Tryon and Vicinity

Miss Evelyn Harvey, teacher of Cape Traverse School, spent the week-end with her grandparents, Mr. and Mrs. John T. Dawson, Tryon.

Visitors to Summerside from this vicinity on Saturday were Messrs. Jack Nelder, Kenneth Robblee and Eric Craig.

The Hungarian Partridges of these parts seem to be wintering fairly well up to the present. There are, at least, six or seven flocks within a radius of half a mile from the writer's home. The smallest covey being nine birds which the writer has the privilege of feeding nearly every day. The largest covey frequenting this section totals twenty-one (21) birds. It is hoped that the people of other communities as well as Tryon will do their part to help the little fellows obtain something to eat when the going gets rough, thereby helping to increase their number and making them one of our popular game birds for local sportsmen as well as the tourist.

Miss Myriell Leard of Tryon has accepted the position as teacher of Lady Fane school on the resignation of Miss Hazel Woodside, who taught there the first part of the term.

The funeral of Mr. John William Howatt of Cape Traverse was held on Thursday, February 1st and was attended by a large number of friends who gathered to pay their last tribute of respect to a much esteemed friend and neighbor. Rev. Mr. Bishop officiated. He leaves to mourn the loss of a kind father, Mrs. Gordon MacWilliams of Augustine Cove and Mr. Melbourne Howatt of Cape Traverse. Interment was in the Church of Scotland cemetery at Cape Traverse.

The smelt season which is drawing to a close has been one of the poorest for a number of years in this district. Prices were fairly good but the catch very light.

Mr. Gordon Dawson of Summerside has been spending a week visiting relatives in Augustine Cove.

Mr. Bruce Campbell of Augustine Cove was a visitor to Crapaud on Friday.

A vehicle which is creating a good deal of interest throughout the surrounding districts is a snowmobile, owned by Mr. Les Campbell of Cape Traverse. It is mounted on skis with an enclosed cabin. The engine and propeller are mounted behind the cabin provide the power. When on ice this snowmobile travels at a very high rate of speed.

Mr. Sted Green of Tryon has returned home for the week-end from the mainland where he had been travelling in the interests of his firm.

The Young People of Augustine Cove are also enjoying open-air skating. They have a nice sheet of ice cleared off and every fine evening the pond is alive with skaters. As yet they have no lights, but they are expecting Mr. Ives.

our genial owner of the North Tryon Electric Light Plant to give them "some light on the subject" soon.

Mrs. Erle Mabey and little son, accompanied by Mrs. Erle Callbeck Tryon, spent the week-end very pleasantly at their home in Chelton.

Many of the fair sex were much disappointed that the Leap Year Skate, which was to have taken place on Saturday evening on the Tryon Pond had to be postponed due to inclement weather conditions. The ladies considered this was "their night to howl" and planned to give the gentlemen a good evening. No doubt this skate will be held in the very near future.

Messrs. Kelsey Howatt and Pug MacWilliams of Cape Traverse were visitors to Tryon on Saturday evening.

Mr. Bertram Cameron, teacher of DeSable School was a welcome visitor to Tryon last week-end.

Mr. M. Craig of Bedesque has been the guest of his brother, Mr. Harry Craig, Tryon West, recently.

Mr. Charles Harvey of Crapaud was a Sunday visitor to Tron.

Mrs. Frank MacWilliams and Miss Winnie MacWilliams of Cape Traverse were visitors to Tryon Friday evening.

Mr. and Mrs. Roy Outlife of Augustine Cove are receiving the congratulations of their many friends on the birth of a baby girl.

NORTH CARLETON SCHOOL

Following is the report of North Carleton School for the month of January:

Grade X:
1. Agno Arsenault.
2. Kenneth Lowther.

Grade VII (Sr.):
1. Everett Muttart.

Grade VII (Jr.):
1. Helen Lowther.

Grade VI:
1. Anna Arsenault.
2. Freda Myers.

Grade IV:
1. Dorothea Hammill.

Grade III:
1. Francis Arsenault.
2. Mary Muttart.

