

Good Looks

are characteristic of the TRULY GOOD, even though in form and feature one might border somewhat on the homely.

Church's Cold Water ALABASTINE

on the walls of any home will do more to enhance good looks IN HOME SURROUNDINGS than anything else that can be used.

ALABASTINE IS GOOD, looks rich, and is healthful. Wall-paper, with its arsenical coloring matter, and moulding paste, gives a room a stuffy smell and impregnates the air with disease germs. Save money in decorations and doctors' bills by using ALABASTINE. Write us for booklet.

Alabastine is for sale by Hardware and Paint Dealers everywhere. Never sold in bulk. Address

The Alabastine Co. Limited, Paris, Ont.

MILLINERY.

The up-to-date little maid has her own particular style, and her hat must be as individual and distinctive as her mother's. For years Paton's store has made a specialty of these hats for little girls. This Summer season the gathering is not to be equalled, we think. Special care and thought have gone into the planning of these charming hats. Special notes were made in London where inspiration was sought. These hats have been trimmed with ribbons, lace, and other materials for women, though special attention has been employed for their fashioning and for modifying French ideas to suit Canadian tastes. Yet carefully as they have been studied, the beauty of these children's hats is the unstudied effect—the simple girlish charm whether the shapes be simple and jaunty, or moderately elaborate and sweet to suit the little faces. See our Million Hats with wreaths of flowers and other novelties.
