The largest number of students ever to graduate from Grade Ten in St. Mary's Academy, Summerside received their diplomas at the graduation exercises held last night in St. Paul's Church. Seventeen graduates were addressed by Rt. Rev. G. J. McLellan, V.G., who congratulated them on receiving their diplomas which, he said, were the outward marks and signs of the knowledge they had acquired.

Addressing himself to the parents, he reminded them that they must make sacrifices in order that their children might get a good education. "See to it," he continued, "that they have time to study. That they will not be running around the streets when they should be at home."

Addressing the graduates he admonished them to follow the training they had received and if they did so in their future lives they would be a credit to St. Mary's Academy where their Christian character had been moulded and formed in the classroom environment.
