

# TWELVE YEARS HORRIBLE TORTURE

Ontario Lady Suffered Tortures for 12 Years with Burning Eczema. "Fruit-a-tives" and "Sootha-Salva" Completely Cured Her.

MISS LAURA E. MATTICE

NEWINGTON ONT., Jan. 21st, 1913

"I was a dreadful sufferer from that awful complaint Eczema, or Salt Rheum, and this trouble bothered me for about 12 years. My hands and arms were chiefly attacked, and the pain and irritation were terrible. I consulted several doctors and tried every remedy I heard of, but nothing did me any good. Last June, when in Ottawa, a friend asked me to try "Sootha-Salva" Ointment and to take "Fruit-a-tives" at the same time. I had little hopes that this would be any better than the other remedies, but after I had taken two boxes of "Fruit-a-tives" and used one box of "Sootha-Salva", I was entirely cured and all the irritation and annoyance left me. My hands have been ever since, perfectly free from the Salt Rheum, and I have had no return of the disease. I look upon the cure as a wonderful, inasmuch as no physician was able to cure me, and I had tried every remedy that I had been told about, yet without the slightest benefit, until I used "Sootha-Salva" Ointment and took "Fruit-a-tives". "Fruit-a-tives" cooled the blood, and practically relieved the disease and the Ointment completed the cure. I cannot sufficiently thank the proprietors of these medicines for my relief from Eczema, and I make this statement with the hope that some sufferers from Chronic Eczema and Salt Rheum, will read my testimony and try this wonderful ointment and "Fruit-a-tives", and get well. No one can estimate the torture of this terrible disease who has not suffered from it, and I want the good news, that a remedy has been found, to be known everywhere."

(Miss) LAURA E. MATTICE

"Fruit-a-tives" and "Sootha-Salva" will cure any case of Eczema, no matter how severe or how long you have suffered. Eczema is caused by impure blood, chronic indigestion, constipation and nervousness, but there is usually a tiny parasite or germ which attacks the skin and causes the burning and itching. "Fruit-a-tives" removes all impurities from the blood, tones up the stomach, improves digestion, and regulates the bowels. "Sootha-Salva" kills the germs of Eczema, allays the burning and inflammation, and stops the intense itching. If you are suffering with Eczema, no matter what you have tried for it, take the advice of Miss Mattice and use the wonderful combination of "Fruit-a-tives" and "Sootha-Salva". "Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50, trial size, 25c. "Sootha-Salva" is 50c box. Sent on receipt of price by Fruit-a-tives Limited, Ottawa.

**TUESDAY.**  
**CHURCH APPOINTMENT.**—The Rev. John Wheten, late of Pokenouche, has been appointed by His Lordship Bishop Barry, parish priest of Bathurst. He takes the place of Bishop-elect O'Leary of Charlottetown.

**THE BRANT.**—The steamer "Brant" will leave to-day on her first trip to the lighthouses this season. She is taking the usual supplies. While on the same trip she will place the buoys at Malpeque and Alberton and the large buoys at Georgetown.

**AT MCGILL.**—The McGill results in Applied Science just posted shows that H. Stanley of Charlottetown has passed in Foundations and Masonry and Architectural Drawings, (Summer Essays, civil,) and Mr. Boswell of Victoria in class III, Foundations and Masonry.

**P.E.I. SCHOONER DAMAGED.**—The Prince Edward Island two-masted schooner, Eya May, from Sydney to Port Hawkesbury, with a cargo of coal, fouled the draw at Grand Narrows bridge while passing through on Friday, and had her head-gear and rigging completely torn away—otherwise not damaged. She was towed to Baddeck on Friday by the steamer Blue Hill.

**WEDDING BELLS.**—A very pretty wedding occurred last Friday at 1 p. m. at the home of Mr. Donald McKinnon, at Brighton, when Mr. Martin McKinnon and Miss Minnie Keith, both of Montague, were united in marriage by Rev. J. F. Floyd. Only a few of the near relatives were present, the bride and groom being unattended. After partaking of a beautiful dinner served by Mrs. McKinnon, the happy couple took the train for Montague where they will make their future home.

**NEW INSTITUTE.**—In answer to a request to the Department of Agriculture by the ladies of Springfield a meeting was held in the hall there on Friday evening for the purpose of organizing a Women's Institute. After Miss James' summary of the work which had previously been given by Mrs. Dunbrack the following officers were elected—Directors—President—Mrs. Peter Sinclair; Vice-President—Mrs. W. Seaman; Mrs. Ben Haslar; Mrs. Michael Lamb; Mrs. Frank Hancock; Mrs. B. Howard; Secy-Treas. Miss Agnes Haslam. It was decided to hold the first meeting of the Springfield Women's Institute on Friday June 6, 1913, in the hall at 7 p. m., when the subject of "Canning" is to be the chief topic for discussion.

