West Kent Wins Opening Game Of School Series

Harold Stewart Scores Three Tries To Lead Mates To 15 - 3 Win Over Queen Square.

Accounting for five unconverted trys while holding their opponents to a solitary score, West Kent's rugger squad scored a convincing 15-3 triumph over their arch-rivals, Queen Square yesterday afternoon in the first game for the McMillan Trophy and City Schools football title.

As is usual in these annual games, some sparkling football was handed out to the fans in attendance. A drizzle of rain all through the tilt failed to dampen their ardour as they went at it hammer and tongs from the opening whistle.

West Kent had a big advantage in weight, the scrum controlling the ball almost regularly. The result was that the losers were on the defensive a great part of the time but at that caused the winners many anxious moments.

For West Kent the fleet-footed Harold Stewart, with three trys to his credit, Jay, Archer and Richardson were good while the work of Queen Square's "mighty atom" young Howatt, failing to tip the scales at 100 pounds, was a treat The youngster took plenty of punishment, but was always ready and eager for the next play.

West Kent kicked off into a heavy wind and for the first few minutes play was in their territory. Gradually forcing their way inside the Q. S. S. 20-yard line, the ball came to Jay from his picking-quarter. He wended his way for 12 yards, passing to Bruce Chandler when tackled, the latter player negotiating the remaining distance to the line. Jay's kick for convert was low.

The next West Kent score came after two brilliant plays. Queen Square were again forcing wher Archer, husky wing quarter broke for a 30-yard canter to his opponents 25-yard line. From the resulting heel-out after he was tackled the oval travelled the whole length of the backfield to Harold Stewart who just made the grade in the far corner of the field. The kick from a difficult angle was again low.

Fighting desperately to get back in the running, the purple and white team charged their way into scoring territory. Several 5-yard scrums took place and finally their efforts were rewarded as Vern McDonald followed a dribble fast to score his teams lone try.

Time for the half was nearly up when Stewart was again on the receiving end of a backfield play, his speed enabling him to plant the ball directly behind the post, but Jay's kick for the extra points fell short of the bar.

It was the same story in the second half, Queen Square got within striking distance on several occasions but the weight of the winners enabled them to guard their line safely. On one occasion they were within a solitary yard of scoring again but Archer's boot took the pigskin to centre field.

Ten minutes after the start, Stewart, nemesis of Queen Square yesterday afternoon came through with another three points, breezing 20 yards around the Q. S. S. scrum.

A tough break gave West Kent their final try. They were pressing inside the final white stripe when Howatt pounced on a loose ball. His kick attempting to clear sailed right into the hands of Archer who had no opposition, crossing the line standing up.

THREE MONCTON STARS FOR PRO RANKS

Connolly For Rangers; McManus And Webster Will Make Debut Saturday, Gorman States.

(C. P. By Guardian's Special Wire)

WINNIPEG, Oct. 25.—Bert Connolly, speedy forward from Moncton Hawks, North America's amateur hockey champions, will definitely enter professional ranks here Saturday when New York Rangers and Montreal Maroons open their exhibition series, Lester Patrick announced after today's workout.

Connolly

In the Maroon lineup two other Moncton stars will perform in their first professional game. Tommy Gorman, Maroon leader, stated he expected to have Sammy McManus and Aubrey Webster, members of the Dominion amateur champion Hawks signed before the exhibition tilt.

McManus

Maroons played strenuous hockey for two hours today and later exercised on a golf course. Rangers held two workouts. Vast improvement was shown during the workouts. After four days the veterans displayed flashes of mid-season speed.

Webster

Danny Cox, ranger forward and Lionel Conacher, newly acquired Maroon defenceman, were in uniform. Both went through light skating practice while Cox took up a position on the Ranger defence.

Patrick threw aside any worries over the continual absence of Earl Seibert and Ching Johnson, Ranger defence holdouts, and stated he had sufficient rearguard material in three players, Bill Cook, Ott Heller, and Alex Levinsky.

The Patrick machine worked smoothly. A first line switch of Cecil Dillon, wing, for Bill Cook who fell back to the defence, has not weakened the second line. "Butch" Keeling, has been trained to work beside Murray Murdoch and Vic Ripley, Patrick stated. A new forward line of Lynn Patrick, centre, Charlie Mason and Bert Connolly played heads-up hockey while Bryan Hextall and Clint Smth, other recruits, made valiant bid for recognition.

Patrick will start his first string men, Dillon, Boucher, and Bun Cook; Bill Cook and Alex Levinsky, defence; and Andy Aitkenhead, goalie n the exhibition game Saturday. Tommy Gorman hopes to have McManus and Webster in the Maroon line and will use both his goalies, Alex Connell and Davie Kerr.

