## SIXTY-SIX YEARS IN SUMMERSIDE

In 1883 The Bank of Nova Scotia first opened for business in Summerside, and since then as the Town has gradually grown, we have endeavoured to keep pace with it.

Beginning today we are at your service in our large new office on Water Street, next door to where we have been located since 1913.

You will find that we are well equipped to take care of your banking needs, whether in the purchasing of Money Orders, Drafts, Foreign Exchange, handling your Deposit Accounts or Commercial business, or granting loans for farming operations, commercial use and personal needs.

Particular attention has been given to the requirements of Safety Deposit Box customers, who will find special facilities provided for their use.

You are cordially invited to drop in and inspect our new Office. You will find our staff co-operative and helpful.
