

### Rangers Stage Rally To Defeat Junior Royals In Final Game Of Series 6-3

### Abbies Will Again Play At Montague

The Intermediate Abbies will journey to Montague this Friday to engage the powerful Montague Primroses in the second game of an exhibition series between these two teams. The Abbies victors in the first game at Montague last week by the score of 5 to 3 are expected to receive a stiffer opposition this time as the Montague boys have been working out regularly since the last game.

### Simmerings Around The Sport Front

(By Alan Randall, Canadian Press Staff Writer)  
NEW YORK, Jan. 17—Joe Krakauskas, the Ontario boy who pitches for Washington Senators, has a booster in Chicago. Will, the land lefey Joe for his Cleveland Indians. And all crafty Clark Griffith of the Senators wanted in return was speedballer Bobby Felner.

Little Johnny Loneden, one-time mine boy of Taber, Alta., who rode west on United States tracks last year, has been awarded the New York Turf writers' association plaque as "1938's leading rider."

Glad to hear the good news that William (Wild Bill) Westwick, assistant editor of the Ottawa Journal, has been elevated to the night city editor's chair of that newspaper. Congratulations to the power to Bill. May you remember climbing Bill, who may be remembered by oldsters as the son of Harry Westwick, hockey man of another era, who came to be known as "Wild Bill" while trying to drive a golf ball.

Nice to hear Red Dutton say his tiny detestment, Al Murray likely will be back in action for the National Hockey League playoffs. Al's injured shoulder is mending nicely.

Henry Lewis' record with Joe Louis will be light no. 100 for John Henry.

Hockey is gaining in popularity in New York. For the first half of the current N. H. L. campaign, attendance figures show the Rangers and Americans have drawn 247,157 paid admissions. If they continue at that pace the teams will shatter last winter's record turnout of 404,323 each customer for 48 games. The amateur Rovers are also setting new customer figures with 121,650 or 14 games against 233,500 in 23 appearances last year. Next Sunday Manager Cecil Hart of Montreal Canadiens and his veteran defence star Babe Siebert, will be interviewed on the air.

### Dempsey Gives Willard Job

MIAMI BEACH, Fla., Jan. 17—(AP)—Jack Dempsey gave Jess Willard a job today, 20 years after their battle at Toledo when Dempsey won the World's Heavyweight Championship.

Willard will be employed to greet the customers at the Dempsey-Vanderbilt Hotel here. Dempsey said he recently had employed Benny Leonard, former light-weight champion, in similar capacity at New York.

MOORELL 7-ST. AVARDS 0  
The "Dreadful Dreadnoughts" from Moorell had another "scrap" to their warbag when they downed the hitherto invincible St. Avards team in a fast and furious hockey encounter last night at Marshfield 7-0.

The hard-working St. Avards team could not cope with the excellent team play and defensive tactics of the visitors.

Charlottetown senior Rangers slapped the Junior Royals, 6-3, last night at the Forum to take the deciding game of a best-of-three exhibition hockey series. Although the Juniors were on the short end of the score, goalie "Bud" McInnis of the seniors was the busiest man on the ice.

The Royals opened strong and a power play by the Perry-MacLeod-J. Roach line netted the Juniors a goal within three minutes of the first period. Two minutes later the Whitlock-Trainer-V. Roach firing line scored again. Near the end of the session Levi Blackie, fast skating Ranger, broke through the tough Junior defence single-handedly to tally.

In a slow second session during which coaches LeVine and Williams were occupied trying out different combinations, Ev Jay bounced the rubber past Davis on the ice. The assist was by Whalen and defenceman Carmichael, to knot the count.

The third period was wild and snowy. Rangers went out with a lead and posted four markers to the Royals one, tallied by hard-working Bucko Trainer, Jay, Whalen, Worth, and Edman Darrach figured in the seniors' scores.

Lineups:—Rangers: Goal, McInnis; defence, Carmichael, MacKinnon, E. Whalen, forwards, Worth, Jay, Whalen, McClintock, L. Blaquiere, Cudmore, Woods.  
Royals: Goal, Davies; defence, Willie MacDonald, L. Jay, Corbett; forwards, Perry, MacLeod, J. Roach, Trainer, Whitlock, V. Roach, A. Blaquiere, J. Darrach.

