REFUSED TO REVEAL IDENTITY OF ASSOCIATES. CHICAGO, Jan. 19.—James A. Perry, confessed leader of automobile bandits, who have committed a score of daring robberies here in the last 60 days, was questioned by the Police again today in the hope that he might disclose the names of his accomplices.

The young man, however, firmly refused to reveal the identity of his associates.

"There were four of us, but I'll never tell the names of my pals," said Perry. "I have told you, all I am going to about those holdups."

Perry slept soundly after making a confession of his career of crime to Police Capt. Lavin and State's attorney Hoyle last night.

Mrs. Pearl Rathjen, who lives in the apartment building where Perry was arrested, told the police that he was working as a switchman in Cedar Rapids, Iowa, when she met him there three years ago.

"I had no idea he was robbing people," she said.

Admission of Perry that it was he who fired the shots at Policeman Fred Sticken, who was wounded by automobile bandits at West Monroe street and Fifth avenue, led to a puzzling situation, inasmuch as Stricker already had identified Albert Charest and James Mitchell as the robbers who shot him. Mitchell and Charest have been charged with assault to murder the policeman, but both deny the accusation.

Walter Scott, 20 years old, arrested with Perry, refused to talk to the police.

VERDICT OF GUILTY IN LOUNSBERRY CASE KANSAS CITY, Mo., Jan. 19.—"Guilty" was the verdict returned in the federal court in Kansas City, Kan., to-day, against Wells Lounsberry, who last August robbed a Union Pacific mail train near Lawrence, Kan. Sentence will be pronounced later. The plea of the defense was insanity.

Lounsberry held up six mail clerks, forcing one to bind the others and blindfold them. After placing his foot in a bag he stepped off the train at Lawrence, boarded it again a moment later, and hid in a Pullman berth, where he was captured as the train entered Topeka.

NO INDIGESTION, GAS OR A SOUR STOMACH

Pape's Diapiesin makes your stomach feel fine in five minutes.

Wonder what upset your stomach—what portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; both gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Diapiesin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapiesin organically keeps this delicate organ foodless without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief in Pape's Diapiesin which costs only fifty cents for a large case at drug stores.

It's truly wonderful—It digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on with a weak, disordered stomach; it's so unnecessary.

The following are particulars of his death.—On the afternoon of Tuesday the 14th, inst., the late Mr. Beer who had been enjoying a game of curling on one of the curling rinks in Toronto started to walk home. The episode was carried in to a nearby drug store, and identified by his name on his walking cane. His people were telephoned to, and he was conveyed to his beautiful home, in the city. COURT DISMISSES ELECTION PROTESTS. MONCTON, Jan. 20.—Mr. Justice Kelly has dismissed the Dominion election protests in Norfolk, Haldimand, West Kent, and East Elgin. The result is an even break, politically, as two of the petitions were Conservative and two Liberal, while in Norfolk there was a petition and cross-petition.

In Norfolk A. McCall petitioned against Hon. Wm. A. Charlton (Liberal) and Mr. Charlton cross-petitioned against Mr. McCall.

In West Kent the petitioner was William Stanworth, against A. B. McColg (Liberal M. P.).

In East Elgin F. Miller petitioned against David Marshall (Con. M. P.) and in Haldimand R. A. Miller petitioned against F. R. Lalor (Conservative M. P.).

THE LATEST FROM THE THEATRES KEITH'S UNION SQUARE THEATRE.

Imagine thirty charming water nymphs splashing in the waters of a mammoth tank that occupies an entire stage and the reader will have a good idea of the tremendous aquatic feature that will headline the program of B. F. Keith's Union Square Theatre, New York, for the week of January 27th. The Rice and Dore Water Carnival is the name of this novel spectacle which will introduce something entirely new and never before attempted on any stage. It will embody all forms of water sports, pastimes, trick swimming and fancy diving with high diving dogs and horses a water ballet, with Father Neptune and a disappearing ballet. Over twenty swimming and diving girls will take part in this monster water circus and the carnival will close with a wonderful water ballet, in which the water nymphs will disappear under the water of the mammoth tank that occupies the entire stage. This will be the greatest and sensational novelty ever presented on any stage in America.

Everybody will welcome Eddie Leonard, the favorite minstrel star, assisted by the charming Mabel Russell. Their new offering in comedy and song is away from anything Mr. Leonard has ever attempted before. Let all lovers of real fun, melody and dancing come and give this pair a real welcome.

Reno divorcees have been the subjects of a good many newspaper jokes and some satirical songs, but it has remained for Miss May Tully and her able collaborator, Bozeman Bulger, to introduce the situation into vaudeville. This they have most admirably done in their new comedy, called, "The Battle Cry of Freedom."

The situations are thoroughly ingenious and there is no end of wit in the lines. Miss Ina Robertson, who has starred in several productions will give the first presentation of a comedy, called, "Come Here," which has met with unusual success everywhere.

Other prominent names will be Horace Wright and Rene Dietrich in a particularly refreshing and neat singing specialty; Hawthorne and ANTICIPATE TROUBLE.

LONDON, January 21.—If the woman's Suffrage Bill is defeated Friday there are grave fears of serious trouble. Scotland Yard is anxious and the Cabinet Ministers are carefully guarded. While killing is not sanctioned there is fear some hysterical women may carry things to that excess. Dislocation of the street railway and telephone service is hinted at.

LONDON, January 21.—At a large meeting last night protesting against votes for women Lord Curzon declared that "we don't want an open door at all, not to a million women dressed up as municipal electors or thirteen million women marching as a vanguard of a great army, which will eventually take charge of the destinies of state." Mrs. Humphrey Ward said, "Women with votes would be inferior political units serving as raw material for the political purposes of men."

BOSTON, Jan. 17.—A bill, which a special state commission believes will stop the sale in Massachusetts of stocks and bonds of questionable value was filed with the legislature to-day.

The measure is contained in the report of a commission appointed by the preceding legislature and which is made up of Attorney-General Swift, Bank Commissioner Thorndike and Commissioner of corporations Trefry.

It gives the commissioner of corporations authority to collect for public information data regarding the financial condition of all corporations whose stock and bonds are offered for sale, either on the stock exchange or by private parties. It also gives the commissioner the power to determine the validity of all securities sold in Massachusetts; warn the public against worthless securities, and stop their sale.

In financial circles the bill was described today as one of the most drastic that has ever appeared before the legislature.

LOTTERY TICKET WORTH 1,500,000 FRANCS LOST ROME, Jan. 19.—The Bank of Italy believes that the winning lottery ticket first prize of 1,500,000 francs was lost on the Titanic last April with a batch of other tickets which were sent to the United States on that vessel. All efforts to trace the holder of the ticket have been fruitless. It has been reported that the winning ticket was sold in Sicily but the bank has so far found no one to whom the claim should be paid.

TWO KILLED IN AN AUTO ACCIDENT ST. LOUIS, Jan. 19.—Russel F. Davie of Cleveland, assistant secretary to Mrs. Helen E. Britton, owner of the St. Louis National baseball club, and William H. Waters of St. Louis, president of a novelty company, were killed in an automobile accident here to-day.

The automobile in which they were riding struck a water-plug at Grand and Cottage avenues. The impact turned the car around, threw the two men out and tore the cap off the water-plug, flooding the street and inundating Davie's body as it lay near the curb. Davie died a few minutes after he had been taken out of the water. Waters was dead when picked up.
