Why An Emulsion?

Because an emulsion (Scott's) of cod liver oil is agreeable to the taste, while the plain oil is repulsive. Because Scott's Emulsion is easily digested, while the plain oil is not. Because Scott's Emulsion enters the system quickly and without effort, while the plain oil is a burden and a tax on the stomach. Because Scott's Emulsion remains sweet after entering the system, while the plain oil is likely to ferment because of its slow action. Because

SCOTT'S EMULSION

contains not only the best of the pure oil but other valuable properties, while the plain oil offers nothing but the crude properties of the raw oil. Because Scott's Emulsion is always the same in purity, strength and composition, while the plain oil is apt to vary in all three of these particulars. Because Scott's Emulsion is a hundred times more beneficial and desirable than any plain oil could be.

Iron-Ox Tablets

Positively CURE Constipation, Indigestion, Bloated Bowels, Torpid Liver, Weak Kidneys, Biliousness, Sick Headache and Nervous Disorders. A Marvelous Tonic for Tired, Worn-Out Systems.

THE DANGER OF CONSTIPATION.

It Fills the Sufferer with Pain and Distress, and Opens the Gates for the most Serious and Deadly Diseases.

To enjoy perfect health it is necessary for the bowels to be absolutely healthy and perform their functions with ease and regularity. The bowels are Nature's means of cleansing the body of its accumulated poisons and impurities.

The worst feature of constipation is that it does not get better of itself; if you allow it to go unheeded for a time, it will soon become chronic, and when you have once allowed chronic constipation to gain a foothold, you have prepared yourself a lifelong siege of misery and pain, besides opening the door for a host of deadly ailments that follow in its wake.

Mrs. Martha Taylor's Remarkable Case.

"I have been a sufferer from chronic constipation for years. My intense suffering would make me irritable and sleepless; oftentimes an attack of constipation would be accompanied by a terrible case of piles. These frequent attacks would leave me almost helpless, and very exhausted from pain, while my head would ache so severely that I could only obtain a little relief by being propped up in bed, and my nurse would have to keep a hot water bag at my feet day and night to infuse warmth into my body. For ten years I have been subjected to these violent attacks, and although I have had excellent physicians to attend my case I received

Mrs. Martha Taylor.

only temporary relief. A short time ago I was ill in bed suffering from chronic constipation in its worst form, when a friend called upon me and at the time introduced Iron-Ox Tablets. I was advised to dismiss my doctor and try the tablets, and was assured that if I was so loathe to part with the doctor, a trial box of tablets would prove sufficient to force me to acknowledge that Iron-Ox Tablets were far superior in effect and benefit than ever a doctor had been who had had my case. My friend left a box of tablets on my table and after my evening diet I took two tablets more in jest than in earnestness. My friend had spoken so highly of them that I thought I would try them, although I was very despondent and began to think I was beyond medical aid. I continued to use the tablets and found them nothing less than a God-send. The stubborn case of constipation began to yield to the mild but powerful tablets, and I experienced a movement of the bowels the second day after I began to use the tablets. I was overjoyed as the movement was painless and was the first actual evacuation I had experienced in a week. The evacuation was complete and resulted in bringing about a day of peace and quietness. My faith increased in the Iron-Ox Tablets, as they had accomplished what the medical attendants had not, and to my joyful surprise the tablets acted like magic, renovating and toning my entire system. I heartily wish every sufferer from indigestion or constipation might learn of the marvelous curative powers of the Iron-Ox Tablets, as they are a blessing to humanity. Mrs. Martha Taylor, 110 Kendall St., Boston, Mass.

If you suffer from constipation, or feel the need of something to bring life, health and strength to either stomach, liver or kidneys, remember that Iron-Ox Tablets have never yet failed to cure or greatly benefit any case where they have been used. Thousands who have been induced to give them a trial are now singing their praises, and declare them to be the greatest stomach and bowel medicine that has ever been placed before the public.

They act quickly in relieving the clogged and sluggish bowels. They purify the blood, and give strength to weak bowels. They stimulate the sluggish liver to proper action, and give weak and aching kidneys the relief they need. There are many remedies offered for sale that give temporary relief from constipated bowels, but none that effects a sure and permanent cure.

REMEMBER, IRON-OX TABLETS do not purge or gripe. They are gentle in action and are not to be classed with harsh and drastic medicines whose effect is to irritate and excite the delicate membranes that line the bowels, so that they are inflamed and weakened. Such medicines soon leave the bowels weaker than before.

Iron-Ox Tablets are conveniently put up in a handy aluminum pocket case containing 50 tablets for 25 cents. Buy them from your druggist, or send direct to The Iron-Ox Remedy Co., Detroit, Mich.

For sale in Charlottetown by Apothecaries Hall, Johnson & Johnson, H.A. Ellis, A.W. Reddin, McDonald & McKinnon and in Summerside at Gourlie's Drug Store.
