Lawson Little Continues Strong In Defense Of United States Golf Title

(By Alan Gould, Associated Press Sports Writer)
(A. P. By Guardian's Special Wire)
COUNTRY CLUB, Cleveland, Sept. 10.—Following the "dark horse" trail toward his fourth successive National Amateur Golf Championship, William Lawson Little Jr., of San Francisco survived a second round blast of sub-par shooting today in defense of his United States crown.

Bill Lain, Chicago undertaker, fired a pair of birdie threes at the champion in the first four holes to become two up, but Little came back with a characteristic burst to rout his tormentor 6 and 4. While a half dozen favorites, including Scotland's redoubtable Tony Torrance, fell off of unexpected pitfalls in the "sudden death" 18 hole matches, Ross "Sandy" Somerville, at his scintillating best, led Canada's three title-aspirants successfully through the second round.

The London veteran tamed par and Douglas Hill of Cincinnati. His clubmate, beetle-browed Jack Nash, drubbed former champion Max Marston of Philadelphia. The impressive tallies in these two victories were the same, 6 and 4.

George T. Dunlap Jr., of New York, a former champion, faded out of the picture.

DONOVAN ADVANCES

Bud Donovan of Winnipeg emerged a one-up victor over Pierre Russell Jr., of Troy, N. Y., after a hard tussle.

Grant Springs Upset At Forest Hills

(By Bob Cavanaugh, Associated Press Sports Writer)
FOREST HILLS, N. Y., Sept. 10.—Inch for inch the greatest little player in the world, Bryan M. Grant, Jr., the Georgia gnome who stands scarcely over five feet, completed the biggest tennis upset of the year today when he vanquished towering Don Budge in four sets, 6-4, 6-4, 5-7, 8-3, and gained the semi-final round of the United States tennis championships.

It was an old story over again with an up-to-date angle. Grant became a "giant killer" of prominence in 1933 when he breezed through Ellsworth Vines in straight sets at a time when Vines was defending the United States title. He's been taking periodic falls out of the big fellows ever since.

In subduing Budge he halted, temporarily at least, one of the most brilliant rises of a youngster in the history of the game. Budge, with victories over Bunny Austin and Aaron Gottfried Von Gramm seeded second among the United States entrants and conceded as having the best chance of dethroning champion Fred Perry of England.

Budge, Davis Cup singles player, actually lost to the Atlanta atom yesterday when the contest was stopped because of rain with Grant leading 6-4, 6-4, 2-1. Budge thrives on speed—the harder an opponent hits the ball the better he likes it. Grant fed him nothing but soft spinners yesterday and continued these tactics when play was resumed this afternoon.

Giants Win Doubleheader To Close In On Cards, Cubs; Senators Blank Tigers 6-0

(A. P. By Guardian's Special Wire)
NEW YORK, Sept. 10.—(A. P.)—A three-run rally in the eighth inning, after Joe Bowman had held them to one hit and one run, gave St. Louis Cardinals a 4-2 victory today over Philadelphia at St. Louis.

Vancouver Linkswomen Title Threat

(C. P. By Guardian's Special Wire)
JERICHO GOLF AND COUNTRY CLUB, Vancouver, Sept. 10.—A slender Vancouver linkswoman tonight loomed as British Columbia's bid for the Canadian women's open golf crown after a day of match play which saw two visiting stars suffer surprise elimination.

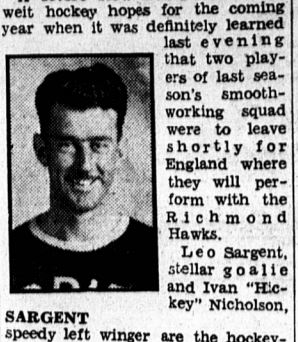

Marcia Moss, making her first appearance in a national title hunt, fought a nip and tuck battle with the highly-favored Dorothy Traung, of San Francisco to clinch the decision on the 21st.

Mrs. H. G. M. Wilson of Vancouver turned in the other surprise victory when she eliminated Elizabeth Finn of Seattle, one up.

A general matron from Calgary, Mrs. Roy Horne, shot superb golf in her match with Mrs. E. M. Whittington of Toronto, scoring a four and three victory.

Mrs. F. J. Mulqueen, Toronto, ended her match with Mrs. George Irvine of Vancouver on the 13th green. Ada MacKenzie, Toronto, yesterday's medalist, ended her match on the 13th against Dorothy Schweglers of Vancouver for a six and five victory.

