mr. K. C. Holm at Victoria. His warehouse is regarded as headquarters for machinery, carriages, harness washers, wringers, etc., etc., for miles around. In fact the people who buy from Mr. Holm know full well that when he hasn't what they want it is useless to look elsewhere. In other words Mr. Holm keeps as good or the best that is going and it is thus impossible to better one's self. He handles Massey Harris Implements, Tudhope carriages and harness, Champion Washers, wringers and Thos. Hall & Co's farm machinery. Any person desiring anything in Mr. Holm's line should see him and get his prices, as he will make terms to suit all circumstances. His determination to please the public is unsurpassed and he will welcome to his show rooms all who can make it convenient to call.

UNTIL further notice the steamer Hillsboro will run to Orwell on Wednesday and to Crapaud on Thursday of each week, leaving Charlottetown at 8 o'clock a. m. Should these days prove unfit, then she will go to Orwell on Thursday and Crapaud on Saturday. 27 d & w 3w Pat & Ex

AN EDITOR'S ADVICE.

Article in a Quebec Paper that Everybody Should Read—Recommends Dodd's Dyspepsia Tablets to Dyspeptic Sufferers.

Dyspepsia is the common evil of the times. Indigestion and Stomach trouble are the afflictions of every class.

Brain-workers who from lack of exercise and nervous strain are peculiarly liable to Dyspepsia, cannot do better than take Editor Caron's advice.

He advises Dodd's Dyspepsia Tablets. Dodd's Dyspepsia Tablets have made a reputation on three continents as an absolute safe and certain cure for dyspepsia in all its forms.

Dodd's Dyspepsia Tablets will quickly and permanently cure Indigestion, Heartburn, Waterbrash, Acidity, Nervousness, Anaemia, or poorness of the blood and every other indication that the stomach is not doing its work and properly assimilating the food.

Alphonse Caron is the editor of the Echo of Montmagny, Que. Recently he felt so impressed with the value of Dodd's Dyspepsia Tablets that he published the article in his paper from which the following is taken:

"To Dyspepsia—Do you know Dodd's Dyspepsia Tablets are the best things for Dyspepsia to be had on the market. I the undersigned do for I have tested the matter for myself.

"Every person suffering from any form of Dyspepsia may rely on Dodd's Dyspepsia Tablets. As a former sufferer from that terrible malady myself, I am only too glad to show others the way out of their troubles as publicly as lies in my power.

"I was cured by Dodd's Dyspepsia Tablets. They alone of all the remedies I used, were of any benefit. I am sure if others suffering with Dyspepsia would try Dodd's Dyspepsia Tablets they will be as satisfied with them as I am.—ALPHONSE CARON."

Dodd's Dyspepsia Tablets are a compound of pepsin, diastase and other perfect digestants mixed in sugar.

They are pleasant to take, easy to carry and positively sure in their effect.

And they are but fifty cents a box all over the world.
