tricts where they were hitherto unknown.

A few days ago an observer reported a covey of 12 birds in southern Kings County that were unknown to him. He said they appeared to be the size of ruffed grouse but had more white on them. He also described their manner of flight which leads me to think the birds may be Sharp-tailed grouse (Prairie Chicken). If it can be definitely established that Sharp-tails are present in the province additional numbers of this species will be imported if it is possible to secure them.

A bear has been reported on several occasions in the Launching district in eastern Kings County. Maybe the Keefe's Lake bear resented the attention given him last winter and moved to more congenial surroundings. A lady motorist from Charlottetown reported she had to slow her car one night to allow Bruin time to cross the road. It is common knowledge that the fair sex know their wolves but I'm not so sure about bears.

Free For All Pace Tops Great Racing Card This Afternoon

Postponed from Thursday the eagerly-looked for event, the Free-For-All Pace, will highlight this afternoon's Goodwill Race program at the Exhibition track and this feature together with the three other evenly matched classes should give the still rabid race fans an afternoon of racing thrills on a par with any witnessed during a season that has supplied more than its quota of thrills.

The field of free-for-allers is one of the best to be presented here in some time. Not that the performers are new by any means but recent performances by Anti-Aircraft, Carl Frisco, Vella La Vella and the others make it anything but a sure thing for the favored Scott Spencer. In fact it would not be surprising if the race has to go to an extra heat before the winner is decided; that is how much uncertainty surrounds the outcome.

The other three classes on the card are equally well matched. In each and every class there doesn't appear to be one horse that lays over the field and as a result, blanket finishes, hard driving finishes and upsets should dot the card, a card that will mark the last afternoon meeting over "Canada's Finest Track" this season.

RCAF Red Sox Winners Of S'Side Town League

The R.C.A.F. Red Sox won the Summerside Town League baseball championship last night at the High School diamond, defeating the R.C.A.F. Blue Sox by the score of 6 to 1. Immediately after the game the McNeill Trophy was presented to Don Carson, Red Sox captain, by Francis McNeill, son of the late Dan McNeill, donor of the trophy. President Herb Schurman congratulated the winners on their victory. The Red Sox, after finishing third in the regular league schedule, disposed of the Sheen & McInnis Juniors three games to one in the semi-finals, and then knocked off the league-leading Blue Sox by the same margin in the finals.

The Red Sox struck early, getting two counters in the first inning. McCulloch singled to right centre and Baron drove one out to centre field which Dombroski got under after a hard run but failed to hold the ball. McCulloch, who had stolen second, scored on the play. Carson struck out and Cox doubled scoring Baron. In the third the new champions added two more tallies. With two out Carson doubled to right field. Cox walked and Foy was given an intentional pass filling the sacks. The strategy boomeranged as Matthews came through with a hit scoring Carson and Cox.

The Blue Sox got their lone counter in the top of the fifth inning. With two out, Hume hit a two-bagger and Delong's single drove him across. Carson started off the fifth with his second hit of the evening, a single to right. He avanced to second on a passed ball and Cox's single to centre scored him. Cox stole second and was well on his way to third when Foy grounded to second. Boudreau elected to get Cox at the plate but the throw was not in time so Cox scored making the score 6 to 1.

Umpire Glennie DesRoches then called the game on account of darkness.

U. S. Retains Tuna Title

WEDGEPORT, N. S., Sept. 19.—(CP) —The United States today won the sixth annual international tuna cup matches for the second successive year. Brazil came second, Cuba finished third, the British Commonwealth team was fourth and Argentina last.

A record number of 29 fish were boated to bring the total for the three-days to 72.

Cuba, in last spot at the end of fishing yesterday, made a great comeback today to surge into third spot ahead of the British Commonwealth Squad.

Dartmouth Arrows Awarded Series

ANTIGONISH, N.S., Sept. 16 — (CP) — Dartmouth Arrows tonight were named winners of the Nova Scotia senior baseball semi-finals to advance against the Cape Breton Colliery League winners for the provincial crown.

Clyde Nunn, president of the Nova Scotia Amateur Baseball Association, said that officials of the Kentville Wildcats had advised him the Wildcats had been disbanded.

KENTVILLE, N.S., Sept. 16 — (CP) — Kentville Wildcats senior baseball team disbanded today, calling a halt to their disputed Nova Scotia semi-finals series with Dartmouth Arrows.

The best-of-seven series was tied 3-3 when the two squads met yesterday at Kentville and battled to a 7-7 draw in 11 innings.

