EXAMINATION OF GREENMOUNT SCHOOL

The half yearly examination of the
Greenmount School was held on Fri-
day afternoon Dec 24th. Although
the weather was unfavorable upwards
of twenty parents and visitors were
present. The school was artistically
decorated for the occasion by the
teacher and pupils and a handsome
Christmas Tree was provided laden
with gifts and candy for the child-
ren.

The pupils were examined in the
different studies by Miss Winnie Gil-
lis principal of the Montrose school
assisted by the teacher Alex Corbett,
Mrs Patrick O'Brien and Jas Ray-
nor.

The accuracy and readiness display-
ed by the pupils in answering the
different questions was highly credi-
table to both teacher and scholars.
A short program of readings, Recita-
tions and singing was then given
by the children which won the ap-
plause of all present. After which
the teacher got a pleasant surprise
when two of the pupils Miss Anna
O'Brien and Miss Mary C. McKie
stepped forward and in behalf of the
school presented him with a beauti-
ful Xmas Box accompanied with a
flattering address.

The teacher feelingly thanked the
pupils for their beautiful present and
expressions of good will after which
short addresses were given by Jas
Hamill, Patk O'Brien and Silas Ray-
nor, all of whom spoke as highly
pleased with the program of the
school.

After mutual exchanges of good
wishes all departed pleased with
having spent an afternoon with the
children.

CROUP QUICKLY CURED.
Don't Let the Child Choke to Death
While Waiting for the Doctor.
Hyomei, the miraculous, antiseptic
dry air treatment, will cure croup in
either the first or second stages. Easi-
ly inhaled, even when the breathing
is irregular, it reaches more prompt-
ly than any other remedy the terrib-
ly inflamed membrane of the wind-
pipe. It's soothing balsams act im-
mediately, the inflammation is allay-
ed and the swelling reduced.

George H. King, of 22 Wellington
Street, South Woodstock, says: "We
would not think of keeping off colds,
croup, coughs and sore throats for
all of our three children many and
many a time. When a child breathes
badly and through the mouth and the
glands around the eyes and
nose commence to swell, then is the
time that we find the Hyomei quick-
ly relieves the trouble and gets the
bronchial tubes, lungs and throat
cleared up."
Hyomei (pronounced High-o-mey) is
guaranteed by Geo. E. Hughes to
cure catarrh, coughs, colds, asthma,
bronchitis and croup, or money back.
A complete outfit, including a neat
hard rubber pocket inhaler, costs only
\$1.00. An extra bottle of Hyomei,
if afterwards needed, cost but 50
cents.

"Bronchitis"

is generally the result of a cold caused by
exposure to wet and inclement weather
and may be recognized by a tightness
across the chest, sharp pains and a
difficulty in breathing, a secretion of
thick phlegm, at first white, but later of
a greenish or yellowish color coming from
the bronchial tubes when coughing, es-
pecially the first thing in the morning.
Cure the first symptoms of bronchitis by
the use of Dr. Wood's Norway Pine
Syrup.

Miss Martha Bour-
get, Little Falls, Que.,
writes: "Last spring
I was very poorly, had
a bad cough, sick
headache, could not
sleep, and was tired
all the time. I consulted two doctors,
and both told me I had bronchitis, and
advised me to give up teaching. I tried
almost everything but none of the medi-
cines gave me any relief. One of my
friends advised me to try Dr. Wood's
Norway Pine Syrup. I had scarcely
taken the first bottle when I began to
get better and when I had taken the
fourth bottle I felt as well as ever, my
cough had left me and I could sleep well."

"Dr. Wood's" is the original Norway
Pine Syrup. It is put up in a yellow
wrapper, three pine trees the trade mark
and the price 25 cents. Manufactured
only by The T. Milburn Co., Limited,
Toronto, Ont.
