Welcome was along too, called by his men on the spot. And—well, that newspaper-story doesn't tell half the real truth."

Rittenberg, puzzled by O'Hara's suddenly alarmed manner, laughed. "I don't see why there need be anything queer about it," he said. "If Caryl hasn't looked in on you at your club, the only explanation is that she changed her mind. It's characteristic with women."

quite what he had feared. But these few pitiful sentences seemed only to sum up what might so naturally have been the feelings of a highly-strung girl in her position.