Nicholson And Sargent To Play In Old Country

A severe blow was struck Abegweit hockey hopes for the coming year when it was definitely learned last evening that two players of last year's smooth-working squad were to leave shortly for England where they will perform with the Richmond Hawks.

Leo Sargent, stellar goalie and Ivan "Hickey" Nicholson, speedy left winger are the hockeyists to leave and with their departure a gap will be left in the Abegweit machine that will prove difficult to fill.

For a number of years Sargent has been regarded as one of the best of Maritime goalies and last year, his first in Abbie uniform, Leo made a host of friends by his spectacular work between the uprights.

"Hickey" Nicholson, one of the most popular players on the team and also one of the few Charlottetown boys must also be classed among the Maritime's best when wingers are being discussed. Young in years Hickey has a wealth of hockey experience behind him and at the present was just beginning to show those who had predicted a brilliant hockey future for him that they were not amiss in their predictions.

Second Game Of City League Finals Tonight

Stars and Burhoe's Grocers meet again tonight in the second game of the final series for the City Baseball title and Chester A. Campbell Trophy. One up, as a result of their recent 6-3 victory, Perc McInnis' troupe are out to make it two straight and take stranglehold on the trophy and tonight the strongest Star team will be on hand for the fray.

Grocers, however, are all set to put up the battle of their lives. Not a bit discouraged by their first setback the youngsters feel that if they are clicking they can and will take the measure of their highly favored opponents and make the series all-square at one win apiece.

Tonight's game will likely be a battle between two smart right-handers: Archie McFarlane of the Grocers and Walter Goss of the Star and with this pair as their peak the encounter is bound to be a bitterly-fought affair with the breaks likely to decide the issue. The game is to start at 8 o'clock sharp and players are asked to make a special effort to be on hand and ready to start at the above time.

Syracuse Wins Opening Game

(A. P. By Guardian's Special Wire)
SYRACUSE, N. Y., Sept. 10.—With Joe Cascarella scoring a close mound decision over Steve Sundra, Syracuse Chiefs today defeated Newark Bears 3-2 in the opening game of the International League play-off series involving the second and fourth place teams.

A two-base hit by Johnny Kroner in the eighth inning, scoring Specs Torporcer, who had singled, gave Syracuse victory.

The Bears put to gether a single by Baker and a double by Walker to take a one-run lead into the second inning, but the Chiefs went ahead in the fourth when successful walks to Torporcer and Kroner, Tucker's sacrifice, and Leggett's single accounted for two runs.

Newark tied it up in the eighth on singles by McQuinn, Koy and Porter, after which Kroner's two bagger decided the contest.

The teams will meet again here tomorrow, then resume the series at Newark on Friday.

Old Country Mecca For Canadian Hockey Tourists

(By Elmer Dulmage Canadian Press Staff Writer)
TORONTO, Sept. 10.—Ready to sail for England with his three-man fight stable, dapper little Mike Kaplansky of Kitchener, Ont., and Edmonton conceded tonight that Canadians are more anxious to play hockey in England than the old land is to have them.

Mystery man of British hockey does this summer, Kaplansky could only sigh when it was called to his attention that more and more Canadian players seemed about to cross the Atlantic this fall to join English and European teams.

"Yes," said Mike, "and you would be surprised if you knew how many more of the boys want to go over there for amateur hockey. Since I arrived this summer with Eddie I've received letters from players in every Province. They all want to go."

Eddie Kaplansky's Eddie Wentz of Edmonton, who is going to fight Eddie Phillips for the British light heavyweight title at Wembley, probably next month. "Kap" also is taking back with him Tommy Bland, Canadian lightweight champion and Jack (Spider) Armstrong of Toronto.

our Hockey Association protest at the extensive importation of players. "Those boys are amateurs just as much as they are here," he remarked.

The liner Montclair will sail from Montreal Thursday with 13 Canadian amateur hockeyists, most of whom will play this season with Wembley teams. Kaplansky said he believed some of them, notably Tony and Albert Lemay of Winnipeg, would line up with Jeff Dickson's Palace De Sports team of Paris.

Baer Fast Shaping Up For Big Bout

SPECULATOR, N.Y., Sept. 10.—(A. P.)—Max Baer increased his glove-work to six rounds today without losing any of the punching accuracy that has been noticed in his training activities here.

The former heavyweight champion boxed two rounds apiece with Willie McGree, Tony Canela and Lou Scozza and they caught most everything Max threw.

