Guardian Want Ad.
1-2 CENT A WORD
And worth it, for 30,000 eyes will see them every day. First-class results from these want ads, because first-class results read The Guardian—the paper that has the circulation and is not afraid to publish and prove it.

THAT OVER WORKED, PLAYED OUT FEELING AMONG WOMEN
There are thousands of females all over our land who are broken down in health and dragging out a miserable existence, overburdened with diseases peculiar to their sex, apparently growing old while yet young. Often they have pale or sallow complexion, hollow, sunken eyes, with a lifeless look; the face has a pinched and haggard appearance; they are weak, weary and trembling, often extremely nervous, starting at every little noise. Many are low-spirited, and some are fretful. Some are apparently bloodless, with cold hands and feet, while others are flushed by an unequal circulation of the blood, dizziness, and sometimes dimness of vision, loss of memory, and often loss of appetite and sleep, and are worried with terrible dreams. Palpitation of the heart, nervous prostration, smothering and sinking spells, shortness of breath and the sensation of pins and needles are all indications of a weakened condition of the heart or nervous system, and should any of them be present we would strongly advise the use of

MILBURN'S HEART AND NERVE PILLS
They bring health to the broken down, energy to the weakened constitution, tone up the tired, overstrained nerves, and strengthen the weak heart.
Mrs. Edward Jackson, Hall's Bridge, Ont., writes: "For a year I was greatly troubled with nervousness and loss of appetite, and could neither sleep nor eat. After taking a few boxes of Milburn's Heart and Nerve Pills I was completely cured and can recommend them to all sufferers."
Milburn's Heart and Nerve Pills 50 cents per box or three boxes for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont.

John McAlduff is busy harvesting the ice crop—"More ice cream and less 'sheek' round here next summer" John says—that won't hurt us any.
They have partially put the plumbing into Alberton Station. What is done is well enough done, "But why not do it all at once and save expense and annoyance," say the people.
Rabbit catching seems to have become a favorite sport west.—A prominent citizen was seen passing through Alberton streets with five specimens Thursday and he was evidently proud of the game.
One of Summerside's wet merchants is talking of removing to Ramford Falls. A very appropriate location.
One of the Alberton vendors is building a cyclone cellar for the early March blizzards. When Jenkins appears on the scene it will be another case of "cave in."
