## UNRULY HURLER FINED \$750

(Canadian Press)  
CLEVELAND, O., May 31.—William Harridge, President of the American League, tonight fined Milton Gaston, Chicago pitcher, \$750 and suspended him for 10 days as a result of the fight here yesterday between George Moriarty, umpire, and four members of the Chicago team.

The other Chicago players were fined but not suspended while Moriarty was severely reprimanded for "neglect of duty."

Lou Ponsessa was fined \$500; Charlie Berry, catcher, \$250; and Frank Grube, catcher, \$100. Johnny Butler, Chicago coach was suspended for five days.

In reprimanding Moriarty, Harridge said the umpire should have removed Berry and Ponsessa for their conduct during the game.

Harridge stated in a typewritten report that Gaston was the only one whom his investigation proved to have taken part in the fight in the dressing rooms here.

Butler had been ordered out of the game following a dispute yesterday. He will not be paid during his five-day suspension.

Ponsessa, informed of the decision, said he had nothing to say except "Harridge is the boss. Whatever he says goes with me."

## ATHLETICS LOSE TO WASHINGTON IN LONG GAME

(Canadian Press)  
NEW YORK, May 31.—Heinie Manush's bat broke up a long ball game at Philadelphia today and gave Washington a 5 to 4 decision over the Athletics after 12 innings of scrapping. The triumph put the Senators into a virtual tie with the second place Detroit club and cost the A's a chance to capture third.

Manush nearly won the game in the 11th after Tony Freitas, the A's newly acquired left hander, finally had been taken out and George Earnshaw was pitching. Heinie welcomed Earnshaw's arrival on the hill with a home run that gave Washington the lead. Philadelphia tied the score again but the next time Manush came up he whacked a triple to drive home Buddy Myer, who also had hit for three bases, with the winning counter.

Peace reigned over the Cleveland ball park today, in contrast to the Memorial Day hostility, as the Chicago White Sox defeated the Indians 6 to 5.

Frank Grube, involved with three other members of the White Sox yesterday in a fight with umpire George Moriarty, caught while Emmett Ormsby took Moriarty's place as umpire.

Averill hit a home run with one on in the ninth but it was not enough to overcome errors by Vosdik and Morgan in the sixth when the Sox scored five runs.

## CUBS STILL LEADING NAT. LEAGUE RACE

(Canadian Press)  
NEW YORK, May 31.—Lonnie Warneke and the Cubs subdued the Cardinals and old Jess Haines, 3 to 1, today at Chicago to take the edge in the series and retain their two and one-half game margin over the Boston Braves for first place in the National League.

Warneke racked up his seventh victory of the season and hurled his ninth complete game of the campaign. He gave only six hits, one of which was a single by Haines himself which drove in the Cardinals' only run, in the fifth. That was the only chance of scoring the world champions had.

Southpaw Ed Brandt and Fritz Knothe ended the Braves to salvage the final game of the series from the New York Giants at Boston. Brandt limited the Giants to four hits to win his sixth game of the season, 7 to 2, and Knothe provided the winning runs with a homer with two on in the fourth. He also tripped to drive in another tally in the sixth.

The Braves hit Hal Schumacher hard and often but he lasted up to the eighth inning, giving way for a pinch batsman.

Pittsburgh's Pirates scrambled in to a tie for third place in the National League at Pittsburgh by trouncing the Cincinnati Reds, 4 to 1.

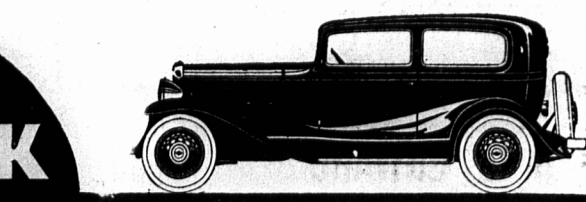

Larry French, Pirate southpaw, and Red Lucas went the distance. French allowed the Reds 10 hits, but kept them scattered. The Bucs got six of their nine hits in the first two innings.

## THE FAMOUS DERBY TO-DAY

ESKOM DOWNS, England, May 31.—(Canadian and Associated Press Cable)—The sun set in a blaze of many hues over the fast drying Epsom Downs tonight, where tomorrow twenty two of the finest three year olds of the English turf will race over the historic mile and a half course in the 152nd renewal of the Derby.

But there was still a chance of rain and a wet track to endanger the chances of W. M. G. Singer's good colt Orwell, warm favorite for the Derby for months past, whose odds shrank to 15 to 8 tonight. Orwell tomorrow will attempt to chalk up an eighth win out of nine starts since he saw the turf as a two year old. His only failure was his maiden start.

The field or starters was reduced to 22 today by the withdrawal of Sunnyborough, owned by J.A. Dewar, whose Cameronian romped to a popular win a year ago. In the field are all the best of the English classic contenders, and looming among them the unbeaten colt Cockpen, who has never met Orwell.

### King and Queen Will Attend

Epsom Downs hummed with activity tonight in preparation for Derby day. Already thousands are quartered in the town or in the outskirts, and the gypsy encampments dot the Downs. Probably a million people will be watching, or attempting to see, the renewal of the blue riband. When the crowds of curious and the regular racegoers had left the track tonight the regions about the enclosures sprang into activity in preparations for the King and Queen and other members of the Royal family, and for the great influx that will form a long trek tomorrow.

Even the thoroughbreds, trained to the pink for the test of their lives, seemed to feel the excitement. The principals in the great drama, on whose backs millions of pounds will ride tomorrow, were locked away in stalls in "no man's land," so-called because no man may tread there without more credentials than he would require for even a world's tour.

## Miners Threaten Industrial Fight

LONDON, May 31. (Canadian Press Cable)—With government, coal owners and coal miners' representatives making last minute endeavors to secure some measure of agreement on the question of wages and working hours, the executive of the miners' federation meets tomorrow to discuss the alternatives of accepting the government's coal mines bill, or else calling for a national stoppage of mining.

The government bill, regulating production, supply and sale of coal for a period of five years, was debated at length in the House of Commons this evening, and the temper of the members opposing it was indicated by the statement of Aneurin Bevan, Laborite and former mine worker, who warmly asserted that if the House did not give the miners justice then they would get it by fighting or striking.

If the owners sought another reduction of wages, the country would undergo the biggest industrial fight it had ever seen, Bevan warned.

LONDON, May 31.—(Canadian Press Cable)—The House of Commons tonight defeated a Labor amendment which would have rejected the Government's new bill for reorganization of the coal industry. The vote was 391 to 58.