ROYALS CRISTALS TONIGHT  
Charlottetown Senior Rangers will leave this evening for Summerside where they will meet the Crystals in the first of a home and home game series.

The second game will be played at the Forum Friday night.

### Yankee Status To Continue Unchanged

(A. P. by Guardian's Special Wire)  
NEW YORK, Jan. 17—The mighty baseball empire constructed by Colonel Jacob Ruppert's millions will continue virtually unchanged with Edward G. Barrow, business manager of the club for 19 years, President of New York Yankees.

Barrow was one of four trustees named in the Colonel's will, which was read today. He will serve with George E. Ruppert, brother of the late owner and chief trustee, retaining his post as vice-president and Al Brennan holding his office as treasurer.

The other trustees are Frederick E. Grant, long the Colonel's legal advisor, and Harry C. Sillock, Ruppert's brother-in-law. Grant and Byron Clark, another Ruppert lawyer, will be attorneys for the Ruppert interests in the management of the ball club.

The baseball holdings of the Colonel, valued at \$10,000,000, were separated in the will to insure the continuance of the Yankees. Ruppert died Friday.

Van Munro, erratic fireballer, and Fred Singleton, hefty outfielder, already have placed themselves among the Dodgers' problem children by returning contracts. Munro was answered by a robust salary slash and Singleton didn't figure the terms offered him measured up to the clouting he did at the end of last season.

Stripp previously had halted the opportunity to team up with Leo Durocher, new Dodger manager, but arrival of "them papers" sent him off on a different tack.

### Challenge For The Davis Cup

(A. P. by Guardian's Special Wire)  
NEW YORK, Jan. 17—One North American, one South American, and eight European challenges for the Davis Cup have been received to date. The United States Lawn Tennis Association announced today. Entries close Jan. 31.

Australia, Japan, to the United States in the 1938 challenge round is the lone North American zone challenger and Brazil the South American entry. Germany, Great Britain, Roumania, Netherlands, Hungary, Italy, Belgium and Switzerland make up the European zone list.

The draw will be made Feb. 3. (C. P. by Guardian's Special Wire)  
MONTREAL, Jan. 17—Decision whether Canada will challenge this year for the Davis Cup will be reached here Jan. 27 at a meeting of the Council of the Canadian Lawn Tennis Association. President R. N. Watt of the C. L. T. A. said tonight.

Officers of the Association indicated it was quite probable the Dominion team will challenge for the trophy. Canada went after the cup last summer after a long layoff from international competition and was defeated in the first round of the North American zone draw by the Japanese.

Entries close Jan. 31 this year and the draw will be made Feb. 3.

### Buddy Rosar Is Batting Champion

NEW YORK, Jan. 16—Fittingly enough, the champion batsman of the International Baseball League last season was Warren Vincent (Buddy) Rosar of Newark, with a percentage of .387. It was announced today.

Rosar is a farmhand of the world champion New York Yankees. He is a sophomore member of the Bears' league champions for two successive years; he is a catcher and 1938 was a season for batting backstops; and his average was 34 points higher than the figure with which teammate Charley Keller won the year before.

Rosar, a 24-year-old right handed batter who came to the Bears from Birmingham in the Eastern League, had to expand his own batting mark 55 points and step over a fist full of teammates to achieve the crown. But he did it unimpressively with a 42-point margin over Keller, who was second.

Slugging honors were claimed exclusively by Ollie Carnegie, Buffalo outfielder, who batted .450; he runs; most total bases, 358; most runs batted in, 136; and most strikeouts, 98.

Keller made the most hits, 211; scored the most runs, 149; tied with Jim Oglesby, of Buffalo, for the most singles, 145 and drew the most bases on balls, 106. His teammate Jim Gleason, led in doubles with 50.

### Opening Club Matches In Consols Trophy Playdowns Get Underway Tonight

The rink with the greatest number of victories will defend the Consols Trophy, now held by the Charlottetown Club, against rinks representing the Montague and Summerside Clubs.

