

Is Your Boy Glad You Are His Dad?

Is your son proud of you? Or does he wish Wally Lawson's father was his father?

Wally says his father is the best in the world. To prove it, he shows your boy the peach of a new C. C. M. Bicycle his dad bought him.

Sticks Up For You

Your boy stoutly sticks up for you. But deep down in his heart, he's wondering if Wally Lawson's father doesn't think more of Wally than you do of him. He can't even get you to talk about buying him a bicycle. You put him off from day to day. And he feels it, though he may not say much.

He's a Good Boy, Dad

He's doing well at school. You're proud of him, even though you don't tell him so.

Maybe he's joined the Boy Scouts. That means wonderful trips to the country, and all sorts of thrilling and boyish sports, if he has a bicycle. A Boy Scout and a bicycle are as inseparable as a cowboy and his pinto pony.

Isn't it up to you to make your boy glad by giving him a real bicycle?

C. C. M.'s are the favorite bicycles with Boy Scouts—and all other boys who want real bicycles.

Built to Stand the Gaff

C. C. M. Bicycles are made to stand the bumps, the wear and tear, that the joyous energy of youth puts upon them.

Frames of English seamless tubing, strongly reinforced. Bearings of hard, tough automobile steel. Nickelling done over copper so it won't rust. Glossy enamel baked over a coat of anti-rust so it will stand all kinds of weather.

C. C. M. Boys' Bicycles are equipped with the famous C. C. M. Triplex Hanger—the same as the adult models. This is the hanger that makes the C. C. M. ride so easy you feel as if you were coasting along. Very little pressure is needed on the pedals. The youngest boy can ride a C. C. M. without tiring himself out.

And the Hercules Coaster Brake gives him perfect control of his bicycle. He can stop it slowly or quickly by pressing back on the pedals. He can glide down any hill with safety.

The Kind He Won't Outgrow

Go with your boy to the C. C. M. dealer's and look over the snappy, glistening new models. There is a new 14-inch model for the very young boys. A 16-inch model for larger boys. And the special Curved Bar 18 and 20-inch models that will fit equally well the lad of nine or the youth of twenty. The Curved Bar is the bicycle the boy won't outgrow.

Prices of boys' and girls' models have been sharply reduced from the war-time peak prices. The quality is the best ever put into C. C. M. Bicycles.

There are also C. C. M. Joycycles for little folks too young to ride bicycles.

Makes Delicious Candy

FOR home-made candies, as for cooking and drinking, Carnation Milk is unsurpassed. Used in your own recipes or in the recipes given in the Carnation Cook Book, its results are sure because it is pure and rich. It is pure whole cows' milk with about 60% of the water removed by evaporation, then sterilized in air-tight containers. Order it from your grocer—several tall (16 oz.) cans or a case of 48 cans.

Try this recipe and write for the free Carnation Cook Book.

FUDGE

2 cups sugar, 1/2 cup Carnation Milk, 1/16 teaspoonful cream of tartar, 1/2 cup water, 2 tablespoonfuls butter, 2 squares unsweetened chocolate. Put sugar, Carnation Milk, water and cream of tartar in a sauce pan. Stir thoroughly. Place on stove and boil slowly. When nearly done, add chocolate and continue cooking until the candy forms a soft ball when dipped in cold water. Remove from fire. Let it partially cool, then stir rously. Turn into a greased pan.
