GENERAL CONDITIONS

(ALL RACES MILE HEATS)

The Charlottetown Race Track is now one of the fastest, best laid out and cared for tracks, and surely the most beautifully situated of any in the Maritime Provinces. A great deal of effort will be made to keep it in apple pie order, all through the period before the races and during the races so that no horse will become unsound or suffer injury and to enable them to make fast time.

Horsemen providing they are racing exclusively at our meeting) by wiring at our expense, notifying us of their arrival will be met at the train and their baggage transferred to the grounds without cost to them, also taken away without cost to them. Every effort will be made to make the horsemen's stay pleasant and send them away feeling that they have been well treated.

All races to be raced on three heat plan: 10% of each purse will be awarded to the winner. The remainder will be divided into three equal parts, one part to be raced for each heat. In the event of there being three heat winners they shall have a fourth heat to determine the winner.

All purses divided 50, 25, 15 and 10. Entry fee 5% Five per cent of the money raced for each heat will be deducted from the first and second horses; 3% will be deducted from the third horse and 2% from the fourth horse. Entrance fees and deductions do not apply to Futurities.

Six horses to enter and four to start.

Right reserved to change program, reject any entry, or if entry appears to lay over field to the extent that there is not, in the opinion of the management, sufficient competition, then the said entry may be transferred to a faster class or entry fee refunded, bar any driver and to declare race off on account of bad weather, or failing to obtain satisfactory number of entries or starters to trans-

fer horses to another class to which they are eligible, re-open or substitute another without advertising, or alter or extend racing dates.

Additional entries of an individual ownership may be made in any class by the payment of 1% on closing date, but entries of separate ownership, although in the same stable must pay installment in full.

Two entries of the same ownership may start in the same race, providing the full 5% is paid on each starter, the drivers having the approval of the judges.

All horses with names of drivers must be declared in by 11 o'clock a.m. the day prior to the race, when positions will be drawn to enable us to print score cards with actual starters.

Eligibility based on N. T. A. money winning classification.

4 — DAYS — 4

12 Classes

Only a short time and horsemen throughout the Maritimes will be forwarding their entries for the great racing events which will be held the week of August 15th to 19th.

For years Maritime horsemen, and in fact those further afield, have looked forward to the Charlottetown races as one of the brightest meets in the entire racing firmament. Here a fast track, beautiful surroundings, a glad hand from the management, good treatment, purses paid at the wire and four days racing with classes that fit any horse is assured. The program of twelve events has been planned to give the owner of every kind of worthwhile trotter or pacer an opportunity to start. The colt races appeal to many; in fact the juveniles have become a prominent part of the Provincial Exhibition racing program because every year they have exhibited good racing manners and put up good contests. This year's Futurities will probably be the best of all time with larger fields of starters and as good, if not better, quality performers. The remaining classes are the popular events that bring the best and fastest horses racing in the eastern section of Canada together.

Here the equine stars of Sydney, Halifax, Bridgewater, Saint John, Moncton, Truro, Amherst and other Maritime towns will meet and the liveliest kind of competition result.

One of the popular features with horseman in connection with the Provincial Exhibition is the awards to owners, drivers and grooms. The Macdonald Tobacco Company of Montreal will again present the British Consols Trophy to the driver who scores the most points during the four days racing. A cut of it appears elsewhere on this page. This gift from the popular tobacco company is much appreciated and everywhere horsemen speak of it with interest. It will no doubt be the means of increasing the rivalry among the great reinmen who will be here in mid-August.

The track, always a fast and safe one, has been further improved by re-soiling and will be as fast as it can possibly be made. Arrangements for free truckage of horses to and from the grounds will be continued and all trains with race horses will be met promptly. All horses must be declared in at eleven o'clock on the morning prior to the race to permit the management to have score cards printed with the actual starters and thus prevent confusion due to a number of horses being on the score card which have been drawn. In addition to the race program of four days, August 16th to 19th, an outstanding line of vaudeville and other entertainment has been secured. Here are the race events:

CAPTAIN SOLOMON AND HIS DIVING CHAMPIONS

Captain Sol Solomon, who will appear at the Provincial Exhibition, Charlottetown, August 15th to 19th, needs no introduction to high diving fans, but it is only fair to mention for the benefit of those who do not follow records closely that the Captain is the official shallow water diving title holder of the world. He annexed that honor and a valuable trophy in a competition open to the world, held at Pasisades Park, New Jersey, in May, 1936, when he completed an amazing plunge of 122 feet doing the rare full Gainer spin during his spectacular descent. The Captain, who has been called the Diving Demon, was crowned by ten judges. No other competitor was near him for height.

Captain Solomon brings along with his company of Diving Champions, two girls and a clown who perform their famous aquatic thunderbolt, which concluded with a daring descent through fire, wherein the rim of a five foot tank is soaked with gasoline and caused to light up the night. The Diving Champion and his trio performed all winter at the Miami-Biltmore pools in Florida where they were the great attraction.
