Family Record.

One of the most beautiful pictures in colors. Upon a background of PURE SOLID GOLD rests the FAMILY RECORD in the shape of a hands-on volume with GOLD CLASPS upon a cushion of crimson velvet with a beautiful GOLD TASSEL. On the pages, under different headings, are spaces for writing the name and date of birth. On either side is a beautiful scroll on which to record marriages and deaths. On the top of the picture are the words "FAMILY RECORD," in the richest lettering known to printer's art. Under this are spaces for father's and mother's pictures. In the lower part of the picture is a beautiful home scene. The DEAR OLD GRANDPARENTS, THE HANDSOME STALWART HUSBAND and HAPPY YOUNG WIFE, THE LOVING DAUGHTER and BABY-BOY—the IDOLIZED GRANDCHILD—are all gathered around the table while grandfather reads a portrait of GOD'S HOLY WORD. A truly beautiful scene. Underneath are the words "GOD BLESS OUR FAMILY." Around this picture are eight spaces for photographs of other members of the family, each space enclosing a gem flower piece. Elsewhere on the picture are scattered creeping vines buds and blossoms which produce a picture of dazzling beauty.

ALL interested in yachting are requested to meet this evening for the purpose of organizing a yachting club. This move on the part of a number of our sports is one which calls for encouragement. There are a few good sailing boats in Summerside quite a number of yachtsmen and many lovers of the sport, so that all that is wanting is that the interest be awakened. It is not necessary that anyone joining a club of this kind should take part in regattas or be a yachtman, but the more support that is given the organization financially or otherwise the more assured is its success. With a harbor like ours there is splendid opportunity for regattas and with practically no other sport for the coming summer months, there is every prospect for a great deal of enjoyment along this line.
