The Northumberland leaves early this morning for Summerside and if conditions are favorable will immediately go on the route there.

JOHN Dickieson held an auction sale of his stock and farm implements at Bay View on the 8th inst. He has disposed of his farm and will move to Summerside about the first of May.

AMONG those who returned to Halifax on the mail steamer Tunsian were eighteen of the Canadian farmer delegates who were sent by the Government to Great Britain to tell the people there of the opportunities for farming in the Dominion and to explain to them the advantages of this country in general. The delegates spoke enthusiastically of their tour; and they think that it will be productive of good results.

**HORSE NOTES.**—In another column will be found, for the coming season, the route of Knight of Ardgowan 5114 the sire of more first prize winners during the last three years than any other two draft stallions now doing service in this Province. Horse buyers claim they get more good horses sired by Knight than any other horse. A pair of his colts were recently sold for \$800. Its good ones that bring the buyers with the full purse.

J. SWEET, the commercial traveler who has been ill with smallpox in the epidemic hospital has fully recovered and left the institution yesterday. Mr. Sweet said afterwards that he had been handed a bill for \$65 for attendance, ambulance fees, medicine, etc., and he protested against paying it, and so told the board of health people. Mr. Sweet left for his home in Upper Canada, but said that he left the bill unpaid and the matter in the hands of a lawyer to represent him.—St. John Telegraph.

**FRIDAY** afternoon Mrs. Geo. Hurry of North River, received the sad intelligence that her daughter, Sadie May Hurry, had passed away Thursday evening at Vancouver B.C. after being ill with inflammation of the bowels for nine days. Coming so soon after the death of her daughter Emma, which occurred at North River only a few weeks ago this bereavement, to Mrs. Hurry and the members of her family, is an especially severe blow. The young lady was a member of the North River Baptist Church, and held in the highest esteem by all who enjoyed her acquaintance. She was only 23 years old. The afflicted family has the sympathy of the entire community. The deceased had resided in British Columbia for several years.

AMONGST P. E. Island's most successful creameries is that at Tryon. Their patrons last year received the very satisfactory sum of 73 cents per hundred for milk and had the skim milk and butter milk at home. G. W. W. Cameron reached the highest average, drawing \$375.00 with the product of ten cows from June 1st to Dec 7th. P. J. Connolly, of Middleton, P. E. I. is beginning the spring right, having brought in, on the 1st of April, three more Oak Lodge Yorkshires. His own sows have averaged 18 pigs per litter thus far and the mother of the first prize pig of bacon hogs at Charlottetown last fall farrowed on Feb 13th and despite the bitter weather, has ten pigs to her credit in young and aged stock. Mr. C. has now about 40 to choose from. His pen is fitted with a steam heating apparatus attached to his feed cooker and by its use the farrowing stall is kept at a good temperature. Being started under favorable conditions the pigs continue to grow. Maritime Farmer.

**ANNIVERSARY OF NEW GLASGOW DIVISION.**—New Glasgow Division, Sons of Temperance held their 40th Anniversary on Friday, April 3rd. Conditions of weather and roads was not favorable for a large meeting, yet a fairly good audience was out. Bro. William Laird occupied the chair. Appropriate and spirited addresses were delivered by the chairman, R. E. Bagnall, W. H. Stevenson and Artemus Moffat. The musical part of the program was well rendered. Miss Laura Houston was accompanist. The solo "A Letter to Papa" sung by Miss Eva Houston was sweetly rendered and called for an encore. The singing of the Children's Choir was a special feature of the program and much praise is due the young folks for the excellent way in which they carried out their part. Miss Edna Stevenson, took very creditably indeed, the part of accompanist in the children's choruses. The recitations given by the Misses Annie Stevenson, Laura Dickieson, Winnie McLeod and Sadie Stevenson were well received. A stump speech by Theophilus MacCoubrey was well declaimed. The program was not as full as it would have been if weather conditions had been more favorable, still there was a general appreciation of the 40th Anniversary entertainment.

