SCREAMED WITH THE TERRIBLE PAIN

"Fruit-a-tives" Completely Cured Distressing Kidney Trouble.

ST. THOMAS, ONT., April 1st, 1913. "In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. Had tried many kidney remedies without satisfactory results. The pain was excruciating and my screams could be heard on the street. One day a friend from Ottawa came to see me, and when he found me in such poor health, said he would send me a sample of "Fruit-a-tives", which he did and I commenced taking them. The results were so apparent with the first few doses that I continued to take "Fruit-a-tives" and was completely restored to my normal state of health. I would strongly advise anyone suffering with Kidney Trouble to take "Fruit-a-tives" and cure themselves." CHARLES CALVEART, 508 a box, 6 for \$2.50, trial size, 25c. At all dealers or from Fruit-a-tives Limited, Ottawa.

HE MEANT WELL.

"A little fellow who had been told by his teacher that he must always say, "I beg your pardon" when he had done anything for which he should ask pardon, didn't catch the words correctly, and, on the next occasion when he wished to be polite he nodded his head and blushingly said, "Baking Powder."—American Boy.

SPLENDID LECTURE.—Rev. E. S. Weeks, Pownal, delivered his interesting lecture on "Naples, Pompeii and Rome" to a good gathering in the Millville Methodist Church, on Monday evening last. The lecture was much enjoyed.

AN OLD FAVORITE.—Jere McAuliffe, the old Charlottetown favorite, is meeting with great success in Vaudeville. A Harrisburg, Pa., paper says:—One of the best playlets seen here this season is that which is being presented by Jere McAuliffe and Lena Brown. The title of this happy offering is "The New Depot." The play recites a story that is out of the beaten path and deals in satirical humor in an original manner. Like all of the other playlets of Will Cross, this is a gem.

A PROGRESSIVE DIARYMAN.—An interesting report of a progressive dairy herd is among the items of interest that have come to this office. The herd belongs to Mr. Bert R. Brown of Little York is composed of thirteen head of pure bred Ayrshires and eight grades, for the past number of years. Mr. Brown has been keeping individual records of his cows and the result is indicated in the fact that during the past nine months his herd of eleven milking cows, including one two-year-old, produced 64,821 lbs. milk, or 2527.7 lbs. fat. The production of several individuals in the herd are as follows, 7011 lbs. milk in nine months with 4.8 per cent. fat as the highest test, 7489 lbs. milk in 11 months with 4.8 per cent. fat as the highest test, 8267 lbs. milk in 10 mths. with 4.8 per cent. fat as the highest test; 5660 lbs. milk in 6 months with 4 per cent. fat as the highest test and 7807 lbs milk in 10 months with 5.1 per cent. fat as the highest test. The total receipts from ten cows of the herd was \$700 for the past year. Mr. Brown believes that the utmost effort to improve the herd will be repaid in increased production and in pursuance of his plan has erected a modern stable during the past summer. The stable has a cement floor, metal stanchions, full equipment for watering and a manure shed with a litter carrier in connection. Mr. Brown intends breeding pure bred Ayrshires more extensively as his herd develops and with his present foundation the result cannot but be successful. A short time ago Prof. Reid of the Dept. of Agriculture, made special mention of this herd and stable in a report handed to the papers.

LOT 48.—There will be preaching in Clifton Church, Lot 48, on Monday evening at 7 (22nd).

HAS RETURNED HOME.—Principal Clarence McKinnon of Pine Hill College, Halifax, whose convalescence after an operation made necessary by an attack of appendicitis, has been most satisfactory, left the hospital on the 17th, returning to the Pine Hill residence. His little daughter, who had an attack of scarlet fever, has also recovered from her illness.

CORNWALL METHODIST CIRCUIT.—Appointments for Sunday, December 21st, are:—Cornwall, morning, Rev. Geo. Orman; evening, Mr. Palmer of Sackville University, Hampshire, afternoon, Rev. George Orman. North Wiltshire, evening, Rev. Geo. Orman. The Kingston Christmas Tree and Concert is on Tuesday, Dec. 23rd, and the Cornwall Christmas Tree and Concert on Wednesday, Dec. 24th. Cornwall, Christmas morning, Rev. George Orman, at 11 a. m.

CHRISTMAS IN ST. PETER'S.—The Christmas season is drawing nigh, and the Christmas spirit in the air, more so than usual, as people seem to wear that old fashioned Christmas look that is so pleasing and conducive to hospitality. Now the citizens are all comfortable and happy people here in St. Peter's, and thank a most beneficent Providence that there are no miserably poor in their midst, yet there are some hundreds even in this community, containing large families who cannot afford anything more than the necessities of life. Let everyone please remember, that children are children, be they rich or poor, and though they never get any of the luxuries of life, yet they have the child's longing for sweets and goods things. Those who have abundance can well afford to exercise some of the holiday spirit by gifts of candy eatables or even toys to brighten the Yuletide season for those not so fortunate as ourselves, and might remember to be a little tactful also in giving. Some are a little proud and the display of a "charity" air would be distasteful, not to say repulsive. The St. Peter's correspondent wishes all readers a very Happy Christmas.—U.

SEVERE COLD ON LUNGS AND CHEST QUICKLY RELIEVED

by Na-Dru-Co Syrup of Linseed, Licorice and Chloroquine

Mr. J. Seward, Bromptonville, Que., writes: "Two weeks ago I took a severe cold which settled on my lungs and my chest was very sore, breathing tight and severe hacking cough. I was feeling miserable. I bought a bottle of Na-Dru-Co Syrup of Linseed, Licorice and Chloroquine and after a few doses I felt great relief and I went into a sound sleep, a thing I was not able to do for some nights. Next day I was able to be around again, and before completing the bottle, felt as well as ever. It is a fine cough and cold cure."

Na-Dru-Co Syrup of Linseed, Licorice and Chloroquine relieves the irritation and "stuffed-up" feeling in the air passages, soothes the tickling which makes you cough, loosens the phlegm and drives out the cold before it gets troublesome.
