THE DREAM OF HIS LIFE

LONDON, Oct. 7.—Sir Charles Tupper, speaking to the press correspondent said, Chamberlain hit the nail on the head exactly. He voices Canadian opinion. The man and the movement will meet no defeat at any stage. The Unionist party is eager to go further than Balfour. Chamberlain's strength is evidenced by the pitiful ingenuity of the free traders to discover counter arguments.

GOVERNOR OF THE CAUCASUS

ST. PETERSBURG, Sept. 29.—It is rumored in military circles that General Kouroupatkine will be appointed governor of the Caucasus and that he will be replaced as war minister by General Boblille, former Governor of Finland, Prince Obolenski, succeeding to the latter's post.

Arc You One of the Weak Ones?

Subject to Sinking Spells and Feelings of Langor, Depression and Weakness - You Can be Helped by

Dr. Chase's Nerve Food.

Very many people feel much as you do. They do not like to confess that they are sick, but they are weak and languid, they droop and depress after meals, are easily tired and discouraged, suffer from indigestion, sleeplessness, irritability and general bodily weakness. At times, it may be some of the old-time vigor returns but you no more than get your hopes aroused when the sinking spells come on again and you are as helpless and disheartened as ever.

Such symptoms point to lack of nourishment in the blood and an exhausted nervous system. You can get well if you will but restore the system by using Dr. Chase's Nerve Food. This great food cure forms new blood and instills new force and energy into the wasted and depleted nerve cells. It makes you well in nature's way by supplying to the blood and nerves the very elements in which they are lacking.

These symptoms of which you complain are but a warning of approaching nervous prostration, paralysis, locomotor ataxia or even insanity. The time to act is before these dreadful diseases of the nerves have fastened themselves upon you. They are much easier to prevent than to cure, as many know, on account of long years of helplessness and suffering.

Dr. Chase's Nerve Food will give you new hope and courage. Not only will you be able to feel the benefit you are deriving from it, but by noting your increase in weight you can prove conclusively that new, firm flesh and tissue is being added to your body.

The success of Dr. Chase's Nerve Food in curing all ailments arising from weakness of the blood and an exhausted condition of the nerves has been phenomenal. 50 cents a box, 6 boxes for \$2.50, at all dealers or Edmanson, Bates & Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box.

NO GERMAN DEMONSTRATION.