[The following items in type for Saturday's issue were accidentally omitted.] MANY in Charlottetown heard with great sorrow of the sudden death of Rev. G. C. Palmer, formerly Pastor of Grace Church, and later on the Bodeque circuit, which took place on Thursday night last at Newcastle, N. B., where the reverend gentleman was stationed. No particulars have as yet been received. The body is expected by the boat from Plover to-day accompanied by Mr. Palmer's brother, James M. Palmer, Principal of the Boys' Academy, Sackville. The remains will be taken to the residence of his brother-in-law R. M. Johnson and interment will take place on Monday at Sherwood Cemetery. The funeral will leave the house at two o'clock for First Methodist Church where service will be held. The death of Mrs. Palmer occurred a year ago last December, and three children, the eldest eight years old, are now left to mourn the loss of their only remaining parent.

PREVIOUS to closing the Prince Street School for the Easter Holidays a most interesting authors' day exercise was held. At 11.30 o'clock a. m. the pupils of the four highest departments were massed in the principal's class room (what a pity there is not an assembly hall in this large school) and the following program rendered in a manner highly creditable to the performers.

- Chorus, The Miller of the Dee.
  - Song of the Brook—Gladys Peake.
  - Chorus, "Sweet and Low."
  - Composition—On Tenyson Kate McPherson.
  - Chorus—Break, Break, Break.
  - Lady of Shallot, in four parts by Blanche Dingwall, Carrie Jost, Janie East and Mamie Gillis.
  - Crossing the Bar—Helen Moore.
  - Chorus—Easter anthem.
  - Essay—Sketch of Life of Tenyson—Grace Cumming.
  - Selections from Gulliver—Hazel Hughes, with song, Late, Late, so Late.
  - National Anthem.
- A will be observed from the program that author under consideration was Tennyson. An author admirably suited for the study of the pupils of the school, so smooth and melodious in style, pure in sentiment and expression, and stimulating in all he wrote. In a brief address Dr. Anderson complimented the pupils upon their performance urged upon them the practice of memorizing literary gems, which to them would be a source of continual satisfaction in later life. Dr. Taylor and T. C. James, emphasized the advice given by Dr. Anderson, and suggested to the pupils to take great pains with their reading, to be clear in enunciation and expression and not to be in too much of a hurry.

**BAD COMPLEXION**

Has Its Cause in Impure or Impoverished Blood.

To have a soft smooth skin, free from eruptions and unsightly blemishes, the blood must be maintained in a healthy condition. Face powders, lotions and other toilet preparations may for a short time cover up a multitude of wrongs in the blood, but they cannot remove these red defiling pimples that are the base of so many young ladies' lives. Why not use Ferrone? It is an unfailing cure for the worst kind of skin disease, the most effective of all blood purifiers, and cures bad complexion by removing its cause. Ferrone invigorates and purifies enfeebled blood. Makes it strong, rich and red. Ferrone puts power into the blood to nourish the body and all its organs. It is a regulator of acknowledged merit, and is quite unrivalled as a remedy for Female Disorders. Mrs. Shanley of Pittsburg, Ont., says: "For five years my face was disfigured by raw bleeding eruptions that resisted all treatment. Three Kingston doctors did their best for me and when they acknowledged themselves beaten, I tried Ferrone. The first box helped me quite a little, and by the time I had used six boxes I was cured. Ferrone is a fine remedy for womanly disorders of all kinds and I can highly recommend it." (Signed), Mary Shanley.

Growing girls, women, men, in fact everybody can derive untold benefit from Ferrone. It is a tonic for the blood, brain and nerves, and worth its price ten times over to everybody who uses it. Three weeks' treatment contained in a box of sixty-three chocolate coated tablets, cost 50c., or three boxes for \$1.25. Sold by all druggists, and N. C. Polson & Co., Kingston, Ont.
