

MONDAY

NARROW ESCAPE.—A young man and two young ladies had a narrow escape on New Haven Road a few nights ago. They were driving when an auto coming up behind without warning frightened the horse, throwing both ladies out and slightly injuring one. Auto owners should be more careful and give warning when passing other vehicles on the road.

HISTORICAL BELFAST.—It is expected, weather permitting, that the residents of peaceful Eildon will be greatly honoured, in a visit by a number of the intellectual members of the Charlottetown Chess Club next Saturday morning, the party arriving by auto. This occasion will give the visitors an opportunity of seeing the historical church grounds, and the magnificent cliffs by the sea shore. On such occasions, and scenes from nature, as these outings give to men, the spirit of friendship and brotherhood becomes strong, and helps to make life worth living.

ISLAND BOY'S WEDDING.—The marriage took place in the Church of the Holy Rosary, Vancouver, B. C. on Monday, May 26th, of Miss Muriel Dorothy Snell, daughter of Mr. and Mrs. George Snell of that city to Mr. Leonard Joseph Millman, son of Mr. and Mrs. Joseph Millman of Charlottetown. The bride wore a pink wedding gown and veil. The bridesmaid was Miss Maud Snell, cousin of the bride and the groomsmen were Sgt. Bartram F. Stad of Vancouver. The newly wedded couple took a wedding trip to Portland, Oregon, thence to Seattle, where they will reside and where Mr. Millman holds a responsible position on the paymaster's staff of the Ames Ship Building Corporation.

WEDDING BELLS.—A very pretty wedding took place in Notre Dame Convent, Tignish on Wednesday, July 9th, when Miss Mary, daughter of Mr. and Mrs. Michael Gavin, became the bride of Mr. Herbert O'Brien of Elmsdale. The ceremony which was witnessed by a number of the bride's relatives and friends was performed by Monsignor McDonald. The bridesmaid, was Miss Clara Gavin the bride's sister, whilst the groom was attended by his brother Alfred. The wedding breakfast was at the home of the bride's parents. The bride was the recipient of a miscellaneous shower from the young people of Montrose, Alma and Woodville. A valuable extension table and parlor lamp from the Ladies Auxiliary A. O. H., Tignish, she being a charter member and secretary of this society. The newly married couple will reside in Grand River, Lot 14, where they will be at home to their friends after August 9th and multos annos.

NUPTIALS.—A very pretty wedding took place in St. James Church, Freetown, on July 23rd when Miss Ida Curley, youngest daughter of Mr. and Mrs. Felix Curley was united in marriage to Mr. Parnell J. Curran, Pleasant Grove. The ceremony was performed by Rev. J. B. McIntyre, Covehead, in the presence of a number of friends and relatives. The bride wore pearl grey satin with hat to match. She looked nice as she entered the Church to the strains of the wedding march which was excellently rendered by Miss Kathleen McKenna, while Mr. Peter Deighan played hymns during the ceremony. The bride was attended by her cousin Miss Alice Curley, and H. J. Curran, brother of the groom acted as groomsmen. After the ceremony was performed they motored to the bride's home where dinner was served and the Rev. J. B. McIntyre gave an elegant address to both. The groom's present to the bride was a gold pendant, to the bridesmaid a gold bracelet, to the groomsmen a pair of cuff links. After spending a few pleasant hours at home they departed for their new home in Pleasant Grove, carrying with them the best wishes of the community for a happy and contented future.

The Health Bath

For the future welfare of Canada the children must be kept healthy now. Protect them from the germs and microbes of disease by using Lifebuoy Soap.

For the bath—nothing equals the healing, cleansing, freckle-killing vegetable oils in

LIFEBUOY HEALTH SOAP

and the antiseptic agents disinfect the bruises, scratches, etc. that might otherwise be a source of danger. A Lifebuoy soap bath sends the children to bed glowing with health and happy cleanliness.

The carmine color in Lifebuoy is a sign of its protective qualities—get it washing after use.

Lever Brothers Limited, Toronto, Ont.

