In the last issue of "Iron Age-Hardware," the leading American journal published in the interests of the Wholesale and Retail hardware trade, there appears a lengthy article on the new annex to the store of The Rogers Hardware Co., Charlottetown. The article is exceedingly complimentary and appearing as it does in the foremost hardware trade journal of the United States is of special note.

The Tunnel Track races, Cape Traverse, for 1912 will take place on Monday, August 19th. Mr. Irving is already planning and making preparations to make this race meet eclipse all previous ones. Tunnel Track is acknowledged by everybody to be the speediest in the Provinces, and all lovers of horse racing are looking forward to this event. There is but little doubt, that the attendance this year will be a record one, as residents from all sections of the Province will be more interested in Cape Traverse and Tunnel Track, since the Borden Government have decided to build the Car Ferry.

The marriage took place at the Finlayson House, Charlottetown, on the 25th June by the Rev. Daniel McLean of Wm. Angus MacDonald of Point Prim to Miss Sarah MacDonald of the same place. The interesting ceremony was witnessed by a number of the friends of the contracting parties. When the knot was securely fastened the happy couple left by boat for their future home at Point Prim. They have the very best wishes of a large circle of friends for their future prosperity. The Guardian extends congratulations.

Kentford L. and Mrs. Waite of Wilnot Valley drove to Charlottetown on Thursday, and in the afternoon they, with Mrs. Waite's cousin Miss Flo. McKenzie of Charlottetown, drove to Pownall and registered at the Forrester Hotel. Mr. Waite reports the roads fine and the country looking very good with rather a light crop of hay. The best piece of hay seen between Summerside and Pownall was owned by Mr. Mutch of Southport. Mr. Waite's rig was admired by a great many on the streets of Charlottetown. They returned home to Summerside on Saturday.

FINE CUT GLASS

Purchasers of cut glass need to make sure that they are getting the genuine article. We know that there is being marketed by manufacturers who are considered reliable a line of so called cut glass in which the pattern is really pressed, and afterwards touched up and polished on a wheel.

Our Cut Glass

is fully cut. When the cutter takes a piece in hand it is perfectly plain on both sides and every line is cut and polished by hand.

We control for Charlottetown, the product of the oldest and largest Canadian factory, and feel that we have the very best in cut glass to offer our patrons.

NEEDLEWORK NOTES.

If you have no stiletto for eyelet embroidery a nut pick makes a fine substitute.

Expert needlewomen have an invariable rule in determining the number of thread to use in making buttonholes. If the thread to use in sewing the garment is No. 80 the size to be used for buttonholes should be 60; in other words, the thread for the buttonholes should be coarser by 20 than the thread used for the garment proper.
