

Good, Homemade Bread—Made of

# "Beaver Flour"

—light, flaky biscuits made of "Beaver" Flour—these are real foods for growing children. "Beaver" Flour is a blended flour. That is, it is made of exact proportions of nutritious, delicately flavored Ontario wheat and a little of the stronger Western wheat.

"Beaver" Flour is both a bread flour and a pastry flour—and makes the real nutty flavored home-made bread and delicious pastry such as cannot be made with any purely Western wheat flour.

In accordance with the wish of the Pope there was no celebration of the anniversary.

"CURE" FOR ALL DISEASES.

TRENTON, N. J., May 29.—Believing that all diseases are traceable to blood impurities, Dr. Eugene B. Witte, one of this city's foremost surgeons and medical practitioners, announced today that he had discovered a solution which he insists will cure nearly every known ailment.

The theory is to inject the fluid into the blood, purifying it and making germ life impossible. He has offered to hold public clinics in the city hall dispensary under the supervision of other physicians. A number of his private patients are said to have submitted successfully to the treatment.
