## Eat Less and Take Salts for Kidneys

Take a glass of Salts if your Back hurts or Bladder bothers

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad get from your pharmacist about four ounces of Jad Salts; take a table spoonful in a glass of water, before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

Keep Them Smiling

## Soldiers Home Coming Campaign

The "Welcome" sign still hangs high on the doors of the Salvation Army Hostels. Help them to keep it there! While our soldiers have need of the comforts—spiritual as well as bodily—DON'T shut the doors in the boys' faces—Keep them smiling!

The Salvation Army appeals for a Million Dollars for the boys who won the Victory. This is the first time the Salvation Army has made a general appeal for its work. We urge you now, for the sake of the soldiers, and as a VITAL factor in the solution of Canada's Reconstruction problems, with the Homecoming of her boys, to give and to give liberally!

Our men in Khaki may not all be home for another year. While there is a company of Canadians in uniform over there or over HERE, there is work for the Salvation Army Lassie.

The weary waiting and the relaxed discipline spell dangers that MUST be guarded against. A happy smile and a comfortable body help to keep trouble at a distance. Do not let the Hostels shut for lack of funds!

## The Salvation Army Million Dollar Fund

January 19th to 25th

"FIRST TO SERVE—LAST TO APPEAL"

**A WORD ABOUT THE HOSTELS!** Have you ever been inside a Salvation Army Hostel? If not, ask a returned man about the Hostels in Paris, London, Toronto, Hamilton, or any others that he has stayed in over HERE.

Let HIM tell you about the REAL beds, the home cooking, the fried eggs, and hot coffee—and hot baths. If he knows you very well, he may give you a hint about the spiritual comfort the Salvation Army Lassies give these men far from home and all it means!

Keep them smiling! We will not turn the men adrift after they have won so glorious a Victory! We will redeem our PLEDGE—"We will keep the home fires burning, till the boys come home!"

Next week the Campaign will be on! Help twice! First, by your liberal contribution—"To whom much is given, of him much is required." Second, urge upon your friends and neighbors the pressing needs of the soldiers, right up to the time they are safely settled once more into civilian life.
