A CHRISTMAS tree and entertainment was held at Alexandra Church on Christmas night for the amusement and benefit of the Sunday school children. Rev. Mr. Chown, Methodist minister, Pownal, occupied the chair. Among the performers were Abbie Robertson, May Norton, Violet Wood, Lena Pippy, Annie Wood, Ethel Burhoe, Hettie Beaton, John Judson, Emma Burhoe, Chester Robertson, Inez Beaton, Adoniram Judson, Oledine Wood, Everett Wood, Katie Beaton, Kelsey Burhoe, Hilda Burhoe, Wilfred Judson, Almon Wood. Excellent music was also furnished by the choir and the children. Mr. Chown had a short talk with the children before the appearance of Santa. The tree was then stripped of its beautiful adornments. Among the many gifts was a well filled purse to Miss Gertrude Wood from her many friends for her services as organist of the church. Perfect order was maintained throughout. Choir closed with the singing of "When Shall We All Meet Again," after which all went to their respective homes well pleased with the success of the entertainment.

SOUTH MELVILLE SCHOOL held its semi-annual examination in the afternoon of the 28th ult. The schoolroom was fittingly decorated with flowers, fire pictures etc. and a good attendance of lively, happy pupils being present, an interesting cheeriness animated the examination throughout. In addition to the trustees and other officers there was a good turnout of the residents, especially the ladies, who lent much agreeable interest by so showing their appreciation of the excellent work done in the school. Welcome assistance was also rendered the teacher, Joseph P. Monahan by D. J. Mullin, principal of Hampton school, Frank McKenna of Lady Fane school and Miss Sadie Gorham of Kelly's Cross who heard the recitals of the different classes, and who all expressed themselves as greatly pleased with the pupils' showing. A select program of songs, recitations, etc., was also prepared for the occasion and admirably rendered by the pupils, after which an address from the trustees was read by James Gorman and presented to Mr. Monahan who was lately appointed vice-principal of Queen Square School, Charlottetown. A suitable present was also given Mr. Monahan by his pupils which strongly indicates the high esteem in which he is held both by the people and his pupils. After he had fittingly thanked the pupils and good people of South Melville for their kindness and thoughtfulness Mr. Monahan invited the visiting teachers to give short addresses and in response Messrs Mullin and McKenna spoke very highly of the work done and complimented both teacher and scholars upon their efficiency. —One who was present.

Worth Reading

Not how CHEAPLY but how SATISFACTORILY can I be fitted with glasses? THAT'S THE QUESTION which I SHOULD ask. Cheap or ill-fitting glasses CAUSE more strain than they RELIEVE. It takes TIME to CAREFULLY and ACCURATELY fit glasses. Time is VALUABLE and cannot rightfully be given for nothing. THE EXACTING tests which we make take TIME, for which we ask FAIR remuneration. We give the BEST POSSIBLE service and are FURTHER improved our facilities. We therefore do NOT test eyes FREE and we feel that no REASONABLE customer expects us to do so. I invite those interested to see us about their eyes.
