Mikhalovic

Ninco, 70, minister of foreign affairs in the London exiled government, eight years.

Jury Finds Death Caused By Self-Inflicted Wound

A coroner's jury last night found that Benjamin Gauthier, 35, died of a self-inflicted wound in the region of the jugular vein, presumably caused by a fragment of broken milk bottle.

"I was on edge all the time.. because I forgot one simple fact"

Could it get mixed up deliberately to tantalize me? An accountant's office is no place for a person who feels headachy and listless all the time.
