**"ORANGE LILY SAVED MY LIFE"**  
These words, or expressions having the same meaning, are contained in hundreds of the letters I have received during the past year. Many were from women who had suffered from falling of womb, other dangerous surgical operations, and others who had suffered from suppressed menstruation, leucorrhoea, painful periods, etc. For all these and other troubles known in general as "female ailments," Orange Lily is a positive, scientific, never-failing cure. It is applied directly to the suffering organs, and its operation is certain and beneficial. As a trial actually proves its merit, I hereby offer to send, absolutely free, a box worth 45c, sufficient for ten days' treatment, to every suffering woman who will write for it. Enclose 5 stamps. One of the worst obstacles is a barrier of the Borden Pier, about twelve feet high, which is coming and going all the time. About 100 cars of freight have accumulated on the mainland terminus due to the conditions existing.

Some 250 members of the original 105th Battalion met in the city yesterday to renew former friendships and enjoy the day together. The snow storm in the morning no doubt prevented many others from attending; nevertheless, the boys had a glorious time which lasted well into the night. In the afternoon a most enjoyable entertainment was put up for them at the Prince Edward when Manager Gallagher exhibited some of his best material. The theatre was filled to overflowing and the entertainment passed off very pleasantly. In addition to the movies the military band played a number of excellent selections. Dr. Earl Robins, and Mr. A. B. Cosh sang a number of songs which were greatly appreciated. While Mr. Martin Fowler delighted the boys with a number of comic songs and dances. Views of the 105th at Valcartier and on board ship for overseas were also shown. The afternoon part of the programme was much enjoyed by all.

**ADDITION TO SPEED.**—Horsemen in the city are much pleased with the addition to the racing game seen on our streets. This is a beautiful black filly driven by our esteemed reinsman Mr. Alex McPherson. Mr. McPherson has recently returned from overseas and is naturally delighted to again hold the reins over a fast one. Dusky Lady is this filly's name. She is bred in the purple, being sired by a son of Bingen and her dam is the fast pacing mare Society Girl, sired by Oakley Baron. His friends wish Mr. McPherson success.

There passed away to her Heavenly Myrs, (nee) Sara Pyke, Souris in her fiftieth year Mrs. Joseph Myres, (nee) Sarah Pyke. For a number of years the deceased had not enjoyed very good health, but six months prior to her death she contracted a cold from which she never recovered. She was survived by two daughters, Annie E. of Saskatoon, Sask., Mrs. E. Mosher Souris and one son William at home. Her other surviving relatives are an aged mother now residing in Sydney Mines, C.B., one sister Mrs. Will Gillan, Souris, and four brothers, viz: Charles of Winnipeg, Man; Albert and Charlie, Saskatoon, Sask., and John of Sydney Mines, C. B.

Some thirty-five years ago she came to the city with her parents from Newfoundland to Souris where she has since resided. The funeral took place from her home; services were conducted by her pastor Rev. H. A. Brown, assisted by Rev. A. McKay.

Once more that grim visitor Death has visited the home of Mr. Thomas McCarville, Kinkora, and claimed for its own his daughter, Mary Florence, at the early age of nineteen years. Divine Providence saw fit to call her home while she was only in the prime of life, for she had just completed her course in Prince of Wales College two short years ago, and until Xmas was the much beloved teacher at Iona. Everywhere she went her genial personality won for her a host of friends. She had always a smile and a kind word for everybody so that only to see her was to love her.

Deceased complained of a pain in her head when she came home for the Xmas holidays. Medical aid was summoned and her malady was pronounced Spinal Meningitis. Everything possible was done to help her, but God willed otherwise and on Monday morning, January 12th, her spirit winged its way to its God. The funeral which took place on Wednesday morning at nine o'clock to St. Malachi's Church, Kinkora was one of the largest ever held there. The Requiem High Mass was sung by the Pastor Rev. M. J. Smith who attended her during her illness and by whose hand the last rites of the Roman Catholic Church were bestowed upon her here her soul took its flight. The services at the grave were conducted by Rev. Fr. Smith assisted by Rev. Fr. Duffy, P. P. of Iona in whose parish deceased had been teaching.

The pall-bearers were: Percy Murphy, John A. Smith, James McGarry, Joseph McGuligan, Basil Flahaven and John M. Mulligan. She leaves to mourn besides her heart broken father and mother two sisters, Katherine, teacher at Newton Cross, and Ethel at home near three brothers, Eddie and Ernest at home and Emmett in Vancouver, B.C. To the bereaved family the Guardian extends deepest sympathy.

"Eternal Rest Grant unto her O Lord and Let Perpetual Light shine upon her." A floral bouquet was received from Wilfred Cudmore, and Spiritual Elogies were received from—Mr. and Mrs. C. J. Kenny, Mr. and Mrs. Gerald Mulligan, Margaret and Mrs. Mulligan, Stephen and Wm. McCabe, Two from Mr. and Mrs. John L. McAleer, Mr. T. McDonald and family, Mr. and Mrs. James A. Brown, St. Clair Duffy, Laura and Michael McCabe, Katie and Adeu Mulligan, Mr. and Mrs. Joseph McCabe and family, Mary, Ada, and Mrs. Wm. Smith, Mary, Rose and James McGuligan,

The funeral which was a very large one was held on December 25th. The services were conducted by Rev. Thos. Goodwill and Rev. R. H. Stavert. The ball bearers were Fred Dollar, Brenton Dollar, Daniel Molniss, Myles McDonald, Harry Paul, and Nelson Bell. Interment was in the Brookfield cemetery.

Deceased peacefully away at the age of 75 years. The deceased had not been in a very robust state of health for several years but it was not until within a few weeks of the time of Mr. McKinnon's death that his condition caused his friends to be alarmed. On the Monday evening preceding his death he retired as usual at about 9 o'clock and a little later when his daughter Katherine called around to make him comfortable for the night she found him in a state of unconsciousness. Medical aid was summoned and all that kind friends could do was done but all to no avail. He continued in this state of unconsciousness until in the early morning of Thursday his spirit took its flight. Mr. McKinnon is the last brother of a large family. Two sisters survive him viz: Mrs. James Matheson of Dorchester, Mass., and Mrs. Angus N. McLeod of Brookfield. Besides a sorrowing widow Mr. McKinnon leaves to mourn the loss of a kind and loving father three sons and three daughters. The daughters are Mrs. John A. McLeod of Darlington; Miss Jessie of Winnipeg and Miss Katherine at home and the sons are Malcolm and John of Winnipeg and Finley of Brookfield. Mr. McKinnon will be much missed not only in his own home where his very presence was always a benediction but also in the church and in the community where he always stood for what was best. He was for many years a faithful member of the Church of Scotland and was ever ready to help on with every good cause. His kind and genial manner together with his beauty of spirit will long be remembered by all who had the pleasure of knowing him.

# BEAVER FLOUR

It is the prevailing supposition that all well-known brands of flour are about the same in quality and that one is just as good as another for baking.

This is entirely wrong. The baking qualities of any flour depend on the scientific blending of the classes of wheat used, and the skill and care exercised in its manufacture.

"Beaver Flour" is made from the choicest Ontario Winter Wheat, scientifically blended with Western Hard Wheat. It has all the good qualities of both in such proportions that it produces bakings of fine, even texture yet with body enough to be substantial.

The flavor produced by "Beaver Flour" is that rare, nutlike "home-made" taste, so much sought after by all who enjoy good things to eat.

"Beaver Flour" will improve your bakings. Try it! Sold by your grocer.