**THE NEW BISHOP.**—A meeting of the men of St. Dunstan's Congregation was held Sunday afternoon to make arrangements for the reception of Bishop O'Leary when he arrives in Charlottetown. Judge Blanchard occupied the chair and Mr. James Landrigan was appointed Secretary. It was decided to hold the reception in the Pro-Cathedral, but the date could not be fixed at present as it is not definitely known when he would arrive. The following committee was appointed: Chief Justice Sullivan, Mayor Lyons, Messrs P. A. Smith, Sixtus McLellan, D. O. M. Reddin, James McIsaac, Alex. McDonald, P. McCourt, Henry Fitzgerald, Mrs. Conroy and Ledwell. It was decided to leave all the details in their hands, such as the appointing of sub-committees, decorating, etc. There was a good attendance and a lively interest taken in the proceedings so no doubt a hearty welcome will be accorded to Bishop O'Leary on his arrival in Charlottetown.

**PROVINCIALIST DEAD.**—The following clipping from a Gardiner, Mass., exchange of April 21st. The funeral of Eva (Seaman) Turner, wife of Leonard E. Turner, was held from her late home on the Athol road, Baldwinville, Friday afternoon, Rev. N. F. Tilden officiating. A quartet composed of Miss Marion Mason, Mrs. Percy C. Young, Louis Brown and Herbert Leland sang "Abide With Me" and "Shall We Gather at the River." Burial was in Greenlawn cemetery. The great esteem in which the deceased was held by her neighbors and friends was manifested by the large quantity of beautiful floral pieces. Mrs. Turner is survived by a husband and five brothers, Mr. J. D. Seaman, Charlottetown, Prince Edward Island Messrs F. F. B. W. and G. A. Seaman, all of Lynn, and N. H. Seaman of Taunton; also five step-sons, Messrs W. I. Turner, Providence, R. I.; D. N. Turner, East Templeton; J. L. Turner, Hoston; H. A. Turner, Fall River; L. J. Turner, Jr., Athol, and two step-daughters, Mrs. Edward Doolittle of Meriden, Ct., and Miss Ruth Turner, of Providence, R. I.

The various committees in connection with the Mount Allison campaign in Charlottetown met yesterday morning in the Hearts Memorial Hall with Col. Moore in the chair and to complete the programme. A second meeting was held in the evening to complete arrangements for the opening of the campaign this morning. Mr. J. B. Dennis, Mount Edward Road, who was present at the evening meeting announced that he had

How to make a stew—a really good stew.

Here is just the weather for a grand, hot, steaming stew; below is just the recipe for one of the finest stews that ever a good cook made—a real, good Irish Stew.

The secret of a successful Irish stew is in the last few lines of the recipe below. Make the stew as the recipe tells you—don't forget the Edwards' Soup—and well, you'll be sorry to see the bottom of the plate through.

**EDWARDS' SOUPS**  
DESICCATED  
5c. per packet.

Edwards' Soup imparts nourishment, strength, flavour, and colour—it is just as good for scores of other things as it is for Irish stews. Get a few packets and see.

**This is how to make it—**  
IRISH STEW. Put in a saucepan twelve peeled potatoes, sliced in thickness of a penny, four large onions sliced—a layer of each in successive layers half fill your pan. Then take four chops of neck mutton—the scrap and—lay these on the potatoes and onions and add up with additional layers of potatoes and onions, etc. as before. In one-and-a-half pints of water add salt and pepper to taste. EDWARDS' WHITE VEGETABLE SOUP For thirty minutes add to the contents of the stew-pan, and simmer altogether gently for two hours.

Wm. H. Dunn, 396 St. Paul St. Montreal, Representative for Quebec and Maritime Provinces.

at the former meeting promised the three committees a subscription of \$2,000 each. On further considering the matter and recognizing the claims of the institution he had decided to make his total contribution \$10,000, on condition that \$5,000 more would be raised in Charlottetown and \$50,000 in the whole province. Needless to say this generous offer was fully appreciated by the gentlemen conducting the campaign and the hope confidently expressed that the conditions would be fulfilled.

Following this splendid beginning in Charlottetown came the cheering announcement that Tryon had in yesterday's canvass contributed \$1,000, and a telegram received last night from Rev. Dr. G. M. Campbell stated that Sussex, N. B., had contributed \$2,000.

With such an encouraging opening of the campaign here and the inspiring example set by New Brunswick, St. John \$50,000, Fredericton \$4,000, Sussex \$2,000, it is not too much to hope that Prince Edward Island will go beyond the modest limit set by the committee, namely, \$25,000, and reach the mark set by Mr. Dennis, \$30,000. In justice both to Mr. Dennis and to the province every effort should be made to fulfil the conditions necessary to secure this splendid contribution from the generous donor. Prince Edward Island has the reputation of being the wealthiest province, per head, of the dominion. The sum asked for is not excessive and the cause is one of the noblest for which assistance can be asked. The Guardian will have much pleasure in announcing in a few days that Prince Edward Island has been true to itself and has contributed its share.
