ENDURING VICTORY

The language of Easter faith and hope cannot but be the exultant language of victory. The Resurrection affects life and experience in ways so revolutionary and far-reaching that those who really believe in it find themselves in possession of a wealth of spiritual power which infinitely exceeds the power of evil in the world around them.

If the Resurrection reveals Christ's conquest of death and sin, it reveals also that the reign of evil will at last be completely abolished. "He must reign" is the exulting conclusion of belief which grasps the cosmic significance of the Easter victory.

Business Meeting Of I. O. D. E.

The monthly meeting of the Royal Edward Chapter, I. O. D. E. was held in the Chapter Rooms on Monday, March 31st, at three o'clock.

Mrs. J. A. MacMillan, the Regent, presided. It was decided to hold a "Round Table" discussion at the April meeting on "Immigration." Miss J. MacDonald will be Chairman.

Mrs. H. Horne reported for her committee and told the meeting that 410 lbs. of food had been shipped to the Ministry of Food in London.

It was decided to gratefully accept Mrs. Harry Foster's kind offer to loan her hall for a dance in the near future. The proceeds to be used to send more food to Britain.

Mrs. Hillson reported that cards expressing sympathy had been sent to all members who were ill.

Mrs. MacMillan then introduced the guest speaker of the afternoon, Mr. L. W. Shaw, who spoke on Regional Composite High Schools. The highlights of Mr. Shaw's address were the necessity of every thinking individual having a clear idea of where they were going educationally—the necessity of having a programme to educate all, not just a section of the community—and the value of Composite High Schools.

A vote of thanks was tendered to Mr. Shaw by Mrs. MacMillan who expressed the appreciation of all members.

The meeting terminated by the singing of the National Anthem.
