Doctor Advised

An Operation Husband Objected, and This Woman Was Saved the Suffering and Expense of the Surgeon's Knife, and Cured of Piles by Using

Dr. Chase's Ointment.

It would be impossible to estimate the worry and mental anguish endured by persons who are sentenced by their physicians to a surgical operation.

That operations are frequently recommended when entirely unnecessary has been proven again and again in cases of piles which have been cured by the use of Dr. Chase's Ointment.

Think of ten years' suffering with itching, bleeding piles, and after long treatments, being condemned to the surgeon's knife by her family doctor. Is it any wonder that the writer of the following letter considers it a duty as well as a pleasure to testify to the merits of Dr. Chase's Ointment?

Mrs. Charles F. Smith, of 9 Wallace Avenue, Toronto, is so grateful for the remarkable cure she obtained from Dr. Chase's Ointment that she states her experience for the benefit of sister sufferers.

"I was in continual torment for nineteen years with that terrible disease, itching, bleeding piles, and, notwithstanding all the remedies and doctors' treatments I tried, was unable to get any but slight temporary relief. The doctor advised an operation, but my husband objected, and it seemed as if I was to suffer for all time to come, when I was told of the wonderful effect Dr. Chase's Ointment had on that complaint.

"I have since used it, and found it really marvelous in action, soothing and healing very quickly, for since using two boxes the parts are entirely healed and the itching and bleeding permanently ceased. Considering the length of time I suffered, the change and freedom from pain is a great relief. I honestly believe, that Dr. Chase's Ointment is the only positive cure for piles."

Dr. Chase's Ointment, 90 cents a box. At all dealers, or Edmanson, Bates and Co., Toronto. To protect you against imitations the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box of his remedies.

BISLEY, July 24.—The shooting of the second stage of the King's prize was concluded this afternoon. Private Gray of London Scottish Volunteers, who won the bronze medal in the first stage of the competition won the silver medal after a tie with three others, with a score of 188.

TO MAKE MONEY it is necessary to have a clear, bright brain, a cool head free from pain; and strong, vigorous nerves. Minard's Heart and Nerve Pills invigorate and brighten the brain, strengthen the nerves and restore all heart and brain troubles.

Smith—I hear Short, the coal man, has come into a large fortune. Jones—Well, he's entitled to it. Smith—Oh, he is, eh? Jones—Yes, he's been lying in wait for it a good many years.

Minard's Liniment Relieves Neuralgia. "How's all the folks?" "All well, but—the measles is in the neighborhood."

"Well, you ought to be thankful you're a livin'."

"I spoken as but—we've all got to die." If you take a Laxa-Liver Pill to-night before retiring, it will work while you sleep without a grip or pain, causing only a temporary constipation, a deeper sleep and a healthy and make you feel better in the morning.

Jim—Would you call a man who steals another man's funny stories or his plots and uses them as a literary thief? James—No, I would call him a second story man.

Minard's Liniment Cures Dandruff. No one looks well in his best clothes who shows by his manner that he remembers that he has them on.—Athletic Globe.

PASSED BY WORMS I gave Dr. Low's Worm Syrup to my little girl two and half years old; the result was that she passed 15 round worms in five days.
