IFS ON ELECTION DAY

We'd sheathe our swords and we'd quit right now

If the Pacifists had their way.

We'd make some kind of peace somehow

If the Pacifists had their way.

We'd leave our allies to make their fight

Without the help of our wealth and might

Yes, we'd be a fine brave bunch, all right—

If the Pacifists had their way.

We'd lie down cold like a craven crew

If the Pacifists had their way.

We'd show that our word was a word untrue

If the Pacifists had their way.

We'd save ourselves from the present fuss

Then if the Kaiser should win the fuss

Why, later on he'd attend to us—

If the Pacifists had their way.

We'd be the butt of the whole world's hate

If the Pacifists had their way.

We'd meet the coward and quitter's fate

If the Pacifists had their way.

Wherever we went we'd find a ban

That cuts us from our fellow man

And I'd blush to be a Canadian

If the Pacifists had their way!
