THE DOWNWARD TENDENCY—The heavy rain of yesterday took away quite a lot of snow and incidentally revealed the fact that beneath this snow there was quite a depth of ice on the sidewalks. This ice in places has assumed a very slippery aspect so much so that even the very best of citizens trying to walk on it find it a very difficult matter to maintain an upright attitude in the community.

RACES MONDAY—The Charlottetown Driving Club will hold ice races on Monday at 2 p. m. on the ice course opposite Kensington Range. The following are the probable entries: Class B trot, Ada A., (Ed. Acorn); Queenie, (A. Godkin); David S., (C. Snow); Queen Alva, (E. Ings). Class D pace:—Queenie, (T. Abbott); Dingola Queen, (E. Ings); Luxo Hair Tonic, (G. Hooper); Wilfred Hal (McKinnon Drug Co). Entries should be made with the Secretary, Mr. J. S. Wedlock.

A GOOD APPOINTMENT—Mr. A. Alley, Charlottetown, President of Alley & Company, Limited, has been appointed a local Director of the Eastern Trust Company. Mr. Alley is most favorably known from one end of the Island to the other as a gentleman of excellent judgment and high business standing. The fact of his being associated in the management of his large and reliable company, which has been in existence for over twenty-five years, should further increase the confidence which the company enjoys. The Guardian congratulates Mr. Alley and the Eastern Trust Company on this important appointment. The directorate also includes Hon. Senator McLean, James Eden and C. H. B. Longworth.

The Man Who Buys Cheap Goods to Save Money, is Like the Man Who Stops the Clock to Save Time

There is no consistency in the act of a person who attempts to save money in the purchase of drugs. In some lines of business price may well be featured as a talking point, but in the drug business **QUALITY** regardless of price, should be the main consideration.

We handle pure, potent drugs and guarantee the quality of everything sold and the prices which we charge are as low as those asked elsewhere. The same high standard which we place on drugs also applies to our drug sundries, and various side lines. If you are a careful buyer we solicit your business.
