

### Do You Catch Cold Easily?

Are you one of the many who spend days each year in bed—who constantly catch colds, sore throats, influenza, and other ailments which take the joy out of life? Many acquire these illnesses because their bodies are not fortified to withstand disease. Nerves are weak, blood thin, and vitality below par.

By taking a short course of Fellows' Syrup you can strengthen your nerves, increase your vitality, and enjoy, in healthful activity, the hours formerly wasted in bed. It cannot be successfully imitated.

Fellows' Laxative Tablets are specially prepared for the rational treatment of, and ultimate recovery from constipation.

### Sir Esme Howard Addresses Can. Club

(Canadian Press)

TORONTO, Jan. 29—A suggestion whereby Canadian trade may be enlarged with the West Indies, a tribute to Hon. Vincent Massey, Canadian Minister at Washington and an expression of confidence in the future of this country were features of an address delivered before the Canadian Club here today by Sir Esme Howard, British Ambassador to the United States. Sir Esme is retiring from the diplomatic service after a long and distinguished career and his brief visit to Canada has been made to enable him to bid good bye to his friends here.

Sir Esme excused his interest in the West Indies by reminding his hearers that many years ago he had been a planter in the "Island of Tobago." His experience had not been financially profitable but he had gained many friends. The West Indian Islands had for several years suffered trade depression, and for nearly thirty years all the necessities for building up those small communities had been absent until Canada stepped into the breach in 1925 and negotiated the trade treaty with the Islands. The Canadian Government, said Sir Esme, has lived up to its promises with respect to the treaty and the results were already becoming evident in largely increased trade on both sides. This had also increased the confidence of the Islanders in their future. Their Ambassador quoted figures to show how trade between

Mr. John D. Johnson, St. Georges, was a recent visitor to Rollo Bay West.

Mr. John F. Gallant, St. Charles, was a passenger to Charlottetown recently, where he attended "Farmers' Week."

A meeting of the Farmers' Institute was held in Rollo Bay Hall, on Monday, with Messrs. Peter Carpentier, Lower Rollo Bay, Eustebius Peters, P. D. Peters and Edwin Held, Rollo Bay, were appointed to attend the Farmers' Convention in Charlottetown.

Congratulations to Mr. and Mrs. Henry Mallard, on the arrival of a young daughter.

Canada and the Islands had increased tremendously since the treaty became operative, but we may safely assume, he said, that Canada could practically absorb nearly all the \$91,000,000 worth of tropical produce exported by the West Indies and even more if West Indian sugar could find a stable and permanent market here in Canada. You can easily understand what confidence that would inspire in the sugar growing Islands and the same is the case for cocoa, coffee, copra, vegetable fats, limes, oranges, bananas and every kind of tropical fruit. All these Canada needs. There is nothing grown on these Islands which competes with anything produced on Canadian soil, and Canadian manufacturers are all welcome in the West Indies. What better conditions can be imagined asked Sir Esme, for extending the preferences reciprocally, until at last there might be complete free trade between these two parts of the British Commonwealth of nations, which appear from the very nature of things to be made to supply each other reciprocally with the goods they need.

### MT. STEWART AND VICINITY

The monthly meeting of the Women's Missionary Society of Mount Stewart United Church was held at the home of Mrs. George Jay, on Wednesday night, January twenty-second, and a very pleasant evening was enjoyed by all.

Mr. Albert Jardine, of Head of Hillsborough, was a visitor to Free-town recently, where he attended the funeral of the late Mr. Douglas Jardine, of that place.

The Savage Harbor Debating Society held their weekly debate on Monday night, the subject under discussion being, "Resolved that the mail-order houses are detrimental to P. E. Island." The debate was very well attended and an interesting discussion took place.

The snow plough reached Mount Stewart on Thursday last and caused considerable excitement and joy at the inviting prospect of bringing out the cars again, especially so, as that night there was a special attraction in Charlottetown, in the form of the good old "Burns Concert."

Mr. Clarence Coffin and family, of Piquid, were visitors at Savage Harbor recently.

"Can't fool me, Mom—  
it's Clark's Pea Soup!"

MOM is certainly some cook. Been cooking for our family for twenty years (so Pop says). But when it comes to soup... CLARK'S SOUP!... she says she couldn't make such good soup no matter how she tried (and, if you knew my Mom that's some compliment).

"Miss Crabbe (she's my teacher) says that there is nothing worse than being late for school... well! I wouldn't mind missing school, but gee! I'd hate to miss a plate of this Clark's Pea Soup!" Here is a soup to satisfy a real husky child's appetite. A pure wholesome food... made from big, garden-grown peas... seasoned to a nicety... no adulterants added. Such delicious soup as this could be the only result.

The contents of Clark's Pea Soup have passed Federal Government inspection.

A meeting of the Young People's Society of Mount Stewart United Church was held in the I. O. F. Hall, on Wednesday evening, January 22nd and a very enjoyable evening was spent.

The weekly whist was held at the home of Mr. and Mrs. Frank Jay, of Mount Stewart, on Thursday last, and a jolly good time was enjoyed by a large crowd until the wee small hours.

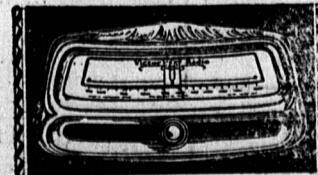

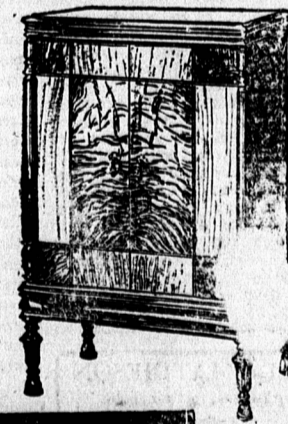

It is with deepest regret that the people of this vicinity learn of the death of Mr. James H. Douglas, of Stanhope. Much sympathy is felt for the relatives and bereaved family of the late Mr. Douglas, who was well known and highly respected.
