Get Ready Now

Get Your Exhibits Ready Now. Freight will be paid from all points in Prince Edward Island to within ten miles radius of Charlottetown. The man in Tignish is on a par with the man in Charlottetown. We want them all here, bringing their live stock. Meeting their Friends.

Amusement is a necessary part of life, just as necessary as food. The finest and healthiest amusement is that provided outdoors by our big Exhibition.

Make yourself popular with the kiddies. Be a real Daddy to them. Promise to take them to the Exhibition. Arrange to let your help see it, and be sure and come and bring your wife and you will all be very much better for it.

Just make up your mind that this is going to be one big fun week for you and yours. You will feel better all the rest of the year for it.

Popular prices day and night.
