INSIDIOUS EYE STRAIN

We use this adjective ad- vantageously.

Sufferers from Eye-strain may have perfect vision and therefore do not suspect the presence of any eye defect.

The motive power of the life human organism is Nerve Energy.

Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when Eye-strain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy may seriously affect the functioning of other organs of the body and produce ill health.

MINARD'S "KING OF PAIN" LINIMENT

Peters Road And Vicinity

The school, Peters Road, and Alma have again reopened, and are being fairly attended.

The many friends of Mrs. Clara Johnston, Peters Road, are glad to learn of her gradual improvement to health from a tedious illness of pneumonia.

The "flu" is gradually losing its "grip" in this community, and the increasing influence of the invigorating rays of the sun, will ere long dispel the last remnants of its loathsome effects.

Perhaps the roads at present can not be better described than by citing the reply of the modest carter who while somewhat hesitatingly partaking of the contents of an egg, was asked by the waiter if it was all right, answered: "Well ye'es in phats."

Mr. Samuel Acorn of Alliston recently took his departure from his Island home, to the great American Metropolis, New York. On the eve of his departure a large number of his friends assembled at the home of his father, Mr. L. J. Acorn, where a most enjoyable evening was spent in honor of "our parting guest." We wish Mr. Acorn all success.

Also some time previously Mr. Daniel Macdonald, of Alliston left his community for N. S. His wife had moved away during the early winter on account of sickness in her former home there. On this occasion Mr. Macdonald was given a parting reception at the home of Mr. Wallace Campbell, Alliston. Mr. and Mrs. Macdonald will make their future home in N. S. and wish them continued success in this new location.

Our obliging mail-carriers Messrs Rourke & Sou are deserving of much praise for their prompt and effective transaction of duty, and now that the roads are not good "in phats" they should be assisted in their onerous work by the people in making the way as level as possible, such as levelling pitches, opening water courses, and generally showing appreciation of the efficient work performed in this important branch of public service.

In conversation with a former Prince Edward Islander now residing in United States and with another through the medium of the pen, I was assured that the penitentiary is highly appreciated by those whose destiny has placed in a foreign land, and is daily prized as the harbinger of news from the homeland.

Breathes there the man with soul so dead,
Who never to himself has said:
"This is my own, my native land,"
As home his footsteps he has turned
From wandering on a foreign strand.
—Scott.

GLYNDE RIVER, GRANVILLE AND VICINITY.

Mr. Eric Cousins is busily engaged in painting carriages.

Mr. Fred Thomas Mill Vale, is delivering hay and straw to Glynde River.

Miss Gladys MacKenzie, is visiting at her uncle Rev. Mr. Martin, Summerside.

Mr. John Dugan and Mr. Daniel J. McDonald are engaged in cutting fire wood.

Mr. and Mrs. Charlie MacKenzie and family were visiting friends in Freetown Monday.

Mr. Lewis Sherry, Summerside, paid a flying visit to Millvale, the guest of Mr. and Mrs. John Hogan.

Mr. William Stevenson, of Smith Road paid a flying visit to Glynde River, the guest of Mr. and Mrs. James Consins.

Mr. Jack Hogan and Miss Mary Hogan spent Tuesday evening at the home of Mr. and Mrs. James Cousins, Glynde River.

Mr. and Mrs. William Cousins of Rose Valley were the guests of Mr. and Mrs. James Cousins last Sunday.

Mr. J. Ernest Cousins, Bradabane, representing the Society Craft Tailoring Co., Montreal, was in Summerside for two days on business.

Mr. William McCourt and Mr. Hector Corbett are taking advantage of the good roads in hauling shingle wood and other lumber to the mill.

Mr. Mick C. Murphy one of the industrial farmers of Millvale, while engaged in hauling fine wood to Stanley Bridge had a narrow escape from getting his team of horses in the ice.

The two schools at Millvale and Granville, are making great progress under this kiltal management of Miss Mary Callaghan, Charlottetown and Mr. Marshall Matheson, of Town Road.

