**At MONTAGUE**, on the 1st inst., the spirit of the late James McFarlane took its flight to the great beyond. Full of years and honors he has gone to his reward. To those who knew him as High Sheriff of Kings Co., as merchant, as neighbor and friend, he will be remembered as a man among men, a man of the strictest integrity; kindly, friendly and cheerful, one who could never say no to those who asked for assistance, if it was in his power to help them, of him it could be truly said that he prized honesty above all else, and did not wish to join in the worldly game unless he had the approval of his own conscience. He would never countenance any shady transaction, being content to remain an honest man, what Burns called "the noblest work of God". *Com.*

### Catarrh Invites Consumption

It weakens the delicate lung tissues, deranges the digestive organs, and breaks down the general health.

It often causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice.

Being a constitutional disease it requires a constitutional remedy.
