THE St. John's, Nfld., Evening Telegram of 12th says: Rev. H. P. Cowperthwaite was very near being run down by a horse and cart near Goodridge's. He was coming down Water Street, and the carman, who was returning in the usual haste for a load of coal to Goodridge's wharf, drove down the lane on the opposite side and dashed across Water Street. The rev. gentleman was in the act of crossing the entrance to the archway when the horse and cart came quickly upon him. He only saved himself by swaying his body forward at the critical moment. He received a severe shock.

In writing the Messenger and Visitor correspondent at Granville Mills says: As a result of special services and the word preached from time to time by our earnest and zealous pastor, Rev. Mr. Dyant, much good has been done on this circuit. Some five months ago five were received by the right hand of fellowship into the church at Whidsley River and yesterday eight were taken into the church at Granville in the same way. Two were baptized. The old members have been quickened and God's Spirit is accompanying the word preached. May the Spirit search the hearts of the people, and lead them to enquire for old paths and walk therein.

### Speaking of Pianos.

#### W. Caven Batten

Director of the London Conservatory of Music

SAYS: "At a great expense I changed all the Pianos in the London Conservatory of Music for those of HENITZMAN & CO. And I certainly think the material, artistic workmanship and the improvements found therein, are worth the greater expense necessary to buy these Pianos. The tone is beautiful and the action responds to the most delicate touch."

THE Ottawa Gazette of March 26th says: Sergeant-Major G. W. Byrne, of the Northwest Mounted Police, arrived in the city last evening over the Intercolonial Railway, from Charlottetown, P. E. I. with 32 recruits. Inspector Morris started recruiting on St. Patrick's Day, said Sergeant Major Byrne, and we have got the pick of the Island. The district was limited to a certain number of men, and so eager were the applicants that the choosing was made comparatively easy. The whole of the recruits come up to the standard, 5 feet 8 inches, with 33 inch chest measurement. Many of the recruits belong to the leading families of the Island, and should after being broken in to a soldier's life give a good account of themselves. They were put up at the St. James Hotel until this morning, when they will leave by the C. P. R. for Regina. Following is the list of recruits:—James Moody, Robert Bruce Leard, John Waking, Chas. Moore, Edwin Day, John Cornfoot, Leslie H. Baker, James Henry Blackett, George St. John, Thomas E. White, Leslie Ellsworth Seller, Geo. Leslie Webster, C. Peters, Joseph J.
