The year 47 B. C. was the longest year on record. By order of Julius Caesar it contained 445 days. The additional days were put in to make the seasons conform as nearly as possible with the solar year. ANOTHER NAME ENROLLED. Growing List of those who Testify to Dodd's Kidney Pills in Montreal. MONTREAL, Jan. 2nd.—The list of those who have received benefit from the great medicine, Dodd's Kidney Pills is steadily growing in this city. Since Mr. Robert Thompson's name was published, Mr. M. Mullin, of 4 Elgin Street has stepped forward and submitted his testimony. His case was Rheumatism, which though now generally recognized as a kidney disease is not always treated as such. People waste a lot of money trying to drive Rheumatism from the system. If they would all follow Mr. Mullin's example they would be saved much pain and expense. Says he, "I have had Rheumatism for some time and could get nothing to cure me until I used Dodd's Kidney pills. I have now taken three boxes and am cured."