Seven rinks have entered the local competition and an elimination schedule has been arranged with each team meeting the other twice. The rink with the greatest number of victories will defend the Consols Trophy, now held by the Charlottetown Club, against rinks representing the Montague and Summerside Clubs.

This is the fourth annual tournament of its kind held in the province and is the highlight of the curling season. The Charlottetown Club has had the honor of twice representing the Island at Toronto, while Montague captured the coveted trophy the opening year of the competition.

Charlottetown's new club house has lent impetus to the roar in game this year and it is expected that play in the tournament will be unusually keen. Among the rinks entered in the series are the Big Four and the Moguls, both winners in previous years and Island representatives at Toronto. Other rinks include, Lawyers, Doctors, Kinlock, Imperials and Odds and Sods.

Upsets aplenty may be expected and those not participating in the contests will derive as much pleasure and enjoy as much thrills as the active players in viewing the matches which are sure to be followed with a great deal of interest.

The personnel of the rinks is as follows with the first stone, second stone, mate and skip mentioned in order in each case: Big Four: Willie King, Dr. H. MacIntyre, G. Gordon Hughes, R. MacLaine.  
Kinlock: C. W. MacKenzie, R. Varty, H. Winchester, H. Spill, Lawyers: M. MacKinnon, H. P. McPhee, J. A. Bentley, T. A. Campbell.

NEW YORK, Jan. 17—The heavyweight boxing championship fight saw puzzle, as now being met together, hasn't altogether met with the approval of some of the writing boys.

The can't quite figure out why madcap Maxie Baer, who hasn't fought for two years, and Lou Nova, still a green hand at the fist-cuffing business, should be paired for a coveted spot at Joe Louis, while old Two-Ton Tony Galento is left out in the cold.

This bulky figure of Two-Ton Tony has been handling the Louis menage like a 220 pound wreath for nigh on a year now, but at no time has it been so nobly supported.

The Galento cheering and chowder society contends Tony's candidacy is based on his fighting during last year—a year in which he also spent several weeks battling pneumonia. While madcap Maxie was training to be a cowboy in the movies, Tony was campaigning up and down the flistic front picking up all the loose change around as well as the victories. And while Harry and Otis, weren't accompanied by any particular array of roses, the society feels Tony should be dealt into the game somewhere.

### Connolly And Jackson Gain Five Points

(By The Canadian Press)  
Bert Connolly and Lloyd Jackson, both of Springfield, Indiana, are a good, practical example of the saw about the worm turning.

A week ago this pair trailed all the other Marltimers in the International American Hockey League. Today they are in a position where a couple more good nights will put them right up among the leading scorers.

Both gained five points last week. Connolly, former Moncton Hawk, had three goals and two assists and Jackson, who used to play in New Glasgow, N. S., collected two goals and three assists.

The points boosted Connolly's total to 12 and Jackson's to 10. George Allen, native of Bayfield, N. B., remained in first place with 21 points and Sammy McManus of Hershey stayed in second with 17.

Neither saw any Intam action last week, Allen playing with Rangers in the National Hockey League, and McManus resting an injured leg.

Crossley Sherwood of Saint John scored a goal for Providence and pulled out alone into third place with 13 points. Five players are a point behind. They are Connolly, Jackie Keating and Doggie Kuhn of Providence, Harry Currie of Cleveland and Clarence Steele of Hershey.

### Getliffe Scores Winning Goal To Give Bruins 2-1 Victory Over Toronto Leafs

(C. P. by Guardian's Special Wire)  
BOSTON, Jan. 17—Ray Getliffe's third-period goal broke up a deadlocked game tonight and gave Boston Bruins a 2-1 victory over Toronto Maple Leafs in the night's only National Hockey League encounter.

The victory before an overflow crowd of 16,000 persons strengthened Boston's hold on first place in the league, four points above New York Rangers. It left the Leafs in fourth place in the standing.

Bruins had to come from behind to win. Gordie Drillon gave Toronto the lead early in the opening period when he slipped the home Sox. Apes rebounded as the climax of a five-man Toronto rush that gave Boston goalie, Frank Brimsek no chance.