VIEW MORE GOALS IN PENALTY RULE

Conacher Brothers Agree Tallies Will Be Thicker With New Regulations.

TORONTO, Oct. 25. — (C.P.) — Charlie Conacher, most prolific scorer in the National Hockey League last season, and said to have the hardest and fastest shot in professional hockey, thinks a lot of goals wll be scored this coming season as a result of the new penalty-shot rule.

The rule is designed to punish a defending player who trips or otherwise fouls an attacking player to prevent the latter getting a clear shot on goal, when the attacker has eluded all players but the man who fouls him. The offence calls for a free or penalty shot to be taken at the offender's goal by any player of the attacker's team not serving a penalty at the time. The shot is to be made 38 feet from the goal net.

"Yes, I think a lot of goals will be scored as a result of the new penalty shot," said Conacher to The Canadian Press. The big right winger of Toronto's Maple Leafs added he thought the rule also would tend to curb much robust work hitherto resorted to by defencemen to prevent almost certain goals.

Asked which of the opposing goal tenders he thought would be toughest to beat with his kind of a shot, Conacher replied he believed Roy Worters of New York Americans, would be highly successful in defending his net against this particular type of drive on goal.

Brother Lionel Conacher, defenceman with Chicago's Black Hawks when they won the Stanley Cup last season, but this year with Montreal Maroons, said while he had not given the matter much thought, he agreed with Charlie's view that the new rule would result in a "lot of goals."

Dick Irvin, Toronto coach, who played in the old Pacific Coast League when that now-defunct organization introduced the penalty shot some years ago, said that he expected to see 40 percent of the penalty shots on goal result in scores.

"Two out of five should find the net," said Irvin.

Canadiens Cutting Down Squad At Training Camp

Three Scheduled For Farm Team At Quebec. Kelly And Desilets Still In Camp — Keating Takes Eye Of Lalonde.

(C.P. By Guardian's Special Wire)

SAINT JOHN, N. B., Oct. 25 — Jacques Toupin and Paul Ranger, who have been working out here, with Canadiens of the National Hockey League, left for Quebec this afternoon for further seasoning with the Quebec Beavers, Canadiens' farm.

"Newsy" Lalonde said tonight that Bob McCully would probably follow Toupin and Ranger. Leo Bourcier, Ray Malenfant and Rene Boudreau left tonight for Montreal to play again this season with the Canadien amateurs.

Several other amateurs will remain at the training camp a few more days. Paul Arcand is showing well on defence and may yet make the jump from the senior group in Montreal. Maxie Bennett, Hamilton, "Dizzy" Desilets and Pete Kelly, of Charlottetown Abegweits, are the other amateurs still in camp. The latter worked out here yesterday for the first time. Marcel Raymond and Adelard Lafrance, of last year's Canadiens, with Gordon Savage of Calgary, are pros still trying out for positions.

Leo Dandurand, owner of Canadiens, will arrive here Saturday, Lalonde said tonight.

The young Moncton goalie, Claude Bourque, who performed in Montreal with Junior Canadiens, is still guarding the twines here. He will stay with the club through the training period.

Coach Lalonde is showing interest in Jackie Keating, New York Americans and Buffalo Bisons front liner who played in a practice game last night. The Coach has recommended him to Dandurand as a worth-while Canadiens prospect. If the young player can be taken off the Amerks' hands he will be sent to Quebec, subject to recall as soon as he is in good physical condition. Lalonde said Keating did well last night without preliminary team workouts and is recommending him for Beavers as a left winger or centre.

Three forward lines are left at the camp. They are Joliat-Lepine-Larochelle, G. Mantha-Riley-Lamb, and McGill - Crutchfield - Mondou. The defence combinations are Portland-S. Mantha and Carson-Jenkins. If possible a fifth defenseman will be carried. Wilf Cude will be the regular goalie, and the league will supply a substitute if Canadiens need a spare netminder and cannot bring up one of their own farmhands.

Gossip From N.H.L. Camps

Believing hockey players practice better without crowds of onlookers, Frank Patrick has barred the doors of the Quebec rink where his Boston Bruins are training. The former Vancouver manager has ideas of new formations and mechanical precision in passing and believes he can inculcate them best in comparative seclusion.

Nels Stewart, Johnny Gagnon and Red Beattie probably will make up Patrick's first string line this season. He has had them practising together and also uses Marty Barry, Dit Clapper and Babe Siebert as a trio.

Eddie Shore has not yet appeared at the Quebec camp, but there is no suggestion of contract difficulties and he is expected today. The Bruin star is reported to have signed already.

