IN MEMORIAM

In loving memory of our dear mother, Mrs. James Vickerson, Cornwall who passed away July 29, 1921.

Call not back the dear departed, Anchored safe where storms are o'er;

On the border land we left her, Soon to meet and part no more.

Far beyond this world of care; We shall find our missing loved one

In our father's mansion fair.

Far thee well, on earth we'll miss thee, Lonely will thy loved ones be,

And the many friends who linger, On this side life's surging sea.

Bur a year, not distant, cometh, When we tread the vast unknown,

We shall find our darling mother, Seated at the great white throne.

Inserted by her husband and family.

IN MEMORIAM

In loving memory of Mrs. Hugh McKenzie, who departed this life June 16th, 1917 and her husband Mr. Hugh McKenzie, who predeceased her April 1872.

When I think of the days when forest abounding,

When its proud lofty giants stood high in the air

These were our shelter from the rigors of winter,

While about the log-cabin we bare-footed played.

When I think of the message that came to dear Father

From the King of all Kings, get ready and go.

The message was urgent, he could not detain it

And this meant a serious break in the home.

When I think of dear Mother as she shouldered the burden.

That was heavy enough for both parents to bear.

And now half bewildered in her lonely condition,

Facing the future with hardships and care.

She hadn't a sister or brother to go to.

To tell them her troubles, or such things as she need,

But she found in her closet, strength for the burden.

A balm for wound and nothing to fear.

I think of dear Mother, as I open the pages,

Of the Hymns and the Praises so often she sang,

When spinning or knitting, or other engagements,

MR. CHARLES KEDDY HIS GREATEST FRIEND

Noted Prospector Crowns Interesting and Useful Career With Discovery of Drec

Mr. Charles Keddy of Lake Ramsay, New Ross, Nova Scotia, great grandson of the founders of the city of Halifax and whose parents and grandparents bore almost equally distinguished parts in the early development of the City, is himself famous all over Canada as a successful prospector and mineralogist.

He located the first tin ore in the solid in Canada and discovered radioactive ore in the solid but it is doubtful if any of these successes brought him greater personal satisfaction than his timely discovery of Drec as a health-bringer.

Mr. Keddy, at 73 years of age found that years of hardship and exposure had told on even his robust constitution. Today, thanks to Drec, Mr. Keddy is again active and strong and straight as a flagstaff. He feels fit enough to break again the trails of his vigorous youth. Here is Mr. Keddy's statement:

For a long time I suffered from rheumatism so bad that I could not work. My back ached terribly and I was almost bent double. I had pains in my knees and feet and every time I moved, my joints cracked. Some time ago I had an opportunity to purchase just before my knee was was in the hospital for two months. After that my troubles seemed to start. My stomach

and kidneys were in bad shape and my bowels were irregular. "Thank goodness, I have found Drec. It has relieved my stomach and kidney trouble; I have no more rheumatism and walk perfectly straight. My bowels are regular and in fact I am a new man and feel extra fine for my 73 years. I cannot praise Drec too highly. The results I obtained surprised me and I gladly recommend it to anyone. I feel much stronger in every way and have gained five pounds in weight."

Mr. Keddy's picture published here shows him as a hale and hearty man. It will be welcome news to many friends in Halifax and elsewhere who know of his health and his latest discovery. Some time ago Drec is made from herbs, acids, bark and other natural substances and regulates the entire system. It contains no mercury, potash or habit forming drugs.

Drec is being specially introduced in Charlottetown by E. A. Foster. It is also sold in Summerside by Gallant Drug Co., Limited, in Montague by H. J. Mabon, in Souris by Souris Drug Co., and by a good druggist everywhere.

MRS. AGNES MacLEOD

On Monday, May the 21st, 1923, there passed peacefully away at her home near Bradbourne Mrs. Agnes MacLeod, widow of the late Alex MacLeod who predeceased her over eight years ago.

She is survived by five brothers and three sisters, three sisters predeceased her. One brother James R., of Moncton, Maine was present at the funeral.

She leaves to mourn their kind and thoughtful mother five daughters Elizabeth of Concord, N. H., Martha of Warner, N. H., Maud of Boston, Mass., Mrs. Jacob Sells and Mrs. Benjamin Weeks, both of Fredericton, and two sons Millage of Kensington and John on the homestead.

The Rev. John Stirling assisted by Rev. Mr. Peters conducted the service and gave an excellent address on "The Home" temporal and eternal. The pall bearers were Thomas Haslam, Wellington Haslam, Angus Matheson, Daniel McKay, Isaac Sharpe and Joseph Biggar.

Interment was in the St. John's cemetery. The Rev. Mr. Peters conducted the service and gave an excellent address on "The Home" temporal and eternal.

MR. JOHN D. McKINNON

There passed peacefully away at Knutsford July 29th, Mr. John D. McKinnon, aged 66 years after a lingering illness for the past 6 months. John D., as he was familiarly known was a most successful farmer and his residence and buildings were the admiration of all as an up-to-date P. E. I. farm. He took an active interest in all things pertaining to the betterment of the farmer.

There are left to mourn Clarence and John at home; William in Springfield and Daniel in Mount Royal; two daughters Mrs. Mildred Jolly of O'Leary and Mrs. Hilton Smallman of Atleboro, Mass., Florida tributes from the family and grandchildren, upwards of 90 carriages and automobiles escorted the remains from the house to the Springfield Cemetery where the late Mr. McKinnon was laid to rest beside his wife who predeceased him 6 years ago. The Rev. Mr. Tingley officiated at the house and grave.

MISS DOLLY JERRIOR

The death occurred at St. Louis, of Dolly daughter of Mr. and Mrs. Auld Jerrior formerly of Georgetown.

Deceased had been ailing but a short time with whooping cough she was a general favorite with both young and old and her untimely death will not only be regretted by her relations but by a large circle of friends. She leaves to mourn two sisters and one brother,

the sisters are Nancy and Fanny and one brother Francis besides her sorrowing parents, sincere sympathy is extended to the family in their sad and sudden affliction.

CANADIAN PACIFIC Summerside Vs. Madisons Today

The great majority of Canadian Pacific Railway Excursion passengers will be leaving the island on the regular train on Thursday, August 2nd leaving Charlottetown at 11.15 p. m., and Summerside at 1.45 p. m., connecting with second trip of car ferry, on their way to St. John to connect with the FIRST SPECIAL TRAIN on Friday August 3rd.

The Canadian Pacific dependable and popular route, passing through the densely populated portions of Quebec and Ontario has always been a popular one. The fine restaurants at all Divisional points coupled with excellent lunch counter car service all combine to render the Canadian Pacific Route Superior from the standpoint of comfort and service.

Providing weather conditions are favorable a crowded grand stand and bleachers will be on hand this evening to witness a hot battle game for the Island Baseball Championship between the Madisons and Summerside All Stars.

Indications point to a snappy game of ball as both sides are equally matched and out to take the long end of the score. If the Madisons lose this evening their chances for the honors will look mighty slim as the third game is to be played on the Summerside diamond, where the westerners are hard to trim. Therefore with the All Stars going high and the locals out to retain the splendid reputation made by them this summer, a fast "little old" ball game is sure to result.

Died Of Fright

(By Dominion News Service) RYDLE, Isle of Wight, July 31.—Arthur Cooper, aged 78, decided that life was no longer worth living, and after considering various methods by which he might end his own he came to the conclusion that hanging would be the least painful. He made all his arrangements very carefully and was finally found leaning over a chair with a rope round his neck. When his body was examined it was discovered that antipilation of death was the real cause of Cooper's sudden end. There were no marks on the neck.