Dunstaffnage

Mr. William Vesey spent Sunday at his home in Dunstaffnage.

A number of young people from Dunstaffnage attended service in York Church Sunday evening.

Mr. C. W. Robertson accompanied by his sister Mrs. E. J. McPhee were visitors to Webster's Corner on Sunday.

A very pleasant evening was spent in Marshfield Hall on March 17th when a large number of young people gathered there from Marshfield, York and Dunstaffnage. The program was in charge of Marshfield R. E. C. and was heartily enjoyed by all.

The Dunstaffnage Pastime Club met Saturday evening March 18th at the home of Mr. A. C. Foster. There was a good attendance and a good time was enjoyed by all. The following program was carried out by the committee:
Duet—Herb. Court and Vernon Dennis.
Violin selection—Vernon Dennis.
Mouth organ selection—H. Court.
Contest—Margaret Stewart.
Contest—Vernon Dennis.
A dainty lunch was then served by the hostess and the meeting was brought to a close by singing the national anthem.

MURRAY RIVER

Mr. and Mrs. Murphy have taken the Melvin's residence and now occupy it.

Mr. Roderick Keenan is satisfactorily performing his duties as local postmaster, telephone agent and mail carrier.

Mr. Joseph Nicholson is now quite well and completely recovered after undergoing treatment in the Charlottetown Hospital.

There was considerable sickness here this spring. Dr. Burbee was kept on the jump with the flu, colds, and whatnots.

Mr. William Alley, the popular mail clerk on the Murray Harbor train has completed a handsome new residence at Murray River.

Mr. Butler ex. M. L. A., returned to his home Saturday morning from the P. E. I. Hospital where for several weeks he was undergoing treatment.

The McLeod Brothers have dissolved partnership. John D. taking the lobster canning branches at Picou Island, while Mr. Norman retains the store and merchantable business at Murray River.

The Express on Tuesday, as well as on Saturdays, is found to be very satisfactory and Tuesdays and Saturdays are the days generally chosen now to make the trip to the city. On freight days (mixed train) the trip to and from Charlottetown is not a pleasant one.

Very large quantities of lumber are being cut and taken away in the past five weeks and building operations in the vicinity are going to be quite active this coming spring and summer. Several new barns are going up, and dwelling house improvements are signs of prosperity.

Business this spring in Murray River is very active. The Messrs Cook are these days busy opening up a new store, a sort of branch of the old store, in the adjacent hotel building, and which will be presided over by Miss Cook and comprises mostly dry goods and ladies wear.

The trade in blue and red potatoes is however dull, while the demand for the white stock, such as mountains and cobbles is fairly good, but though Murray River is a large potato producing section there are only a very limited quantity of white stock grown. There are thousands of bushels of "reds" in the farmer's cellars. Archie Brown alone, has 500 bushels.

George W. Livingstone, who owns a valuable farm right in the village was fortunate in getting his division lines strengthened up last week by Mr. McDonald, the surveyor of Hermanville, after a contention over lines of upwards of forty years.

Mr. McDonald also, while he was down, straightened up the farm lines of Mr. Archibald Bowles, and Mr. McLure at Dover.

Leonard Hooper, who worked all last summer as assistant on the road tractor with Mr. Ralph Gordon, Rosemeach, has got an appointment recently to run a new tractor this coming season. The government are determined to greatly speed up road repair work and with this end in view are placing two new tractors in Kings County, of which Mr. Hooper will run one of them. Len is a capable and trustworthy man. The news of a drastic charge is the regulations of spirituous liquor act is being well received. Everybody is about tired of the farce, so-called prohibition act.

Tyne Valley And Vicinity

Mr. William Waite, Springfield, Lot 7 is visiting his sister Mrs. Thomas McArthur, Tyne Valley.

Mr. Arthur Gardner, Freetown, spent the week end with his sister Mrs. R. J. McNell, Tyne Valley.