Then the dispute started on where the replay should be. Both teams wanted it at their home park. Kentville claimed the tie game was played under American League rules and therefore the replay should be in Kentville. Dartmouth officials said an agreement on a game-for-game, gate-for-gate series had been made.

Early today, the Kentville Club offered to play at Wanderers Park in Halifax and asked a reply by noon. When none was received by 12.15 P.M. A.S.T. the management disbanded the team. Many of the players left immediately for homes in the United States.

In Dartmouth, Herm Kaplan, a director of the Arrows Club, said "as far as I know the series is all over." He reiterated his statement that a gate-for-gate agreement had been reached.

One suggestion had been that the game be played at Wanderers today and the proceeds donated to a charitable organization. Both teams agreed to this, Mr. Kaplan said, but the grounds were not in condition. Kentville officials had said they could not play tomorrow because some of their players had left Kentville.

How the provincial baseball title will be decided is not yet known. The Arrows-Wildcats winners were to meet the Cape Breton Colliery League title-holders for the crown. One possibility is that the Nova Scotia Amateur Baseball Association will declare the Cape Breton winners the provincial champs.

E. Hughes at the Apothacaries Hall in the early nineties and sold him hundreds of dollars worth of International Stock Food and its products.

The Provincial Exhibition's Goodwill Meet had an entry list of 96 horses — the largest in its history. To give every horse a start races were programmed for Wednesday and Thursday afternoons and nights. Wednesday afternoon was beautiful, a more perfect race day could not be imagined and the track could hardly be more perfect. This combination with fast fields of horses brought out spectacular displays of speed and the average time for the nine heats was 2.10 3/5. It is doubtful whether a faster average afternoon's racing has ever stepped over the Charlottetown track and certainly not over any provincial track. The first class called was the 2.25-2.27 pace and Mayme Axworthy, owned by Miss Dorothy Fowler, Sackville, and driven by Worrell Lewis, won the first heat in 2.12 — a new record. Rhodola D (McDonald) 2, New Look (McGregor) 3, Tiny Budlong (Weir) 4. In the second heat Tiny Budlong went to the front and held it to the wire, stepping in 2.12 2/5 — three-fifths of a second better than the previous record. She is owned by L. Mulligan, Kinkora, and was driven by Teddy Weir. Tryon (Cormier) 2, Mayme Axworthy (Lewis) 3, New Look (McGregor) 4. Note — We checked up on the 1936 Race meet at the Provincial Exhibition and found that nine heats were trotted or paced August 20th for an average of 2.09¾.

The Junior Free For All was one of the most sparkling contests seen here in a long time, Worthy Ermine, owned by Myron Bell and driven by Ike Moreside, came from quite a distance back to win in a very exciting finish in 2.09 2-5, Sandy D. (Conroy) 2, Judd (Walker) 3, Filbert (Lewis) 4. In the second heat Filbert was the leader until the last dash to the wire and Worthy Ermine came on to pace the fastest mile of the afternoon, 2.08 3-5. Her record is 2.08 1-2. Filbert (Lewis) 2, Sandy D. (J. Conroy) 3, Judd (Walker 4, Worthy Ermine pulled up lame and had to be drawn and Judd was also drawn. That left Filbert and Sandy D. to race off; Filbert won in 2.10. He is owned by P.J. Cadegan, Glace Bay.

The 2.17-2.20 Pace First Division showed another surprising display of speed. Jessica Direct 2nd., owned and driven by Earl Semple, heading the fast field to win in 2.03 4-5, Billy McVay (Craig), 2, Lock Hanover (Carr) 3, Prince Budlong (Cudmore) 4, Eleanor G. (Weir) 5. Jessica Direct, purchased a few weeks ago by Earl, had surprised the fans by lowering her record from 2.13 1-5 to 2.11-3-5 but no one expected such a startling cut as that first heat in 2.08 4-5. Billy McVay was timed separately in 2.09 2-5 which had he won the heat would have been one-fifth of a second better than his record. The second heat was won by Billy McVay (Craig) in a great battle with Prince Budlong (Cudmore), Lock Hanover (Carr) forced the pace a large part of the mile and finished third, Jessica Direct 2nd (Semple) 4, Eleanor G. (Weir) 5. Billy McVay is owned by Dr. W. Temple Hooper, Charlottetown.

The 2.17-2.20 Pace Second Division was another fast affair with Quick Lick (L. O'Meara) coming from behind both heats to win the first from Tennessee Sue (Weir) and the second from Single Streak (Conroy), Ohio Hal (W. Lewis) 5-3, Colleen Adam (Craig) 4-5. All the horses finished in a bunch, certainly a very exciting race. Time: 2.10 3-5, 2.11 2-5 — the former a new record for Quick Lick, which is now owned by John McLean, Souris, whose many friends are glad to see him the owner of such a beautiful, well-bred fast pacer.

