CHURCH SERVICES on March 15th will be conducted at Hazelbrook at 11 a. m.; Cross Roads at 3 p. m.; Alexandra at 7 p. m. Prayer meeting for Alexandra will meet on Thursday, March 12th at 7 p. m. at Mrs. Benj. Wood's combining with A. Y. P. U. E. J. Chisholm, minister.

WELCOME VISITORS — Messrs Cyrus and Louis Mellett, of Montana, have been visiting friends on the Island the past few months. They are at present the guests of Ambrose and Mrs. Mellett, Union Road. They are sons of the late John Mellett, North River, and have not visited the Island till now, since their departure, 35 years ago.

SPECIAL SERVICES—A Special Service was held in Christ's Church, Cherry Valley, Sunday, March 8, at 2.30 p. m. A splendid congregation for this time of the year, was present. There was special music and singing throughout the service, and the subject of the address, given by Capt. Bell, was from the first Epistle of St. Paul to the Corinthians, the 13th. "Is Christ divided?"

Pointing out the fact that many people will sacrifice their Church life, and Christian privileges, because they don't like the Pastor who has charge of their Church. St. Paul spoke very clearly in his Epistle and shows how foolish it is to divide over the servants, or ministers, and neglect the Lord and Savior of Mankind. The vital question is this: Who was crucified for you? or into Whose Name were you baptised? If Jesus' Name then why neglect His Church and His Blessings, in choosing your favorite preacher?

RED CROSS MEETING—The Little Wonders of Dunstaffnage School held their regular Red Cross Meeting on March 6th, with the President Marion Thompson in the chair. Meeting opened by reading the minutes of last meeting and adoption of same. Roll Call was answered by rivers on Prince Edward Island. The Health and Cleanliness Committee gave their report. The Circulation Manager sold ten Junior Red Cross Magazines for the month of March. It was decided to send for same

amount next month. The members then took part in two contests, "Places on P. E. I." won by Reggie Jenkins and Lyla Thompson and "Word Contest" won by Bertha Thompson and Lorna Stewart. Roll Call for next meeting to be answered by towns in New Brunswick. Meeting was adjourned by the President. Sec'y, Lorna Stewart. (Patriot please copy.)

FACTORY MIXED FERTILIZERS

Experience has shown that larger and more uniform yields can be produced by using Factory Mixed Fertilizers, which increased yields pay many times over for the additional cost of the Mixed Fertilizers as compared with the cost of straight Chemicals which are mixed at home.

The percentage of farmers who have gone back to mixing their own Chemicals after having used Mixed Fertilizers is practically negligible, which is surely sufficient proof that there must be something to the argument that Factory Mixed Fertilizers are BETTER and worth the additional cost.

When we advocate the use of Mixed Fertilizers we feel we are working in the interests of the farmers, otherwise we could not recommend them, as the success of the farmers on Prince Edward Island means our success.

After making allowance for plant overhead, interest on our investment, and additional labor involved, our net profit on Mixed Fertilizers is practically the same as our net profit on straight Chemicals. You will see, therefore, that it is not with the idea of material gain that we strongly recommend every farmer on Prince Edward Island who is not already using Mixed Fertilizers to try them out this year.
