HAPPENINGS OF THE WEEK

(Continued from page four)

Everyone as she possessed a most engaging manner. Her address in the Methodist Church was listened to with closest attention as she told of the services rendered to the men overseas through the commission. Lieut. Arnold will probably speak in New York before she finishes her tour.

Lieut. Arnold also favored the Daughters of the Empire with a short talk at the home of the President, Mrs. Hodgson, the members being delighted with the gifted speaker's remarks.

Mr. and Mrs. T. W. Morris and their interesting young children have gone to San Diego, Calif., to spend the winter months.

It is Said That—
"In the dresses of Spring and Summer Shortness has been their strength. But the dresses of Fall and Winter are adding an inch to their length."

The King's Daughters arranged a very nice tea and fancy sale in St. Paul's Parish Hall on Tuesday afternoon which was most successful and widely patronized. Many useful gifts for Christmas met ready sale while the dainty tea was appreciated by all. Among those present was Lieut. Arnold who had an opportunity of a pleasant social hour among her friends.

Mrs. J. A. Lawson and baby are being warmly welcomed by many friends having come east from Edmonton to spend the winter with Mr. George Hughes, M. L. A. and Mrs. Hughes who met her daughter in Montreal.

Many old friends were pained to learn of the death in Chagford, South Devon, England, this week of Mrs. George McLeod, who is so kindly remembered. She was a daughter of the late Mr. Justice Hensley of this city.

Lady Tupper has taken an apartment in London, England, for the next few months while her husband, Sir Charles Tupper, is absent. Sir Charles Tupper has recently been appointed to the headquarters staff under General Currie. Sir Charles and Lady Tupper will return to Canada after demobilization.

Mrs. Mathieson and Mrs. Stewart spent several days very pleasantly in Summerside this week returning Thursday.

Mr. Geo. D. Pope of the Department of the Interior, Ottawa, is in receipt of a cablegram from his son, Lieut. Arthur D. Pope, who has been a prisoner of war at Gaudenz, West Prussia, stating that he sailed from Danzig, Baltic Sea on November 27, and expected to arrive in Scotland on Dec. 10. Lieut. Pope went with the Queen's University Engineers at the beginning of the war.

Mr. James Paton, M. L. A., sailed this week from St. John for England where he purposes spending Christmas with his son, Lieut. Roland Paton.

IN MEMORIAM

MISS JULIA CAMERON

The death took place on Nov. 23rd, at New Haven, of Julia Cameron aged sixty-one, daughter of the late Hector Cameron. Her home was a very pleasant place to visit as hospitality was one of its crowning virtues. The funeral service was conducted at the home of the Rev. D. McLean. The pall bearers were Messrs. John MacKinnon, Archibald MacFadyen, Nell Lamont, John MacPhee, Duncan McNevin, John McQuillen. She is survived by her aged mother, one sister who is the comfort and stay of the home, and three brothers. The sympathy of the whole community is extended to the bereaving family.

RUBY BELL TAYLOR

A sad gloom was cast over the vicinity of Hamilton, when it became known that the angel of death had entered the home of Mr. and Mrs. Major Taylor on Dec. 4th 1918, and claimed for its own their baby girl Ruby Bell, aged eleven months and eleven days. The little one's death came as an unexpected shock to the parents and friends as she had been in the best of health up to within four days of her death. Ruby will be sadly missed by all, for she was a little "sunbeam" in the home. Much sympathy goes out to the bereaved parents in their loss, but who have the consolation of knowing that their little one is with Him who said, "Suffer little children to come unto me." The remains were laid to rest in the Malpeque cemetery, the services being conducted by the pastor Rev. J. M. Murchison, assisted by Rev. R. G. Sinclair. The pall bearers were Douglas Ramsay, Keith MacArthur, Willie Sinclair, Erwin Taylor.

MABLE MOLYNEUX

The residents of Milltown Cross was shocked on the morning of Dec. 10th to hear of the death of Mable, youngest daughter of Mr. and Mrs. Wm. Molyneux, death was due to Spanish Influenza. She was a general favorite among her school mates.

The Monarch is the one Best Boot

Monarch Pressure Cured Boots are made by the same process, have the same gray color and the same wear resisting qualities as an Automobile tire.

Made like an Auto Tire, they will stand not only the hardest constant use such as any good Boot must stand, but the abuse of rough stony roads, gravel, grit and stubs, which no other boot but the Monarch can stand.