Island Horse Winner At Fredericton

FREDERICTON, N. B., Sept. 10.—Heber Sweeney, of Bridgewater, N.S., surprised many spectators at the Fredericton exhibition this afternoon by piloting Signal Senator to a win in the 2 1/2 Trot and Pace, one of three events on the opening program of a three-day harness racing meet.

Billy S., bay mare from Saint John, won the junior free for all after dropping the first heat and Calumet B., owned and driven by Wellington McNeill, Charlottetown, took the 2 1/2 Trot by winning the first two heats.

A feature of today's events was that none of the winners could take three heats in a row. Signal Senator, competing against more highly favored pacers, had been overlooked by some of the experts. Sweeney has been grooming her particularly for the Halifax Exhibition opening September 30. The time of 2:07 1/2, made by the mare in the second heat, was the best of the day.

BASEBALL'S BIG SIX

(A. P. By Guardian's Special Wire)
Buddy Myer, Washington veteran who is battling for the American league batting championship, showed the only gain recorded by baseball's big six yesterday. He thumped out two hits in four times at bat to send his average up to .343, an increase of two points and within seven of the pace setting Joe Vossnik, who dropped two points. Hank Greenberg's average fell off two points, into a tie for third place in the American Circuit with Lou Gehrig. In the National League trio, Arky Vaughan again dropped below the .400 mark when he got only two hits in a doubleheader. The standings:

NEW YORK, Sept. 10.—Buck Newsom had control as well as speed today and shutout Detroit Tigers as Washington whipped the American League leaders 6-0 at Washington.

After going hitless in 28 successive times at bat, Mel Ott led the Giants' attack in the second. He drove in the Giants' first run in the fourth with a double and sent the tying run across the plate in the ninth with a single.

Chicago continued to get good pitching at home and breezed through to a 4-0 victory over Boston as Charley Root pitched a six-hit shutout. It was Chicago's seventh straight triumph.

Root allowed only one runner past first base and none past second as he turned in his season's 13th victory.

Taking advantage of three of Cincinnati's four errors, Brooklyn Dodgers turned back the Reds for the third straight time at Cincinnati, winning 4-1 as Lefty Clark hurled seven-hit ball for his 12th victory of the season.

Bowling Banquet Huge Success

The annual bowling banquet, given by Mr. George Tull, manager of the Charlottetown Alleys to the various players taking part in the leagues last season took place last evening at the Nobana Tea Rooms and as has been the case in the past was another highly successful function from start to finish.

Around 30 bowlers were present and judging from the remarks passed another great bowling season is in the offing. After a sumptuous supper had been partaken of, Mr. S. F. Doyle, on behalf of those present voted a hearty vote of thanks be extended to the genial host for providing the banquet the motion being heartily seconded by Mr. Harry Foster. Mr. Tull responded feelingly in a few words stating that it was a pleasure for him to do so.

Harry Foster in a brief speech then thanked George for the donation of trophies and prizes which he had donated for the winners of the various leagues ending by expressing the wish that this coming season would be even more successful than the past one had been.

The banquet was brought to a close by singing "For He's a Jolly Good Fellow."

During the proceedings a solo by Mr. S. F. Doyle was heartily enjoyed by those present.

Royals Win Opening Game Of Playoff

MONTREAL, Sept. 10.—With Leon Chagnon baffling the Bisons for the third time in as many appearances against them, the International League champion Royals won the first game of their four-of-seven series with the third-place Buffalo Bisons here tonight, 4-1, before a crowd of nearly 10,000.

Chagnon who has shutout the Herd in nine innings of two previous games, once in a relief role, blanked them again tonight for eight frames, allowing only four blows until the ninth.

Play Draw In Final Match

(C. P. By Guardian's Special Wire)
LONDON, Sept. 10.—(C. P. Cable)—Hitting out in their second innings the South African cricketers effected a draw with H. D. G. Leveson-Gower's eleven today in the final match of their tour of the United Kingdom.

In addition to winning the international series with the mother country by a victory in the one test brought to a definite conclusion, the Springboks did remarkably well in a long series against English county teams and other first class clubs in England and Scotland. Exclusive of the five tests, four of which were drawn, the tourists played 33 matches. Of these 29 were won, two lost and 11 drawn.

Leveson-Gower's eleven made 457 and 45 for one wicket in the match concluded at Scarborough today, the South Africans in reply scoring 240 and 382 for eight, declared. Horace Cameron starred with a fine 160. A. D. Nourse made 78 and A. B. C. Langton 68.