Mustaches of the sparse type, such as worn by the French gentry in the early ages, are again in vogue.

Miss Daisy Adams, Port Hill, was among those attending the Cloosan and W. A. meetings in Charlottetown.

Mrs. J. W. Brown, Quincy, Mass., who has been very seriously ill, is reported to be out of danger. Her many friends hope for her speedy recovery.

The many friends of Mr. and Mrs. Joseph Ladner, Mt. Pleasant, will be glad to learn that their little son, Clinton, has almost fully recovered from his recent serious illness.

Misses Ethel Williams, Georgie Phillips, Mabel Dymont and Messrs. Lorne Burleigh, Roy Hayes and Horace McArthur were among those who attended the play at Grand River on Thursday evening.

Mr. Edison Williams has purchased the old cheese-factory and converted it into an up-to-date garage, fitted with electric lights, radio, and all equipments for testing and storing batteries and repairing automobiles.

The service in the United Church at Tyne valley, on Sunday evening was largely attended. A special musical program was rendered. The duet by Master E. Stanley Phillips and Little Miss Marjorie Newcombe is worthy of special mention.

On Wednesday evening March 16th, a reception was given at the home of Mr. and Mrs. Obeldiah Ramsay, Northam, in honor of the marriage of their daughter Ella, to Mr. Roy Ford of Mt. Pleasant. About eighty guests were present. The bride was the recipient of many valuable gifts. The young couple will reside in Mt. Pleasant.

The Ladies Aid of the Presbyterian Church, Tyne Valley, held their semi-monthly meeting at the home of Mrs. Henry Ritchie, quite a large number of members and several visitors were present. After the usual opening and the business of the meeting was transacted a pleasant social hour was enjoyed by all. Lunch was served by Mrs. Ritchie, Mrs. McLean, Mrs. MacCaulein, and Mrs. Johnston. The collection amounted to six dollars.

Rev. A. Brown, Tyne Valley, is conducting a series of lectures on the Bible; the different books of the Bible; the different biblical characters portrayed in each book and showing how the Old Testament is linked up with the New Testament. These lectures are most interesting and educational, showing how God in his infinite wisdom can bring all things to pass. On Thursday evening the subject was the Book of Leviticus.

The Ernest Mission Band of the Presbyterian Church, held their meeting Sunday evening in the church with an exceptionally large attendance. The roll-call was responded to with a verse of Scripture beginning with the letter D. The programme consisted of readings from the different mission fields. A duet "Love Lifted Me" was beautifully rendered by Miss Eselle Stewart and Mrs. McLean. Mr. Ritchie gave a splendid address, taking for his subject the words of John "Prepare ye the Way of the Lord make his paths straight." Miss Lorna Yeo and Miss Constance Forbes were appointed to prepare a programme for the next meeting. Miss Margaret Yeo, questioner, and Miss Mabel Dymont, organist. Mrs. Dugald Stewart will conduct the meeting.

DODGE BROTHERS MOTOR CAR

Facts that Draw Crowds and Sway Buyers

Little wonder Dodge Brothers Motor Cars today are accorded such widespread and enthusiastic commendation—

Smart new body lines —

A new seating arrangement that provides still more roominess and comfort—

A new clutch, simple, sure, silent—

Softer pedal action, easier gear shifting—

Quicker acceleration, still greater steering ease—

More rigid engine support—and smoother performance—

Sturdiness and dependability made still more pronounced by vital betterments in body construction and in the propeller shaft, differential and axle shafts.

Add to these the new five-bearing chrome vanadium crankshaft, with its remarkable improvement in engine performance, the excellent new starting and lighting system and many other recent betterments, and you understand why owners proclaim today's car—

"The finest Dodge ever built!"

MRS. PATRICK TRAINOR

ST. JOHN, March 23. —With deep regret friends learned of the death of Mrs. Patrick Trainor, which occurred on March 21, at her residence, 24 Harrison street.