Ottawa's St. Louis Eagles are on their way to their new home in Missouri today without many of the amateurs they had training with them. Of the Simon Pures they signed only Bill Cowley, last year with Halifax Wolverines. They also left behind Bill Touhey and Nick Wasnie, both pros with long service records in the N. H. L. They hope to catch on with other big league teams.

Pit Lepine gave notice in a practice game at Saint John last night that he is ready to take over Howie Morenz's job as Montreal Canadiens' first-string centre. He rammed in four goals as the regulars beat the Yannigans 10-6 and won $200 from them at the same time.

Working with Aurel Joliat and Wildor Larochelle, the Frenchmen's new star line, Lepine was in great early-season form. Joliat also was sniping well and got two tallies, the same number as Nels Crutchfield, Habitants' recruit from McGill.

N. H. L. officials will be keeping a close eye on their International league scores this season to see whether a new rule passed at a Cleveland meeting yesterday eliminates tie games. Following the American Association's move of last season, International directors decided no points will be awarded for ties. They expect this will eliminate stalling for ties in the latter stages of the games.

FOOTBALL PRACTICE

Members of the Nomad football team are asked to report to practice this evening at the C. A. A. Grounds at 5 o'clock sharp.

Wolverines Hold First Pre Season Workout

(C. P. By Guardian's Special Wire)

HALIFAX, Oct. 25.—Halifax Wolverines, member of the "Big Four" hockey league, held their first workout of the season at the Forum tonight. Seventeen aspirants to positions on the team donned their skates for a light practice.

Art Whittaker of Ottawa made a strong impression on the small group of spectators present. The Fritz brothers, Roy and Jack, of Listowel, Ont., looked like good material.

Another new face was that of Monty Montgomery. He played with the Regina Aces some time ago but recently has been residing in Kentville, N. S.

"Daddy" Bubar, sub-goalie for the Allan Cup winners of last year, was between the uprights tonight. The two Franks, Graham and Lavigne, were back at their old places on defence.

Forwards included Ernie Mosher, Owen Lennon, Reg Shields, Vince Ferguson, Ron Hudson and Mickey MacGlashen. Hudson and MacGlashen played with the Charlottetown Abegweits last season. Stevie Estabrooks, former member of both the Saint John Beavers and Charlottetown Abbies was present, with Fagan, captain of last year's Amherst Ramblers.

Among those missing from the line-up were Bill Cowley, who will play for the St. Louis Eagles this year; Paul Gagnon, who is in Paris for the season; and Chummie Lawlor, who is visiting his parents in Ontario.

Connie Mack To Rebuild Athletics

PHILADELPHIA, Oct. 25.—(C.P.)—It takes more than a run of bad luck to defeat Connie Mack, the baseball veteran.

Prize optimist at 72, Mack is planing a comeback for his team next season. Twice before in his career he has rebuilt after breaking up his club, and he figures he can do it again. The fact that the Athletics haven't drawn well at home this year he dismissed as "nothing to worry about."

"When times get better," Mack said, "attendance will get better. I am facing the 1935 season without the slightest misgiving."

Tricolor Stars May Rejoin Team Saturday

KINGSTON, Ont., Oct. 25 — It was learned on good authority that the Nu Sigma Nu fraternity, focal point in an anti-fraternity at Queen's University, may expel from membership How Hamlin, Bill Glass Frank Earle and Colin Dafoe. Should the expulsion be made, it would be possible, through action of the Alma Mater Society, for these rugby players to return to the lineup in time for the game next Saturday, when Queen's meet University of Toronto, in Toronto.

Officials of the Alma Mater Society, whose verdict last week prohibited more than a score of students from participating in social, athletic and other phases of student life because of membership in the fraternity, would not comment on the matter today. The rugby players, likewise, had nothing to say.

The campus was agog today with the prospects, for it was felt that A. M. S. held the solution if the players were definitely expelled from the fraternity.

Tennis Tourney Postponed

(C. P. By Guardian's Special Wire)

HALIFAX, Oct. 25. — The final round of the Maritime inter-collegiate tennis tournament was postponed today by heavy rain. Mount Allison players journeyed to Halifax to meet Dalhousie University team, having eliminated University of New Brunswick in the semi-finals. Dalhousie defeated Acadia University to enter the finals. Play will start tomorrow, weather permitting.

RIFLE SHOOT SATURDAY

SEASON CLOSES SATURDAY WITH GOOSE SHOOT

The final rifle shoot of the season on the Charlottetown Rifle Ranges will be held on Saturday afternoon, October 27th, starting at 2 o'clock.

The marksmen will be divided into two classes, "A" and "B", so that the inexperienced shot will have the same chance of winning a prize as the expert. Range prizes will be offered at each distance for the highest scores in each classes, and first and second prizes will be given in each class for the aggregate scores.

Ranges will be the 200, 500 and 600 yards.
