FERTILIZER FACTS!

The value of all Fertilizers consist in the amount of soluble Phos. Acid Nitrogen, and Potash they contain, and the brand which shows the greatest value in these is the one to buy, on the same principle that milk testing 4 percent butter fat is more valuable than 3 per cent milk. ENGLISH MANURES costing the same price, contain 20 per cent. to 25 per cent more Phos. Acid, Nitrogen and Potash than any other complete Fertilizer on the market.

Or in other words the Plant Food contained in a ton of other Fertilizer, costing, say \$35, can be purchased from us for about \$28. All Fertilizers are sold under a guaranteed analysis enabling any who may, to verify the above, and the superior quality of these Manures is being shown by actual test year after year by the really wonderful results produced wherever

Address and Presentation

Mr. Percy Mutch, Mt. Herbert, was on Monday night, July 3rd, presented by Dr. Dewar on behalf of Ever Onward Division, with the following appreciative address accompanied by a beautiful rattan rocker:—

To MR. PERCY MUTCH, MT. HERBERT:

DEAR BROTHER.—In consideration of the happy event which has just taken place, we cannot allow this opportunity to pass without expressing in some slight way our appreciation of your worth as a member of Ever Onward Division. To-night you are asked to accept this wedding gift, which is presented by your co-workers in the temperance cause in this place.

From its inception you have been the central figure in this society and so intimately have you been associated with its every undertaking, that were your name omitted, its history would be very incomplete.

Although you have assumed new duties and responsibilities we trust that you and your amiable partner will continue to be as useful members of this Division in the future as you have been in the past. We do not ask that your lives will be all sunshine, but we most earnestly pray that He, who is the Giver of all good, may watch over you and keep you both faithful unto Himself.

Ever Onward Division extends congratulations.

Signed,

On the evening previous to her marriage Miss Maud Toombs, now Mrs. Percy Mutch, was waited upon and presented with an address accompanied by a C. E. Pin as a token of the appreciation of her services in the society of which she was a member.

To MISS MAUD TOOMBS:

DEAR SISTER.—We the members of the North Rustico Christian Endeavour Society hearing with pleasure of the happy event, which is about to take place, and knowing that you will be severing your connection with our Society, feel that we cannot let you go without offering you some token of our appreciation of your services in our Society.

We will miss you most of all at our regular meetings, when you were always ready to take your part, and always willing to do whatever was in the interest of the cause. We will also miss you in our social gatherings and feel that it will be hard to get anyone to fill your place either at the organ or in the training of the youth to take their place in the social meetings. We will ever think of you as one of our number and hope that wherever you go you will not forget the many pleasant and profitable meetings we have had together since our Society started. And wherever your future home may be may the Lord bless you, and keep you in the path in which you have started is the prayer of the Society.

Signed in behalf of the Christian Endeavour Society.

Mrs. W. A. HONSTON, PRES.

OLIVER BERNARD, SECY.

CAMPERS

Should take with them a supply of Dr. Fowler's Ext. of Wild Strawberry

Those who intend going camping this summer should take with them Dr. Fowler's Extract of Wild Strawberry. Getting wet, catching cold, drinking water that is not always pure, or eating food that disagrees, may bring on an attack of Colic, Cramps and Diarrhoea. Prompt treatment with Dr. Fowler's Strawberry in such cases relieves the pain, checks the diarrhoea and prevents serious consequences. Don't take chances of spoiling a whole summer's outing through neglect of putting a bottle of this great diarrhoea doctor in with your supplies. But see that it's the genuine Dr. Fowler's Extract of Wild Strawberry, as most of the imitations are highly dangerous.

Substance-Shadow

If you want a horse worth \$100, you'd be silly to pay \$100 for his photo only. If you need DODD'S KIDNEY PILLS, be sure to buy an imitation.
