Energy Easily Earned.

Wasted energy must be made up or the body will weaken and perhaps perish.

For a long time prior to taking Dr. Ward's Blood and Nerve Pills my nerve system was greatly deranged and I was terribly nervous, so much so that in my business (Linesman of the Kingston Electric Light Co.) my extreme nervousness naturally made the following of my business extremely hazardous. Before taking Dr. Ward's Blood and Nerve Pills my kidneys had been affected for some time. I had constant soreness and stiffness across my loins and the small of my back. My appetite was variable and very poor. I also suffered greatly with constant headaches. I am glad to be able to inform you that Dr. Ward's Pills completely cured me of all the above ailments and made me a well man. I have found no medicine like Dr. Ward's Blood and Nerve Pills, although I have tried many different kinds. They acted quickly and effectually on my nerve system, making my nerves strong and removing all indications of nervousness. These valuable pills also removed all kidney and back trouble and restored to me a healthy vigorous appetite. I have had no headache since five months ago and feel justified in saying that they are a wonderful remedy. They not only removed nervousness, but gave me healthy kidneys, removed all soreness and stiffness from my back and loins, cured me of headache and gave me a good appetite, consequently I am highly pleased. I know of no medicine that equals Dr. Ward's Blood and Nerve Pills for nervousness, chronic headache, sore kidneys and back and loss of appetite. Yours truly, John McCutcheon, 522 Princess St., Kingston, Ont.

S'SIDE AND PRINCE CO

MR. JAMES McDONALD, D. V. S., who has been very ill with la grippe, was able to be up yesterday, but is still confined to his room.

Messrs. Schurman, Lefurgey, Clark & Co., intend re-opening their factory next week. Since closing about two weeks ago, they have made several changes in the location of machinery so as to give more room and better facilities for their growing business. They also purpose moving their office to the factory building.

ANOTHER pleasant evening was spent in Crystal Rink, Wednesday, when two Summerside hockey teams, the 2nd Stars and the Britannia's met and defeated the teams from Wellington and Miscouche. The first match, Stars vs. the Wellingtons although one-sided evoked a good deal of cheering and enthusiasm. It resulted in a score of 11 to 2 in favor of the 2nd Stars. The second match—Britannia's vs. Miscouche, was a good deal like the first, only more so, the little Brits running in and out among their bigger opponents like streaks of lightning through a grove of trees. At the close the score stood 21 to 6 in favor of the Britannia's. During the interval in the first game a chain race in which a dozen boys took part caused a good deal of amusement, and resulted in a victory for Jack Green. After the hockey games, a one mile race was skated by Peter Clark, of Summerside, and J. E. Day, of Wellington, resulting in an easy victory for the former. There was a fairly large attendance and the financial result, quite satisfactory. The Summerside Cornet Band under the leadership of Mr. Harold Morris, played several choice selections and added much to the enjoyment of the spectators.

A CASE OF CHICKEN-POX.

MONTREAL, Mar. 6.—Medical Health Officer Dr. Laperge has a case of chicken-pox on his hands. The patient is a 3-year-old child that arrived on the 11-45 a. m. train from Halifax yesterday. The child is now in quarantine at the civil hospital. Its parents belonged to a company of immigrants who were going through to the west. The car in which they travelled was thoroughly disinfected.

Stripped of Their Sealskins.

MONTREAL, March 7.—Several ladies of New Brunswick have lately been caused to suffer through the operations of the United States seal skin law. The St. John, N. B. correspondent of Hardware and Metal, says that several ladies, crossing the boundary at Vanceboro, have had their seal saques taken from them by United States officials, and, in some instances ladies have been compelled to continue their journeys without outside garments.

HEART DISEASE.

SOME FACTS REGARDING THE RAPID INCREASE OF HEART TROUBLES.

Do Not Be Alarmed, But Look For The Cause.

Heart Troubles, at least among the Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion. Real organic disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves, the Sympathetic and Pneumogastric. In another way, also the heart is affected by the form of poor digestion, which causes gas and fermentation from half digested food; There is a feeling of oppression and heaviness in the chest caused by pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digestion also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion and to insure the prompt assimilation of food. This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores and which contain valuable, harmless digestive elements in a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized package of these tablets sold by druggist at 50 cents. Little book on stomach trouble, mailed free. address F. A. Stuart, Co., Marshall, Mich.

Piles Cured without the Knife by Dr. A. W. Chase's Ointment.

Mr. Geo. Browne, painter of Woodville Ont., Victoria Co., says:—"For thirteen years I was a sufferer from bleeding piles and the intense agony which I passed through during these years and relief I obtained by Chase's Ointment prompts me to give this testimonial. My physician wished me to have an operation but I felt I could be cured without the knife. Three boxes of Dr. Chase's Ointment stopped the bleeding and effected a permanent cure."

They Reach The Kidneys.

Mr. Conrad Beyer's opinion

DOAN'S KIDNEY PILLS.

No one can be healthy with the kidneys in a diseased or disordered state. The poisonous Uric Acid which it is their duty to filter out of the blood, is carried into the system and produces Rheumatism, Headaches, Backaches and hundreds of ills and ailments.

Any one who has the slightest suspicion that the kidneys are not acting right should take Doan's Kidney Pills. They are the most effective kidney remedy known. Mr. Conrad Beyer, at E. K. Snyder's Shoe Store, Berlin, Ont., bears this out when he says:

"Anyone suffering with kidney troubles cannot do better than take Doan's Kidney Pills, for they cured my wife who has been afflicted with pain in the back and other kidney troubles for a long time. They have helped a great many of my acquaintances in this town, and I must say they are the medicine that reach the kidneys with the best effects." Doan's Kidney Pills are daily giving fresh evidence of the fact that they are the best remedy for Backache, Lame or Weak Backs, Bright's Disease, Dropsy, Diabetes, Gravel and all troubles of the Urinary System. Price 50c. a box or 3 boxes for \$1.25 at all drug stores, or sent by mail, The Doan Kidney Pill Co., Toronto.