Grade II (Sr.):
1. Fred Cormier.

Grade II (Jr.):
1. Margaret Cormier.
2. Betty Wedge and Wandell Myers (equal).

Grade I:
1. Deane Lowther.
2. Harry Lowther.

Perfect attendance: Wendell Myers, Ewen Huestis, Anna Arsenault, Freda Myers, Everett Muttart, Agno Arsenault.

Teacher, Dorothy MacFarlane.

REDSKINS GARDENS PROSPER IN WEST

REGINA, Feb. 5.—(CP)—Saskatchewan Indians have become healthier as a result of community gardens started three years ago on nearby reserve.

Dr. Thomas Robertson, Inspector of Indian Affairs said that this innovation had not only increased reserves' vegetable supplies but had

VISITORS FROM COLORADO—Old timers who date their years back to the early '70s in Summerside, Prince Edward Island, will recall the McKernan and McHale families, who were active in the life of the town for many years. John McKernan was a tailor and Mrs. McKernan, sister of John McKernan, about the present location of the Pioneer office. McHale had a first class bakery on Water street—and a fine bunch of growing boys. Miss Theresa McKernan, daughter of John McKernan, conducted an up-to-date book store on the same street. Both families moved away in the '80s, locating in Colorado. It was a pleasure, therefore, this month, to have a visit from A. M. McKernan, of Longmont, Colorado, (the youngest son of John McKernan), and his wife, Jennie (Small-McKernan), who, with his charming wife were making a tour of California and other parts of the West. While in Oakland Mr. and Mrs. A. H. McKernan were the guests of Mr. and Mrs. George Stiffler, formerly of Longmont. Mr. Stiffler has been with the Oakland Tribune for the past several years. - Oakland Maple Leaf.

War—25 Years Ago Today

FEB 7 1915—Movement of 1st Canadian Division from Salisbury Plain to Avonmouth, the port of Bristol, for embarkation to France, began. Russians shelled Crapaud on the Black Sea, Turks retaliating by bombarding Batum.

encouraged Indians to plant their own private gardens. Many reserves were producing a surplus of vegetables for sale. The aim of the department was to keep the Indians from becoming habitually dependent on direct relief from the government.

Scout News and Notices

The Boy Scouts of Gibraltar have offered to collect wastepaper around "The Rock" to ship to England as a contribution to the country-wide waste-paper campaign being carried on by the Scouts of the Old Country.

Sir Percy Everett, Deputy Chief Commissioner of Imperial Headquarters of the Boy Scouts Association, a last autumn visitor to Canada, has interestingly recorded his experiences in a book "Fifty-two Days."

The formation of "Anti-Rumor Patrols" is one of the original wartime activities of the Boy Scouts of Trinidad and Tobago. They aim to nip any false and alarming news in the bud, as a contribution toward maintenance of a steady morale on those islands.

Proving that wartime service is not preventing British Scouts carrying on with their usual humanitarian activities some announcement of a gallantry award to a Scout of the 13th Frestwich Troop, Lancashire. He rescued a cat from the River Irwell.

An X-ray machine was the last valuable contribution of the Scouts

Don't Suffer From HEAD COLD MISERY!

Why endure a sniffly, sneezy, tickling cold? Mentholatum gives quick relief. Mentholatum is just what you need for a cold, cough, or sore throat. It's a little white ointment that you rub on your chest, throat, or forehead. It's so simple and so effective.

MENTHOLATUM
Gives COMFORT Daily

of Montreal to the equipment of the Children's Memorial Hospital. The apparatus was purchased by the Montreal Scout "Good Turn Fund." For some years a Cub Pack and Scout Troop for the young patients of the hospital have been carried on by the Montreal Scouters.

The erection of a 25 x 50 foot Scout hall in a day was the feat of a group of citizens, including Rotarians, of Gunedah, New South Wales. The work was begun at 6 a. m., and the volunteer builders, including practically every carpenter, bricklayer and plumber in town, had completed their task by 6 p.m. The building material had previously been brought to the site.

