Skirts and Shirt Waists

We have been saying nothing to you lately about our stock of Ready made Skirts and Shirt Waists—not because they are not here in abundance and of the best—but because we had not a chance to get a word in edgewise about them, we had so many other good things to tell you of.

In skirts we can show you every stylish color and material, including a nice line of light and medium greys, which will be so fashionable during the coming summer with white or light shirt waists.

Of the latter we have a very lovely display, dainty and stylish and withal cheap, commencing with dainty white waists at 49c each, on up through the various grades in lawn, embroidered linen, swiss muslin and white silk.

We have also all fashionable colors in silk waists, which you should certainly see before you decide on anything, as they are as trim and dressy as you could wish for, at a much smaller price than you could have the same goods made up for.

A line of beautiful high class black silk underskirts, is also worthy of your attention and is a luxury you will be tempted to possess once you see them.

Only a few left of those elegant silk coats for ladies, which came to hand this week. Come quickly if you want one.

ONE PRICE ONLY AND THAT THE LOWEST

We have been going through our stock and re-marking it at prices that admit of no cutting. We notice that it has been the custom to mark goods in such a manner that the PRICE depended on the bartering perseverance of the purchaser.

We are of the opinion that ONE DOLLAR is worth just as much in one person's hand as it is in that of his more persisting neighbor. We are going to do business then along the lines of giving everybody EXACTLY THE SAME VALUE FOR THEIR MONEY.

The store cleaning is still going on and during this week you may have your choice of any GOODS IN OUR WINDOW FOR SEVENTY-FIVE CENTS.