Boston's Saurekaut line from Kitchener, Ont., got back the goal in the same period after penalties had left Getliffe playing for an assist. The Toronto line, Mike Schmidt caged the rebound of Porky Dumart's angle shot with Bobby Bauer also coming in for an assist.

Getliffe registered from five feet out on a long forward pass that Flash Hollett shot in from the left side of the Toronto blue line. Plenty of rough play spotted the opening period, with Boston's Eddie Shore and Red Horner of Toronto adding to the fireworks by an exchange of punches after a bumping match. Both drew major penalties.

Lineups:—Boston: Goal, Brimsek; defence, Shore, Clapper, H. Crawford, Hollett, Welland, Conacher, Pettigrew.  
Toronto: Goal, Brode; defence, McDonald, Schmalzer, forwards, Apes, Davidson, Drillon subs, Romnes, Kelly, Jackson, Horner, Kampman, Chamberlain, Metz, Parson, Mann.  
Referee: Mickey Ion; linesman, Bill Cleary.

### Yanks Can Be Beaten Says Connie Mack

FORT MYERS, Fla., Jan. 18—Connie Mack, who has just turned 76, sat on a hard bench in the living room of his winter home here today and declared, without an apology: "Those Yankees can be beaten."

Explains Opinion  
The dean of managers, whose Philadelphia Athletics in older years presented him with pennants in bunches, then elucidated: "There were five teams in the American League last year besides the Yankees who were pennant contenders. I don't say that the Yankees and the Athletics were in the fight, but they may be this year. And this year you're likely to see any one of those five teams giving the Yankees something to think about. They can be beaten, those Yankees."

It's not beyond the realm of possibility "that either the Indians or the Tigers or the Red Sox," he thought like they did in 1938, "could give those Yankees a run for their money," he said.

Regarding the A's: "They'll be better than last year. Some of our veterans didn't hit their stride until mid-season. If they get going early this year it'll be different. Besides, I've got a fine gang of youngsters and we're going to make trouble for those teams which think the first division belongs to them." Why, he added, "I've got 30 rookie pitchers to pick from."

Wolves Defeat Garrison 4-1  
HALIFAX, Jan. 17 (OP)—Halifax Wolves hung up their fourth straight Eastern Hockey League victory tonight by trouncing Halifax Garrison 4-1. It made up for a 4-3 defeat the soldiers plattered on Jimmy Lortie's squad at the start of the season and lengthened Wolves' league lead. Payer, former Embroke, Ont., player was the leading scorer for Wolves, getting two first-period goals on assists from Bill MacKenzie, MacKenzie and Whobby were the other Wolves scorers. Carner got the only Garrison tally.

### Galento Leading Puzzle In Heavyweight Problem

(By Sid Feder, Associated Press Sports Writer)  
NEW YORK, Jan. 17—The heavyweight boxing championship fight saw puzzle, as now being met together, hasn't altogether met with the approval of some of the writing boys.

The can't quite figure out why madcap Maxie Baer, who hasn't fought for two years, and Lou Nova, still a green hand at the fist-cuffing business, should be paired for a coveted spot at Joe Louis, while old Two-Ton Tony Galento is left out in the cold.

And while Harry and Otis, weren't accompanied by any particular array of roses, the society feels Tony should be dealt into the game somewhere.

There is talk the barrel-chested gent from Jersey may have first pickings with Louis in an outdoor bout in June. This seems sensible, on the ground that such a party would bring in paying guests from far and wide. For Galento has color and a knockout punch, although a straight puncher such as Joe probably could take care of Tony's rushing-hooking style.

### Stripp Joins Brooklyn Holdouts

(A. P. by Guardian's Special Wire)  
ORLANDO, Fla., Jan. 17—Joe Stripp walked into the ranks of Brooklyn holdouts today and set some fancy new steps on the way.

In addition to the traditional squawk about salary, the veteran infielder put in a new wrinkle by insisting the Dodgers owe him \$750 for rookies he sent them two years ago and "I won't even consider a contract until they pay me for those kids."
