That the interest in the Black Fox industry is becoming world wide cannot be better evidenced than the fact that the stock is being subscribed for by conservative investors in Europe. In the past few days the Provincial Silver Black Foxes, Ltd., have received several more good applications for stock from investors in Europe, also numerous applications from different parts of Canada and United States. The Directors of the Provincial are to be congratulated on attracting foreign capital to Prince Edward Island. 6-26ME11.
