#### FORD DRASTIC ORDER

NEW YORK, July 25 — Henry Ford has posted orders in all his factories, warning employees that they will be summarily discharged if liquor is smelled on their breath, or if they keep liquor in their homes. A copy of the order, received yesterday at prohibition

headquarters here, reads as follows: "From this date on, dismissal without opportunity for appeal, will be the penalty imposed on any man found to have the odor of beer, wine, or other liquor on his breath, or to have intoxicants on his person or in his house. The eighteenth amendment is

part of the fundamental laws of this country. It was meant to be enforced and so far as our organization is concerned it is going to be enforced to the letter."

The order was brought here by prohibition agent "Izzy" Einstein, who has recently returned from Detroit, where he has been making raids.

#### \$7,000 GOES BEGGING

ST. CATHERINES, Ont., July 25 —As the wallet containing seven thousand dollars in cheques and money found yesterday on the provincial highway just west of St. Catharines has not yet been claimed the theory is held here by many that it may have been dropped by a bootlegger returning from delivering a "cargo" across the line. The thousand dollars is in American bank notes and the cheques seem to indicate this. The cheques are made out in favor of a foreign name.

### A. O. H. Field Day at Tignish

On July 23rd this annual event was staged with the usual high grade competition. The weather was ideal, and under the skillful directions of judges and trainers no time was lost in calling off the different events. The most of the honors were carried away by the Summerside team, but they had to work for the bacon. The Summerside relay team won the principle event of the day by winning the nine mile relay in the remarkable time of 51 minutes and 15 seconds with the following team in order of position:

Tanton, Beaton, MacKay, Prichard, R. Johnston, Crue, McPherson, N. Johnston and Huestis. Senior events:— 100 Yard—Phillips, Summerside; R. Hackett, Tignish and M. Hackett, Tignish. Time 11 seconds. Broad Jump—Phillips, Summerside; Silliphant, Summerside; R. Hackett, Tignish. Distance 17 ft. High Jump—M. Hackett, McNaught, Phillips. Height 5 ft. 2 in. 220 Yard—Phillips, 24 1/2. Shot Put—Gerald Dalton, Tignish; Leo Gaudet, Tignish; M. Hackett, Distance 29 ft. 9. Half Mile—Phillips, Summerside; L. Conroy, Tignish; G. McInnis, Tignish. Time 2 min. and 22 sec. Hop, Step and Jump—M. Hackett, R. Hackett, Silliphant. Distance 36 ft. One Mile Run—L. Harper, Tignish; Crue, Prichard. Time 5 1/2 min.

Events for those 17 years and under

100 Yard—McNaught, McInnis, C. Hackett. Time 12 seconds. High Jump—McNaught, C. Hackett and McInnis. Height 4 ft. 10 1/2 inches. Broad Jump—McNaught, McInnis, C. Hackett. Distance 15 ft. 8 inches.

#### Junior Events (13 and under)

High Jump—H. Buote, A. McKinnon. Height 4 ft. 3 inches. 100 Yard—H. Buote; O. Murphy, F. Bernard. Time 13 seconds. Best all round senior Athlete—Phillips, Summerside. Best all round Junior Athlete (Class A)—Bruce McNaught, Coleman. Best all round Junior Athlete (Class B)—Hector Buote, Tignish.

It was a great day of sport and the boys from Summerside under the leadership of Mr. Simpson, seemed to enjoy every moment of it despite their hard work. The Summerside team feels justly proud of the beautiful cup they received from its generous donor Mr. Joseph Morrisey, Tignish and also for the medals received from the members of the A. O. H. for the different events.

The Tignish team is by no means to be disregarded as they forced their opponents very often to hair breadth finishes in the events which they did not win. The three teams from Tignish which entered the relay race did not have sufficient practice; but the loss of the beautiful cup this year will serve to stimulate next year to greater achievements next year and the years to come while they are endeavoring to put Tignish on the map of Athletics.

The Tignish baseball team won the ball game in the seven inning twilight contest by a score of 9-4. Special mention must be made of the batteries for both teams, especially of the beautiful work of Lorne Murphy on the receiving end for the Tignish nine, and his wonderful "whip to second" which struck terror into the hearts of his worthy opponents. The A. O. H. men and women must be congratulated on the success which their untiring efforts brought them and we sincerely hope that they will long continue their noble work and pray God to bless them in all their undertakings.—Com.