The night racing program drew an attendance of over 2,000. The 2.20 trot was won by Feather Duster, owned by Lester Johnston, Fortune, and driven by Charles Willis, in three straight. Reuben Lee (Bernard) 4-2-2, Prince Marine (Shaw) 2-4-7, Dan McElwyn (Neill) 5-3-4, four other starters, best time 2.14 — a new record for Feather Duster. Feather Duster is sired by Abbe Worthy 2.05 and the dam is Dude Potempkin 2.07 1-2. Great credit must be given Charlie Willis for the way he has developed this mare in a little over a year from a pacer into a high-class trotter.

Both heats of the Free For All Trot were won by Nell Kalmuck, owned and driven by Willard Kelly, with Eva Worthy (McIntyre) a close second the first heat and third the second, Lusticia (A. Tierney) holding the lead until the last few strides to the wire in the second heat, being third in the first heat. Wait N'See (O'Meara) 4-4, Lee Brewer (W. Lewis) 5-5. Lee Brewer as usual put on a great exhibition of speed, stepping a half in one of the heats in 1.03, then deciding that he had gone far enough at that rate of speed he slowed down and allowed the whole field to pass him. Lee is one of the most popular horses at the track because he always puts on a good show. Time: 2.11-4-5, 2.12 2-5.

In the 2.28 Pace First Division Random Harvest (C. O'Brien) won the first heat in 2.19 2-5, Hilda Mac (Bernard) 2, Joey Harvester (W. McNeil) 3, three other starters. In the second heat Joey Harvester (W. McNeil) was first, Hilda Mac 2, Random Harvest 3. Random Harvest is owned by J. Rankin, Southport and Joey Harvester is owned by Well McNeil, Southport.

Both heats of the 2.25-2.27 Pace were won by Abegweit Milady, owned and driven by C. Smith, Hunter River. Lillian Budlong, that has not been seen in action here for a couple of years, astonished the fans by being a bangup second the first heat, and owner-driver Emmett Burke got a great hand from his many friends. Miss Cherry Valley (W. Lewis) was 3, Ma Cherie (Cormier) 4. Carl Aubrey (Kennedy) 5, three other starters. Edwin McL. (Sheen) took the lead early in the second heat, was down to the half in 1.05 and was still leading until the stretch when he was passed by Abegweit Milady, Miss Cherry Valley 3, Ma Cherie 4, Carl Abrey 5. Time, 2.15 3-5, 2.14 4-5. Both were faster than Abegweit Milady's former record.

Thursday afternoon and night races had to be postponed because of a heavy downfall of rain which continued all afternoon and evening. As a consequence the colt races which were scheduled for Friday also were postponed.

Fredericton's fall race meet had the following winners: 2.23 Mixed, Connie Clegg (L. Britton) 1-1, Jennie Kalmuck (O'Donnell) 2-2, five other starters, best time 2.16 2-5. 2.23 Mixed, Second Division, Silver Hanover (G. Graham) 1-1, June Symbol (F. Hayes) 4-2, Haliburton (R. Letcher) 2-5, two other starters, best time 2.17. The 2.26 Mixed was won by Donald G. R., now owned and driven by J. H. DeWitt, Alpine Hanover (Hughes) 5-2, Donna Mae (O'Donnell) 3-dr., Skipper's Pride (W. Jardine) 3-3, three other starters, best time 2.14. The 2.26 Mixed was won by Bright Spot (W. Burt) Delilah B. (G. Graham) 3-2, three other starters, best time 2.13 1-5.

The highest price paid for a standard bred stallion in recent years was established when Lawrence B. Sheppard of Hanover Shoe Farms, handed over a $100,000 cheque to Dunbar W. Bostwick, recently for the thirteen-year-old stallion Nibble Hanover 1.58 3-4. The highest price on record paid for a standard bred stallion was when J. Malcolm Forbes, Ponkaponk, Mass., paid $125,000 for the world's champion two-year-old stallion Arion 2.07 3-4 to high wheels. Prior to that sale the two-year-old Axtell with a record of 2:12 had changed hands for $105,000. He was owned by a telegraph operator who bred and developed him.

George Callbeck and Myron MacArthur returned Wednesday from a visit to Maine and Massachusetts. At one of the meetings in Maine they saw Abner Britton win a dash and F. J. E. also win a dash and take a record of 2.17. The new owner, Arthur B. McGee is very pleased with both of them.