"The first Halloween on which no damage was done, and due to the Boy Scouts" was the recent tribute of the Reeve of Oil Springs, Ont. The Scouts had that night put on a party for all the boys of the village.

A clubroom for overseas and other scouts in His Majesty's forces has been opened at Imperial Boy Scout Headquarters, London. The club is open daily from 9 a.m. to 11 p.m., and meals are obtainable at all hours. A special welcome is extended former overseas Scouts.

Scouts and Scout leaders of the Canadian West who regularly travel long distances to attend meetings have their long-distance brothers in New South Wales. A lady Cubmaster at Lockhart, N.S.W., eyes 28 miles each week over bush roads to take her Cub Pack meeting. Six "Walker" Patrol Leaders wheeled 114 miles to attend a Patrol Leaders' Training Course, then wheeled the same distance home.

Few Boy Scouts are more busy at wartime service activities than those of Gibraltar. They have provided the entire boy messenger service of the A.R.P. scheme, and have assigned units to rescue parties and decontamination squads, the Royal Army Medical Corps, the St. John Ambulance Brigade and the Auxiliary Fire Service. The 5th Gibraltar Sea Scouts are responsible for a dockyard messenger service, and maintain a day and night messenger service at the Admiralty.

Little news items continue to come in from all parts of the Empire telling of the wartime service good turns of Boy Scouts. In Cochinchina the Scouts have volunteered for the co-operation of Scouts in checking profiteering. Four Cochinchina Sea Scouts are helping every morning in the mine-sweeping operations in the harbour. In Benben, the Scouts have given A.R.P. lectures. The Scouts of Uganda have been thanked by the Governor for valuable work, especially in the vicinity of Kampala.

NAZI HITCH HIKERS

LONDON—(CP)—Two German seamen, aged 16 and 15, who escaped from an internment camp in the North of England, tried the wrong man when they "hitched" a lift from a passing motorist, who happened to be a policeman.

In Memoriam

MR. JOSEPH H. GALLANT

It was with much regret that the people of the Colville Road and the surrounding districts learned that Joseph H. Gallant had passed away at his home on Dec. 17th last. Of recent years, owing to an impaired condition of the heart, the deceased was compelled to restrict his activities and to conserve his falling strength, and all hoped that, by thus following the regimen laid down by his family doctor he might enjoy much longer the results of a lifetime of labor. But during the latter part of 1939, his condition became worse, complication set in, and on the above-mentioned date he passed away, after having been administered the last rites of the Catholic Church by his pastor, Rev. A.L. Herrick.

The late Mr. Gallant was born in South Rustic on April 17, 1859, the son of Mr. and Mrs. Leo Gallant, and was one of a family of eight children. As a young man he moved to the New Glasgow Road to engage in farming and in 1884 he married Annie Wickham of that place. Seven years later, with his wife and family he went to the Colville Road to settle on what was known as the Dixon property, and here by unremitting toil he soon proved himself to be one of the most progressive farmers of the community.

It can truly be said that his two most outstanding traits were frankness and hospitality. In dealing with his fellow-men, whether in business or otherwise, he was always open and above-board, for deceitfulness had no place in his character. His jovial nature and cheery outlook on life, apparent at any

time, were most noticeable in the enjoyment he derived from the company of others and in the warm welcome he extended to visitors in his home.

Besides his sorrowing widow he will be mourned by one son and one daughter, John W., at home and Mrs. Anthony Clarkin of North Wilshire; and by one brother and one sister, John of Hartford, Conn., and Mrs. Peter Doucette of Cymbria, this province. Another son, James, died eight years ago.

He will also be greatly missed by his ten grandchildren. Of these, six spent their childhood with him, and the memory of his companionship and understanding will undoubtedly be one of the fondest recollections of their younger days. The funeral was held on the morning of Tuesday, Dec. 19th, at St. Ann's Church, Lot 65, where Requiem High Mass was sung and the burial service was conducted by Rev. A.L. Herrick. The pall-bearers were: Daniel Docherty, Michael Clarkin, Hammond Youker, Clement Wynne, A. E. Docherty and William Griffin. May he rest in peace.
