AT REST.

On Thursday last, as previously noted in the Guardian, the Angel of Death visited the home of Mr. and Mrs. Hayden, Cherry Valley, and took away their dearly beloved daughter, Annie. She was one of the noblest and best girls that ever lived; and her kindness of heart—her sweet and gentle disposition, endeared her to a very large circle of friends who mourn today with unfeigned sorrow and regret at her early death—just at the time when the flowers of life should be blooming at their brightest and best. Dear Annie was taken ill over a year ago—and since then all that the best doctors, her kind and loving parents and brother and sister could do to save her young life and restore her to health again, was done (for human beings could do no more than they did), but all to no avail; and on that bright June morning her bright young spirit freed from its earthly prison and winged its flight to its home in Paradise—there to spend eternity in the sunlight of the love of the dear Saviour she served so faithfully and well while here below.
The funeral took place on Saturday and was one of the largest seen in this community for years—Rev. D. B. McLeod conducting the services at the house and church. And there in the quiet little Methodist cemetery, in a white casket covered with beautiful flowers that were emblematic of the stainless purity of the earthly life of the fair young flower that slept beneath; they tenderly laid to rest all that was mortal of our young friend, there to await the dawn of the glorious resurrection morn. The pall-bearers were: Roy Mutch, Neil McKinnon, Gavin Irving, Philip Rooney, Daniel Melsane and John Webster.—A Friend.

Perpellian

sire Parkside, 2.22, dam Lucerne by All Right, will make the stud season of 1910 at Royal Hotel Stables, Montague.
Perpellian weighs 1200 lbs. and his colts are large and well made.
Perpellian has started in five races and has won first money four times. In his last race at Summerside, last August, he defeated Money Maker, 2.18 1/2, Pretoria, 2.23 1/2, Owna, 2.25, and two others with the greatest ease, though he had been in training but three weeks.
It is speed close up that counts in a pedigree. "Like begets like," and a sire that has speed himself is much more liable to beget speed than the sire that has to invoke the speed which his great grand-parents were said to possess.
Perpellian is the speediest colt in the speediest family of race horses that the Maritime Provinces have yet seen and his progeny should in the natural course of events inherit his speed.
Mares at owners' risk.