BUILD YOURSELF UP SO AS TO FEEL BETTER

Eat and sleep better, as well as look better, by taking Hood's Sarsaparilla. It is an all-the-year-round medicine, good in all seasons. It purifies, enriches and revitalizes the blood, creates an appetite, aids digestion, assists assimilation of the food you eat, and wonderfully builds up the whole system. In many cases it succeeds where other medicines fail to do any good.

If you need a mild effective cathartic, get Hood's Pills.

WEDDING BELLS.—Notre Dame Convent, Tignish, was the scene of a very pretty wedding on July 9, when Miss Mary J. Gavin, daughter of Mr. and Mrs. Michael Gavin, Woodville, became the bride of Mr. Herbert O'Brien, of Grand River. The bride was attended by her sister, Clara, while the groom was ably supported by his brother, Alfred. A number of the bride's friends assisted at the nuptial mass and ceremony, which was performed by Rev. Monsignor McDonald, parish priest of Tignish. After the ceremony the bridal party, amid showers of rice, drove to the home of the bride's parents, where breakfast awaited them. Soon the invited guests assembled. At 12 a.m. dinner was served. The remainder of the day was spent in merry-making. A jolly troop of shiversers formed part of the amusement of the evening. At an early hour the guests departed, wishing the young couple many happy and prosperous years of wedded life. Next day the bridal party drove to Michael O'Brien's, Elmsdale, the home of the groom's parents; thence to Grand River, where they will reside. The bridal couple were the recipients of many useful and costly gifts, including a beautiful extension table and parlor lamp, presented by the Ladies' Auxiliary of Tignish, of which the bride was a member.

Students standing highest in the several subjects.

V.D.L. TIRES

A Guarantee of Service

Backed by the life-long experience of a nationally noted rubber chemist and manufacturer of rubber goods, V.D.L. Tires and Tubes represent the last word in Tire construction.

Built by the hands of skilled workmen, each tire undergoes a series of critical and rigid inspections throughout the process of manufacture, guaranteeing a product that is absolutely reliable and dependable under the heaviest and hardest conditions of motoring.

V.D.L. Tires are made in both Cords and Fabrics, in all sizes, and are adjusted on a basis of 5,000 miles.

The only 30x3 1/2 Clincher Cord Tire made in Canada.

Equip your car with V.D.L. Tires and Tubes and realize in full the pleasure of motoring, free from the anxiety—"Will my tires hold out?"

Sold by Dealers and Garages throughout Canada.

Students coming to the Prince of Wales College for the first time will come on Tuesday morning, September 2nd next, at nine o'clock. Those wishing to enter second year will then be examined. Students already qualified to enter second year will come on Wednesday morning; those qualified to enter third year will come on Thursday morning. Tuition fees will be paid at the college. Schools that are to have fall vacation will re-open Tuesday, August 12. Schools that have mid-summer vacation only will re-open Tuesday, Aug. 26.

Flour Facts—and Flour Fallacies

Every good cook knows that Ontario winter wheat flour makes the most delicious pastry in the world. The good cook, who takes pride in the flaky lightness of her Pie Crusts—in the fine even texture of her Tarts, Cakes and Buns—says there's "nothing like the famous old Ontario winter wheat flour for pastry".

But the good cook of today does not have to buy "special pastry" flour to get such results. She uses the same flour for Bread as she does for Pastry—and is particularly careful to see that her dealer always sends

BEAVER FLOUR

MILLED OF BLENDED WHEAT

"BEAVER" FLOUR contains Ontario fall wheat blended with western spring wheat to increase the strength, without decreasing the delicate, nutlike flavour.

Quite naturally, the Bread, Rolls and Biscuits you make with "Beaver" Flour have a flavour, a tastiness, a satisfying deliciousness, that you never remember to have enjoyed in such breadstuffs before.

"Beaver" Flour is blended in exact proportions, which are predetermined by scientific tests. Thus, it is always the same in strength and quality, and will always give the same happy results.

Try it for Bread and Pastry—have your dealer send a sack for baking day. Be sure and get the genuine—order by name, and insist on having "Beaver" Flour.

DEALERS—write us for prices on Feed, Coarse Grains and Cereals.
